Der Einlösungsbetrag wird an die Zertifikatsinhaber in der Emissionswährung gezahlt. Dezember, 16:00 Uhr (Ortszeit New York) eines jeden Jahres bis 2. Januar, 5:00 Uhr (Ortszeit Sydney), des jeweiligen Folgejahres (die "Devisenhandelszeiten") gehandelter Emissionswährungs-/Fremdwährungs-Kurs der maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag]. Sollten sich an den internationalen Devisenmärkten die weltweit üblichen Handelszeiten ändern, so ändern sich die Devisenhandelszeiten im Sinne dieser Emissionsbedingungen entsprechend.
- (4) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass vor Ende der Auflösungsfrist eine devisenhandelsfreie Zeit (wie nachfolgend definiert) beginnt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach dieser devisenhandelsfreien Zeit. "Devisenhandelsfreie Zeit" ist jeder Zeitraum außerhalb der Devisenhandelszeiten gemäß § 1 Absatz (3). Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat errechnet sich aus dem Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ermittelten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet. Der Knock-out-Betrag wird an die Zertifikatsinhaber in der Emissionswährung gezahlt. Die Umrechnung des Fremdwährungs-Betrags in die Emissionswährung erfolgt durch Division des Fremdwährungs-Betrags durch den Auflösungskurs. [Der Knock-out-Betrag beträgt jedoch mindestens • 0,001 je Zertifikat.] [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

Die Ermittlung des Knock-out-Betrags und die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgen jeweils auf Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Knock-out-Betrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet wird.

§ 3

Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie in Absatz (3) definiert) für den Finanzierungszeitraum und wird auf die achte Dezimalstelle kaufmännisch gerundet.
- (3) Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit
 $((rf - r) \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

"rf": Fremdwährungsreferenzzinssatz

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (4) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag von dem Emittenten gemäß Absatz (2) jeweils vor dem Handelsbeginn des Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die achte Dezimalstelle kaufmännisch gerundet wird.
- (3) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Zertifikate ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,

- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis (aus welchen Gründen auch immer) nicht veröffentlicht wird.

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Publikationsstelle veröffentlichte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag von der Publikationsstelle veröffentlichte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht veröffentlicht wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 gilt entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

[§ 10

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.

- (2) Jede Ersetzung ist unverzüglich gemäß § 11 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 10 erneut.]

[§ 10] [§ 11] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 11] [§ 12] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 12] [§ 13] Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 10] [§ 11] bekannt gemacht.

[§ 14] [§ 15]

Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt. Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.
- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Zertifikate wird auf 10 Jahre abgekürzt. Die Verjährungsfrist für Ansprüche aus den Zertifikaten, die innerhalb der Vorlegungsfrist zur Zahlung vorgelegt werden, beträgt zwei Jahre von dem Ende der betreffenden Vorlegungsfrist an. Die Vorlegung der Zertifikate erfolgt durch Übertragung der jeweiligen Miteigentumsanteile an der entsprechenden Sammelurkunde auf das Konto des Emittenten bei Clearstream.]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. - b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. - (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz (wobei 1 Prozent des maßgeblichen Basiswerts 1 EUR entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: Währung des Basiswerts = EUR, Emissionswährung ≠ EUR

- (3) Der Knock-out-Betrag je Zertifikat wird in der EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgesite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Geld] [•]-Kurs[, derzeit unter ["Bid"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor

dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] [in der Zeit von 10:00 Uhr bis 11:00 Uhr vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- [(3) An jedem Future-Anpassungszeitpunkt vor dem Handelsbeginn des Emittenten wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

- (i) Addition der Differenz zwischen dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
- (ii) Subtraktion der Differenz zwischen dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Eröffnungskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Eröffnungskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

(4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten Eröffnungskurse (der "Future-Anpassungszeitpunkt").]

[(3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

(i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder

(ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#FGBL:"; jeweils unter "Last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

(4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").]

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils zweite Börsentag (wie nachfolgend definiert) vor dem Liefertag (wie nachfolgend definiert). "Liefertag" ist derzeit der zehnte Kalendertag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls der nächste danach liegende Börsentag. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage bzw. die Liefertage ändern, so ändern sich die Letzten Handelstage bzw. Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

(5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten") von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) [während der Anpassungsfrist] neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [**•**] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und

- b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm

beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags

beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14] Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter

Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]

Anwendbares Recht/Erfüllungsort/Gerichtsstand

- (1) Form und Inhalt der Zertifikate sowie alle Rechte und Pflichten der Zertifikatsinhaber und des Emittenten bestimmen sich in jeder Hinsicht nach dem Recht der Bundesrepublik Deutschland.
- (2) Erfüllungsort für alle sich aus diesen Emissionsbedingungen ergebenden Verpflichtungen der Zertifikatsinhaber und des Emittenten ist Düsseldorf.
- (3) Gerichtsstand für alle Streitigkeiten aus den in diesen Emissionsbedingungen geregelten Angelegenheiten ist Düsseldorf für Kaufleute, juristische Personen des öffentlichen Rechts, öffentlich-rechtliche Sondervermögen und Personen ohne allgemeinen Gerichtsstand in der Bundesrepublik Deutschland. Der Gerichtsstand Düsseldorf ist für alle Klagen gegen den Emittenten ausschließlich.

[§ 15] [§ 16]

Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt. Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.
- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Zertifikate wird auf 10 Jahre abgekürzt. Die Verjährungsfrist für Ansprüche aus den Zertifikaten, die innerhalb der Vorlegungsfrist zur Zahlung vorgelegt werden, beträgt zwei Jahre von dem Ende der betreffenden Vorlegungsfrist an. Die Vorlegung der Zertifikate erfolgt durch Übertragung der jeweiligen Miteigentumsanteile an der entsprechenden Sammelurkunde auf das Konto des Emittenten bei Clearstream.]

- (1) Die HSBC Trinkaus & Burkhardt GmbH, Düsseldorf, (der "Emittent") ist nach Maßgabe dieser Emissionsbedingungen und vorbehaltlich des Absatzes (•) verpflichtet, dem Inhaber (der "Zertifikatsinhaber" oder der "Wertpapierinhaber") eines Inhaber-Zertifikats (das "Zertifikat" oder das "Wertpapier" bzw. alle begebenen Zertifikate die "Zertifikate" oder die "Wertpapiere"¹) nach dessen Ausübung gemäß § 6 den gemäß nachfolgendem Absatz (2) bestimmten Einlösungsbetrag je Zertifikat (der "Einlösungsbetrag") zu zahlen.

Die Berechnung des Einlösungsbetrags je Zertifikat erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 6 Absatz (1) definiert).
- a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz (wobei 1 Prozent des maßgeblichen Basiswerts 1 EUR entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgesite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Geld] [•]-Kurs[, derzeit unter ["Bid"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor

dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] [in der Zeit von 10:00 Uhr bis 11:00 Uhr vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- [(3) An jedem Future-Anpassungszeitpunkt vor dem Handelsbeginn des Emittenten wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

- (i) Addition der Differenz zwischen dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
- (ii) Subtraktion der Differenz zwischen dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Eröffnungskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Eröffnungskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

(4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten Eröffnungskurse (der "Future-Anpassungszeitpunkt").]

[(3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

(i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder

(ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#FGBL:"; jeweils unter "Last"] [•], der Publikationsstelle "[Refinitiv] [•]" (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

(4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").]

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils zweite Börsentag (wie nachfolgend definiert) vor dem Liefertag (wie nachfolgend definiert). "Liefertag" ist derzeit der zehnte Kalendertag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls der nächste danach liegende Börsentag. "Börsentag" ist •.

Sollte die Relevante Referenzstelle die letzten Handelstage bzw. die Liefertage ändern, so ändern sich die Letzten Handelstage bzw. Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

(5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten") von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) [während der Anpassungsfrist] neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und

- b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm

beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags

beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
 - (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
 - (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.

In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt

gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens ● 0,001 je Zertifikat]. § 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
 - (i) Addition der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der Geschäftstag in England und Wales, der dem 15. Kalendertag vor dem 1. Kalendertag des betreffenden Kontraktmonats vorausgeht, sofern dieser 15. Kalendertag ein Geschäftstag in England und Wales ist, andernfalls der unmittelbar vorausgehende Geschäftstag in England und Wales.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5

Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den

Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12]

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13]
Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14]
Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]

[§ 15] [§ 16]
Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt.

Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Zertifikate wird auf 10 Jahre abgekürzt. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt

gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens ● 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [●] [von Refinitiv] [●] (oder einer etwaigen Nachfolgeseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [●]-Kurs[, derzeit unter ["Ask"] [●] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die ●-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die ●-Kurse regelmäßig veröffentlicht werden, bestimmen.]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR bzw. Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der [Fremdwährung] [EUR] ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [●] [von Refinitiv] [●] (oder einer etwaigen Nachfolgeseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Geld] [●]-Kurs[, derzeit unter ["Bid"] [●] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die ●-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die ●-Kurse regelmäßig veröffentlicht werden, bestimmen.]

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]

§ 3 Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der Geschäftstag in England und Wales, der dem 15. Kalendertag vor dem 1. Kalendertag des betreffenden Kontraktmonats vorausgeht, sofern dieser 15. Kalendertag ein Geschäftstag in England und Wales ist, andernfalls der unmittelbar vorausgehende Geschäftstag in England und Wales.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
 - a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den

Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12]

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]

Die Vorlegung der Zertifikate erfolgt durch Übertragung der jeweiligen Miteigentumsanteile an der entsprechenden Sammelurkunde auf das Konto des Emittenten bei Clearstream.]

Die Berechnung des Einlösungsbetrags je Zertifikat erfolgt jeweils auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). - a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. - (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
- (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In

diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgeseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["Ask"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR bzw. Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der [Fremdwährung] [EUR] ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgeseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Geld] [•]-Kurs[, derzeit unter ["Bid"] [•] aufgeführt]. § 3 Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten "ICE WTI Crude Futures - Singapore Marker"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der jeweils 4. US-Geschäftstag vor dem 25. Kalendertag eines Monats, der dem betreffenden Kontraktmonat vorausgeht. Sofern der 25. Kalendertag eines Monats kein US-Geschäftstag ist, ist der letzte Handelstag der 4. US-Geschäftstag vor dem letzten US-Geschäftstag vor dem 25. Kalendertag, der dem betreffenden Kontraktmonat vorausgeht. "US-Geschäftstag" ist jeder Tag, an dem die [New York Mercantile Exchange (NYMEX)] [●] für den Handel geöffnet ist.

Sollte die Relevante Referenzstelle die letzten Handelstage für die Maßgeblichen Basiswerte ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: ●]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
 - a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den

Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12]

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13]
Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14]

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]

[§ 15] [§ 16]
Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt.

Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Zertifikate wird auf 10 Jahre abgekürzt. Die Verjährungsfrist für Ansprüche aus den Zertifikaten, die innerhalb der Vorlegungsfrist zur Zahlung vorgelegt werden, beträgt zwei Jahre von dem Ende der betreffenden Vorlegungsfrist an. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In

diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat]. § 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
 - (i) Addition der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten "ICE WTI Crude Futures - Singapore Marker"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der jeweils 4. US-Geschäftstag vor dem 25. Kalendertag eines Monats, der dem betreffenden Kontraktmonat vorausgeht. Sofern der 25. Kalendertag eines Monats kein US-Geschäftstag ist, ist der letzte Handelstag der 4. US-Geschäftstag vor dem letzten US-Geschäftstag vor dem 25. Kalendertag, der dem betreffenden Kontraktmonat vorausgeht. "US-Geschäftstag" ist jeder Tag, an dem die [New York Mercantile Exchange (NYMEX)] [●] für den Handel geöffnet ist.

Sollte die Relevante Referenzstelle die letzten Handelstage für die Maßgeblichen Basiswerte ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: ●]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (3) Die Ausübungserklärung muss enthalten:

 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt.
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den

Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12]

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13]
Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14]
Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]

[§ 15] [§ 16]
Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt.

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 6 Absatz (1) definiert).]
- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz [(wobei • des maßgeblichen Basiswerts • entspricht)], um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der [Fremdwährung] [EUR] ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgeside des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["BstOFR"] ["BstBID"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten]

[Alternativen Anpassungszeitpunkt einfügen: •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle

unverzögerlich nach Verfügbarkeit der in Absatz (3) beschriebenen ●-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist ●.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: ●**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.

- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften

Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn

- a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist •.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

- b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Die Berechnung des Einlösungsbetrags je Zertifikat erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 6 Absatz (1) definiert).]
- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz [(wobei • des maßgeblichen Basiswerts • entspricht)], um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR

- (3) Der Knock-out-Betrag je Zertifikat wird in der [Fremdwährung] [EUR] ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgesite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["BstOFR"] ["BstBID"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten]

[Alternativen Anpassungszeitpunkt einfügen: •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle

unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen ●-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist ●.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: ●**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.

- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften

Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn

- a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist •.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

- b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

**[§ 11] [§ 12]
Bekanntmachungen**

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

**[§ 12] [§ 13]
Emission weiterer Zertifikate/Rückkauf**

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.

- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend

definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. - a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
 - b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
 - c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
 - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen

des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz (wobei • des maßgeblichen Basiswerts • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgersite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["Ask"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR bzw. Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgersite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Geld] [•]-Kurs[, derzeit unter ["Bid"] [•] aufgeführt]. Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
 - (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag eins schließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat

dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist •.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen

Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz (wobei • des maßgeblichen Basiswerts • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). § 3 Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
 - (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen ●-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist ●.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: ●]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag eins schließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat

dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder
 - b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist •.

§ 10

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbeitreitender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.

Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 6 Absatz (1) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 6 Absatz (1) definiert).]

- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse]

(wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

- c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
 - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz (wobei • des maßgeblichen Basiswerts • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. § 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: ●]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1GC:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. Wenn die Anpassungskurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Seite der vorgenannten Publikationsstelle oder eine Bildschirmseite einer anderen Publikationsstelle, auf der die Anpassungskurse regelmäßig veröffentlicht werden, bestimmen.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils [Ersten Liefertag] [Ersten Anzeigetag der Andienung (First Notice Day)] (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

["Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert).] "Erster Liefertag" ist derzeit der erste Börsentag (wie nachfolgend definiert) des betreffenden Kontraktmonats. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die [ersten Anzeigetage der Andienung oder die] ersten Liefertage ändern, so ändern sich die [Ersten Anzeigetage der Andienung oder die] Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] **[•]** (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.

- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§

12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag die Gold-Future-Kurse von der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt werden oder

- b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Soweit für diesen Tag solche Gold-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Gold-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet.  - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz (wobei • des maßgeblichen Basiswerts • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: ●]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1GC:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. Wenn die Anpassungskurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Seite der vorgenannten Publikationsstelle oder eine Bildschirmseite einer anderen Publikationsstelle, auf der die Anpassungskurse regelmäßig veröffentlicht werden, bestimmen.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils [Ersten Liefertag] [Ersten Anzeigetag der Andienung (First Notice Day)] (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

["Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert).] "Erster Liefertag" ist derzeit der erste Börsentag (wie nachfolgend definiert) des betreffenden Kontraktmonats. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die [ersten Anzeigetage der Andienung oder die] ersten Liefertage ändern, so ändern sich die [Ersten Anzeigetage der Andienung oder die] Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] **[•]** (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. - (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§

12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag die Gold-Future-Kurse von der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt werden oder

- b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Soweit für diesen Tag solche Gold-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Gold-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;

 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. - c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
 - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz (wobei • des maßgeblichen Basiswerts • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei

dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [●] [von Refinitiv] [●] (oder einer etwaigen Nachfolgesseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [●]-Kurs[, derzeit unter ["Ask"] [●] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die ●-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die ●-Kurse regelmäßig veröffentlicht werden, bestimmen.]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR bzw. Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der [Fremdwährung] [EUR] ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [●] [von Refinitiv] [●] (oder einer etwaigen Nachfolgesseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Geld] [●]-Kurs[, derzeit unter ["Bid"] [●] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die ●-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die ●-Kurse regelmäßig veröffentlicht werden, bestimmen.]

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: ●]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1Sl:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. Wenn die Anpassungskurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Seite der vorgenannten Publikationsstelle oder eine Bildschirmseite einer anderen Publikationsstelle, auf der die Anpassungskurse regelmäßig veröffentlicht werden, bestimmen.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Ersten Anzeigetag der Andienung (First Notice Day) (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert). "Erster Liefertag" ist derzeit der erste Börsentag der Quartalsmonate März, Juli, September und Dezember. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die ersten Anzeigetage der Andienung oder die ersten Liefertage ändern, so ändern sich die Ersten Anzeigetage der Andienung oder die Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [**•**] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.

- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§

12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag die Silber-Future-Kurse von der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt werden oder

- b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Soweit für diesen Tag solche Silber-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Silber-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet

zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;

- c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14]
Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]
Anwendbares Recht/Erfüllungsort/Gerichtsstand

- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
 - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Die Auflösung der Sicherungsgeschäfte erfolgt, wenn Kurse des maßgeblichen Basiswerts an einer Börse (wie nachfolgend definiert) quotiert werden. "Börse" ist weltweit jede Börse (einschließlich der Relevanten Referenzstelle), an der Kurse für den maßgeblichen Basiswert quotiert werden und an der nach vernünftigem kaufmännischen Ermessen des Emittenten ein liquider Markt gewährleistet ist. Der Beginn der Auflösungsfrist verschiebt sich bzw. die Auflösungsfrist wird unterbrochen, wenn an keiner Börse Kurse für den maßgeblichen Basiswert quotiert werden. In diesem Fall beginnt die Auflösungsfrist zu laufen bzw. wird die Auflösungsfrist fortgesetzt, sobald an einer Börse Kurse für den maßgeblichen Basiswert quotiert werden. Die Auflösungsfrist endet mit Ablauf der verbleibenden Zeit nach Beginn bzw. Fortsetzung der Auflösungsfrist. Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den bei der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs").
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundeten Produkt aus dem Bezugsverhältnis und der in der Fremdwährung ausgedrückten Differenz (wobei • des maßgeblichen Basiswerts • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat]. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: ●]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1Sl:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. Wenn die Anpassungskurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Seite der vorgenannten Publikationsstelle oder eine Bildschirmseite einer anderen Publikationsstelle, auf der die Anpassungskurse regelmäßig veröffentlicht werden, bestimmen.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Ersten Anzeigetag der Andienung (First Notice Day) (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert). "Erster Liefertag" ist derzeit der erste Börsentag der Quartalsmonate März, Juli, September und Dezember. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die ersten Anzeigetage der Andienung oder die ersten Liefertage ändern, so ändern sich die Ersten Anzeigetage der Andienung oder die Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [**•**] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.

- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§

12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag die Silber-Future-Kurse von der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt werden oder

- b) der Handel des dann maßgeblichen Basiswerts während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Soweit für diesen Tag solche Silber-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Silber-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
- c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

Im Falle des Eintritts des Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) [entspricht der Knock-out-Betrag EUR 0,001 je Zertifikat] [verfallen die Zertifikate wertlos und es wird kein Knock-out-Betrag gezahlt]. Der Knock-out-Betrag wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. [Sofern der von der Relevanten Referenzstelle gemäß § 1 Absatz (3) (ii) festgestellte •-Kurs des dann maßgeblichen Basiswerts den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen:** •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkte einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende

Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: ●**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [**●**] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,

 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,

- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [gemäß § 1 Absatz (3) (ii) und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Knock-out-Ereignis. [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) bzw. sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.

- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften

Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen

sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist ●.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im

Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13]

[Sofern von der Relevanten Referenzstelle gemäß § 1 Absatz (3) (ii) festgestellte •-Kurs des dann maßgeblichen Basiswerts den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen:** •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkte einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage -Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: •]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. § 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] **[•]** (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag**

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,**

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt.

[In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse

veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist •.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14]
Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgersite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. - b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Im Falle des Eintritts des Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) [entspricht der Knock-out-Betrag EUR 0,001 je Zertifikat] [verfallen die Zertifikate wertlos und es wird kein Knock-out-Betrag gezahlt]. - (2) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (2) entspricht hierbei dem unverzüglich nach Ermittlung des Knock-out-Betrags auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgesite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["Ask"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (2) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen:** •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkte einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende

Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: ●**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [**●**] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [gemäß § 1 Absatz (4) (ii) und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Knock-out-Ereignis. [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) bzw. sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.

- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften

Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (4) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (4) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen

sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist ●.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im

Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13]

Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 13] [§ 14]

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 11] [§ 12] bekannt gemacht.

[§ 14] [§ 15]

- (1) Form und Inhalt der Zertifikate sowie alle Rechte und Pflichten der Zertifikatsinhaber und des Emittenten bestimmen sich in jeder Hinsicht nach dem Recht der Bundesrepublik Deutschland.
- (2) Erfüllungsort für alle sich aus diesen Emissionsbedingungen ergebenden Verpflichtungen der Zertifikatsinhaber und des Emittenten ist Düsseldorf.
- (3) Gerichtsstand für alle Streitigkeiten aus den in diesen Emissionsbedingungen geregelten Angelegenheiten ist Düsseldorf für Kaufleute, juristische Personen des öffentlichen Rechts, öffentlich-rechtliche Sondervermögen und Personen ohne allgemeinen Gerichtsstand in der Bundesrepublik Deutschland. - (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgersite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 6 Absatz (1) definiert).
- a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.
- (4) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) entweder
- (i) ein von der Relevanten Referenzstelle festgestellter Kurs des maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet **oder**
- (ii) der von der Relevanten Referenzstelle festgestellte •-Kurs des maßgeblichen Basiswerts der maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet
- (i) und (ii) jeweils das "Knock-out-Ereignis",

endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag")]. [Im Fall von (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag"), sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber

keinen Knock-out-Betrag. Im Fall von (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

- (5) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Im Falle des Eintritts des Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) [entspricht der Knock-out-Betrag EUR 0,001 je Zertifikat] [verfallen die Zertifikate wertlos und es wird kein Knock-out-Betrag gezahlt]. Im Falle des Eintritts des Knock-out-Ereignisses gemäß § 1 Absatz (4) (ii) entspricht der Knock-out-Betrag je Zertifikat der in der Fremdwährung ausgedrückten und mit dem Bezugsverhältnis multiplizierten Differenz [(wobei • des maßgeblichen Basiswerts • entspricht)], um die der von der Relevanten Referenzstelle gemäß § 1 Absatz (4) (ii) festgestellte •-Kurs des dann maßgeblichen Basiswerts den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet [, jedoch mindestens EUR 0,001 je Zertifikat]. Der Knock-out-Betrag wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. [Sofern der von der Relevanten Referenzstelle gemäß § 1 Absatz (4) (ii) festgestellte •-Kurs des dann maßgeblichen Basiswerts den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]
- (2) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (2) entspricht hierbei dem unverzüglich nach Ermittlung des Knock-out-Betrags auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgesite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["Ask"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (2) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.

Die Umrechnung des Knock-out-Betrags je Zertifikat in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen:** •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit))] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkte einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende

Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: ●**] sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können jeweils mit Wirkung [zum ersten Bankarbeitstag eines jeden Monats] [**●**] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei der Hinterlegungsstelle liefert.]

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei der Hinterlegungsstelle übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [gemäß § 1 Absatz (4) (ii) und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Knock-out-Ereignis. [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) bzw. sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über die Hinterlegungsstelle an die Zertifikatsinhaber.

- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (5) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften

Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (4) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (4) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen

sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend. "Börsentag" ist ●.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (4) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (4) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im

Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 12] [§ 13]
Emission weiterer Zertifikate/Rückkauf

Dividendenanpassung

Im Falle von Dividendenausschüttungen bezogen auf den Basiswert durch die betreffende Gesellschaft bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz reduziert. Das Kündigungsrecht des Emittenten gemäß Absatz g) bleibt hiervon unberührt.

Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. [Anwendbar bei Wertpapieren bezogen auf DRs bzw. anderen aktienähnlichen oder aktienvertretenden Wertpapieren:

In Bezug auf Basiswerte, die aktienähnliche oder aktienvertretende Wertpapiere (wie beispielsweise Depositary Receipts ("DRs"), zusammen die "Aktienvertretenden Wertpapiere") sind, sind die folgenden Bestimmungen anwendbar:

- a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz g) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der jeweiligen Aktienvertretenden Wertpapiere je Option, an und liegt der Stichtag (wie in Absatz f) definiert) des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz e) mit Wirkung vom Stichtag (einschließlich) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").
- b) Wenn im Falle eines Anpassungsereignisses Optionskontrakte auf den Basiswert an der Relevanten Terminbörse nicht oder nicht mehr gehandelt werden, werden (vorbehaltlich der Regelung gemäß Absatz e)) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend den Regeln der Relevanten Terminbörse mit Wirkung zum Stichtag angepasst, wie es der Fall wäre, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden.
- c) Werden die Aktienvertretenden Wertpapiere, die Basiswerte sind, im Falle eines Anpassungsereignisses wie in Absatz g) beschrieben angepasst, ohne dass die Relevante Terminbörse Anpassungen vornimmt bzw. vornehmen würde, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden, ist der Emittent, wenn der Stichtag vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag fällt, berechtigt, aber nicht verpflichtet, das Bezugsverhältnis und den maßgeblichen Basispreis entsprechend nach billigem Ermessen mit Wirkung zum Stichtag (einschließlich) an anzupassen.
- d) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) bis c) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- e) Der Emittent kann von Absatz a) bis c) abweichende Anpassungsmaßnahmen ergreifen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen erscheint, um die Wertpapierinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn ein Anpassungsereignis bezüglich einer unterliegenden Aktie (wie in Absatz g) definiert) vorliegt und der Emittent des Basiswerts keine Anpassungsmaßnahmen ergreift und die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift oder ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz h) bleibt hiervon unberührt.
- f) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.
- g) Ein "Anpassungsereignis" im Sinne dieser Emissionsbedingungen ist der Eintritt eines der nachstehend aufgezählten Ereignisse bezogen auf den Basiswert oder auf die dem Basiswert

 - (vi) Kapitalerhöhung aus Gesellschaftsmitteln;

 - (xii) Verschmelzung der Gesellschaft im Wege der Aufnahme, bei der die Gesellschaft nicht die übernehmende Gesellschaft ist;
 - (xiii) Gattungsänderung;
 - (xiv) Umwandlung im Wege der Neugründung (Ausgliederung) und bei jedem sonstigen Vorgang (beispielsweise Spaltung, Vermögensübertragung, Eingliederung, Umstrukturierung, Formwechsel oder Aktienumtausch), durch den oder auf Grund dessen sämtliche Aktien der Gesellschaft endgültig untergehen, übertragen werden, zu übertragen sind oder in ihrer Gattung oder Rechtsnatur verändert werden;
 - (xv) Verstaatlichung;
 - (xvi) Übernahmeangebot sowie
 - (xvii) jedes andere vergleichbare Ereignis, das einen Konzentrations-, Verwässerungs- oder sonstigen Effekt auf den rechnerischen Kurs des Basiswerts haben kann und aufgrund dessen (a) der Emittent des Basiswerts Anpassungen der Aktienvertretenden Wertpapiere vornimmt oder (b) die Relevante Terminbörse eine Anpassung der Optionskontrakte auf die Aktienvertretenden Wertpapiere vornimmt bzw. vornehmen würde, wenn Optionskontrakte auf die Aktienvertretenden Wertpapiere an der Relevanten Terminbörse gehandelt werden würden.
- h) Werden oder wurden die Aktienvertretenden Wertpapiere, die Basiswerte sind, im Falle eines Anpassungsereignisses, wie in Absatz g) beschrieben, nach Ansicht des Emittenten aus welchen Gründen auch immer nicht sachgerecht angepasst und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtungen aus der Begebung der Wertpapiere erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Wertpapiere durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. § 10

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis (aus welchen Gründen auch immer) nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht festgestellt wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

Absätze (1), (3) und (4) sowie § 10 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. § 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der maßgebliche Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der maßgebliche Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere maßgebliche Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht

der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die

§ 9 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des Basiswerts aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung des Basiswerts betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 8 ermitteln. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten

§ 8 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der maßgebliche Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der maßgebliche Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere maßgebliche Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht

der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die

angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. § 9 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des Basiswerts aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung des Basiswerts betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 8 ermitteln. "Börsentag" ist ●.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten

Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- [(3) An jedem Future-Anpassungszeitpunkt vor dem Handelsbeginn des Emittenten wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

(i) Addition der Differenz zwischen dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder

(ii) Subtraktion der Differenz zwischen dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Eröffnungskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Eröffnungskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten Eröffnungskurse (der "Future-Anpassungszeitpunkt").]

[(3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
- (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#FGBL:", jeweils unter "Last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

(4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").]

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils zweite Börsentag (wie nachfolgend definiert) vor dem Liefertag (wie nachfolgend definiert). "Liefertag" ist derzeit der zehnte Kalendertag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls der nächste danach liegende Börsentag. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage bzw. die Liefertage ändern, so ändern sich die letzten Handelstage bzw. Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

(5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

(1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von

dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: ●]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) [während der Anpassungsfrist] neu festgelegt.

- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

[In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. § 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm

beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag][innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags

beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

¹ Die Stückzahl der begebenen Wertpapiere ist abhängig von der Nachfrage nach den angebotenen Wertpapieren, aber - vorbehaltlich einer Aufstockung oder eines (Teil-)Rückkaufs der Emission - auf das Angebotsvolumen begrenzt. Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

Die Berechnung des Einlösungsbetrags je Zertifikat erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

- (3) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) entweder

endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

- (4) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

Im Falle des Eintritts des Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) [entspricht der Knock-out-Betrag EUR 0,001 je Zertifikat] [verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag]. Im Falle des Eintritts des Knock-out-Ereignisses gemäß § 1 Absatz (3) (ii) entspricht der Knock-out-Betrag je Zertifikat der in der Emissionswährung ausgedrückten und mit dem Bezugsverhältnis multiplizierten Differenz (wobei 1 Prozent des maßgeblichen Basiswerts 1 EUR entspricht), um die der von der Relevanten Referenzstelle gemäß § 1 Absatz (3) (ii) festgestellte •-Kurs des dann maßgeblichen Basiswerts den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens EUR 0,001 je Zertifikat]. Der Knock-out-Betrag wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. [Sofern der von der Relevanten Referenzstelle gemäß § 1 Absatz (3) (ii) festgestellte •-Kurs des dann maßgeblichen Basiswerts den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

§ 3

Maßgeblicher Basispreis und maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] [in der Zeit von 10:00 Uhr bis 11:00 Uhr vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der jeweilige maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum (wie nachfolgend definiert) dividiert durch 360

bedeuten.

Der "Anpassungszeitraum" ist der Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- [(3) An jedem Future-Anpassungszeitpunkt vor dem Handelsbeginn des Emittenten wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

(i) Addition der Differenz zwischen dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder

(ii) Subtraktion der Differenz zwischen dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Eröffnungskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Eröffnungskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der von der Relevanten Referenzstelle an diesem Bankarbeitstag festgestellten Eröffnungskurse (der "Future-Anpassungszeitpunkt").]

[(3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
- (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#FGBL:", jeweils unter "Last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

(4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 6 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").]

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils zweite Börsentag (wie nachfolgend definiert) vor dem Liefertag (wie nachfolgend definiert). "Liefertag" ist derzeit der zehnte Kalendertag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls der nächste danach liegende Börsentag. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage bzw. die Liefertage ändern, so ändern sich die letzten Handelstage bzw. Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 11] [§ 12] bekannt machen.

(5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

(1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag jeweils vor dem Handelsbeginn des Emittenten von dem Emittenten gemäß Absatz (2)] [zu Beginn eines jeden Geschäftstags von

dem Emittenten gemäß Absatz (2)] **[Alternativen Anpassungszeitpunkt einfügen: ●]** sowie an jedem Future-Anpassungszeitpunkt zusätzlich gemäß Absatz (3) [während der Anpassungsfrist] neu festgelegt.

- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Ab jedem Future-Anpassungszeitpunkt entspricht die maßgebliche Knock-out-Barriere dem an dem betreffenden Future-Anpassungszeitpunkt gemäß § 3 Absatz (3) festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (4) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5

Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch der Zertifikatsinhaber auf Lieferung effektiver Stücke ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6

- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
 - a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,

- b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

§ 7

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.
- (2) Im Falle des Knock-out-Ereignisses [gemäß § 1 Absatz (3) (ii) und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Knock-out-Ereignis. [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) bzw. sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Im Falle der Kündigung durch den Emittenten erfolgt die Zahlung des Einlösungsbetrags je Zertifikat [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag über Clearstream Banking AG, Eschborn, an die Zertifikatsinhaber.
- (4) Im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] ist "Bankarbeitstag" ●. Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des maßgeblichen Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des maßgeblichen Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des maßgeblichen Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des maßgeblichen Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des maßgeblichen Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des maßgeblichen Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des maßgeblichen Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten maßgeblichen Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen maßgeblichen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten maßgeblichen Basiswerts auf der Grundlage des bisherigen Konzeptes des maßgeblichen Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des maßgeblichen Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm

beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des maßgeblichen Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts an der Relevanten Referenzstelle aus anderen als in § 8 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags

beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Zertifikatsinhaber und den Emittenten bindend.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses gemäß § 1 Absatz (3) (i) verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag. Im Fall von § 1 Absatz (3) (ii) zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 ermittelten Knock-out-Betrag, sofern sich ein Knock-out-Betrag errechnet, andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;

- c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 11 erneut.]

[§ 11] [§ 12] Bekanntmachungen

Alle die Zertifikate betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Zertifikatsinhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle vor dem Ende der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß [§ 9] [§ 10] Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist •.
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der in der [Fremdwährung] [Emissionswährung] ausgedrückten Differenz (wobei 1 Indexpunkt 1 • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat,] und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. "t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

[(ii)] Die bei einer Anpassung jeweils maßgebliche "Dividendenadjustierung" wird nach folgender Formel errechnet:

Dividendenadjustierung = Maßgeblicher Basispreis vor Anpassung multipliziert mit dem maßgeblichen Netto-Dividendensatz multipliziert mit t,

wobei

"maßgeblicher Netto-Dividendensatz" = Maßgeblicher Brutto-Dividendensatz multipliziert mit dem maßgeblichen Dividendenprozentsatz

- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5

Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. - b) Sollte der maßgebliche Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere maßgebliche Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] [§ 13] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts

Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] [§ 13] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12] [§ 13].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag [, sofern sich ein Knock-out-Betrag errechnet] zahlen.
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] [§ 13] bekanntmachen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlichen. [§ 9] [§ 10] Marktstörung

- (1) Eine Marktstörung liegt vor, wenn
- a) am Ausübungstag der Referenzpreis des Basiswerts aus anderen als in [§ 8] [§ 9] genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Indexkomponenten an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung des Basiswerts betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Indexkomponente ermittelt wird, oder
 - b) der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse, sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung im Basiswert betroffen ist, oder der Handel von auf den Index bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des [§ 8] [§ 9] ermitteln.

[§ 10] [§ 11] Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] [§ 13] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie [§ 9] [§ 10] Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß [§ 8] [§ 9] (die

"außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[[§ 11] [§ 12] Ersetzung des Emittenten

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.

- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses/ Berechnung des außerordentlichen Knock-out-Betrags bei Eintritt des außerordentlichen Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle vor dem Ende der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß [§ 9] [§ 10] Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist ●.
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz (wobei 1 Indexpunkt 1 ● entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens ● 0,001 je Zertifikat,] und wird auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der maßgebliche Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die

sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der maßgebliche Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere maßgebliche Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] [§ 13] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen, sofern sich ein Knock-out-Betrag errechnet. Im Fall des außerordentlichen Knock-out-Ereignisses verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] [§ 13] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12] [§ 13].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen

wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Im Fall des außerordentlichen Knock-out-Ereignisses verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.

[§ 9] [§ 10] Marktstörung

- (1) Eine Marktstörung liegt vor, wenn

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des [§ 8] [§ 9] ermitteln.

Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen, sofern sich ein Knock-out-Betrag errechnet. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. - c) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) und b) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- d) Der Emittent ergreift von Absatz a) und Absatz b) abweichende Anpassungsmaßnahmen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen ist, um die Wertpapierinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift bzw. im Falle des Absatzes a) ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz g) bleibt hiervon unberührt.
- e) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.

Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. - (1) In Bezug auf Basiswerte, die Aktien sind, liegt eine Marktstörung vor, wenn am Ausübungstag der Referenzpreis durch die Relevante Referenzstelle nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Options- und Terminkontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Feststellung des Referenzpreises der von dem Emittenten ermittelte Ersatzkurs (der "Ersatzkurs") maßgeblich. Der Ersatzkurs entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der

Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 7 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:

§ 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises bzw. Schwellenereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Wertpapiere nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises bzw. Schwellenereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und die folgenden Werte des Basiswerts gegebenenfalls entsprechend anpassen: das Bezugsverhältnis, der Basispreis sowie die Knock-out-Barriere. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Wertpapiere nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises bzw. Schwellenereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Wertpapiere durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Wertpapier dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Wertpapiers festgelegt wird. Eine Erstattung des für den Erwerb der Wertpapiere aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Wertpapieren erlöschen mit Zahlung des Kündigungsbetrags. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten

und die Wertpapierinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Wertpapiere erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Wertpapiere durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Die Rechte aus den Wertpapieren erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Schwellenereignis eintritt. In diesem Fall verfällt das Wertpapier wertlos; das Optionsrecht erlischt mit Ablauf des Tags, an dem das Schwellenereignis eingetreten ist und der Einlösungsbetrag entspricht null.
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises sowie der angepassten Knock-out-Barriere erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- h) Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 7] [§ 8] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.

§ 6 Marktstörung/Ersatzkurs

- (1) In Bezug auf Basiswerte, die Indizes sind, liegt eine Marktstörung vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 5 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 5 ermitteln.

[§ 7 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

- a) Im Falle eines außerordentlichen Fondseignisses (wie in Absatz b) definiert) ist der Emittent berechtigt, aber nicht verpflichtet, die Wertpapiere insgesamt, jedoch nicht teilweise, durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen (die "außerordentliche Kündigung"). Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der außerordentlichen Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Wertpapier dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Wertpapiers festgelegt wird. Eine Erstattung des für den Erwerb der Wertpapiere aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Wertpapieren erlöschen mit der Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Schwellenereignis eintritt. In diesem Fall verfällt das Wertpapier wertlos; das Optionsrecht erlischt mit Ablauf des Tags, an dem das Schwellenereignis eingetreten ist und der Einlösungsbetrag entspricht null.
- b) Ein "außerordentliches Fondseignisse" im Sinne dieser Emissionsbedingungen ist der Eintritt eines der nachstehend aufgezählten Ereignisse:
 - (i) die Einleitung oder Durchführung aufsichtsrechtlicher Maßnahmen in Bezug auf die Tätigkeit der Relevanten Referenzstelle oder der Fondsgesellschaft in Bezug auf das Vorliegen von unerlaubten Handlungen, der Verletzung einer gesetzlichen, regulatorischen Vorschrift oder Regel durch die zuständige Aufsichtsbehörde;
 - (ii) Verschmelzung, Übertragung, Zusammenlegung, Auflösung oder Beendigung der Fondsgesellschaft bzw. des Sondervermögens;
 - (iii) Widerruf oder Beschränkung (gegenständlich, räumlich oder in sonstiger Weise) der Zulassung bzw. Vertriebszulassung der Fondsgesellschaft bzw. des Sondervermögens;
 - (iv) das Erlöschen des Rechts der Fondsgesellschaft, das Sondervermögen oder - im Falle von Anteilklassen - einzelne Anteilklassen des Sondervermögens zu verwalten;
 - (v) die zeitweilige Aussetzung der Rücknahme von Anteilen am Sondervermögen durch die Fondsgesellschaft;
 - (vi) eine Änderung der auf das Sondervermögen anwendbaren Steuergesetze oder eine Änderung des steuerlichen Status des Sondervermögens gemäß § 5 Investmentsteuergesetz;
 - (vii) ein Ereignis, welches die Feststellung des Referenzpreises des Basiswerts voraussichtlich während der Laufzeit der Wertpapiere unmöglich macht;
 - (viii) endgültige Einstellung der börslichen Börsennotierung des Sondervermögens;
 - (ix) jedes andere vergleichbare Ereignis in Bezug auf das Sondervermögen bzw. die Anteile am Sondervermögen, das entweder einen ähnlichen Effekt auf den Wert des Sondervermögens bzw. die Anteile des Sondervermögens haben kann oder mit den vorstehend genannten Ereignissen vergleichbar ist.
- c) Im Falle eines Anpassungsereignisses (wie in Absatz d) definiert) wird der Emittent die Emissionsbedingungen mit Wirkung vom Stichtag (einschließlich) (wie in Absatz e) definiert) anpassen (die "Anpassungsmaßnahme"), wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen ist, um die Wertpapierinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Eine derartige Anpassung kann sich insbesondere auf das Bezugsverhältnis die Barriere und den Basispreis beziehen. Die Berechnung des Bezugsverhältnisses des Basiswerts, des angepassten Basispreises sowie der angepassten Barriere erfolgt jeweils auf der Basis

von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird. Die beschriebenen Anpassungsmaßnahmen werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

- d) Ein "Anpassungsereignis" im Sinne dieser Emissionsbedingungen ist der Eintritt eines der nachstehend aufgezählten Ereignisse:
- (i) Zusammenlegung des Sondervermögens;
 - (ii) Änderung der Währung in der die Anteile des Sondervermögens berechnet werden;

 - (iv) Ausschüttungen, die von der Fondsgesellschaft als Sonderdividenden behandelt werden;
 - (v) endgültige Einstellung der Börsennotierung des Sondervermögens, beispielsweise aufgrund einer Verschmelzung;
 - (vi) Verstaatlichung;
 - (vii) jedes andere vergleichbare Ereignis, das einen Konzentrations-, Verwässerungs- oder sonstigen Effekt auf den rechnerischen Kurs des Basiswerts haben kann;
 - (viii) jedes andere vergleichbare Ereignis in Bezug auf das Sondervermögen bzw. die Anteile am Sondervermögen, das entweder einen ähnlichen Effekt auf den Wert des Sondervermögens bzw. die Anteile des Sondervermögens haben kann oder mit den vorstehend genannten Ereignissen vergleichbar ist.
- e) "Stichtag" ist der erste Fondsbewertungstag, an dem der Anteilswert des Sondervermögens unter Berücksichtigung des Anpassungsereignisses von der Relevanten Referenzstelle festgestellt wird.
- f) Ist nach Ansicht des Emittenten eine sachgerechte Anpassungsmaßnahme aus welchen Gründen auch immer nicht möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Wertpapiere erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Wertpapiere durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Wertpapier dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Wertpapiers festgelegt wird. Eine Erstattung des für den Erwerb des Wertpapiers aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Wertpapieren erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Schwellenereignis eintritt. In diesem Fall verfällt das Wertpapier wertlos; das Optionsrecht erlischt mit Ablauf des Tags, an dem das Schwellenereignis eingetreten ist und der Einlösungsbetrag entspricht null.
- g) Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 7] [§ 8] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahmen.

§ 6 Marktstörung/Ersatzkurs

- [(1) In Bezug auf Basiswerte, die indexähnliche oder indexvertretende Basiswerte sind, liegt eine Marktstörung vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 5 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten [Aktien] [Komponenten] an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten [Aktie] [Komponente] ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 5 ermitteln.]
- [(1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis durch die Relevante Referenzstelle nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Options- und Terminkontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Feststellung des Referenzpreises der von dem Emittenten ermittelte Ersatzkurs (der "Ersatzkurs") maßgeblich. Der Ersatzkurs entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.]

[§ 7 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 8 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 7 erneut.]

5.2.2. Verfahren zur Meldung gegenüber den Zeichnern über den zugeteilten Betrag und Angabe, ob eine Aufnahme des Handels vor der Meldung möglich ist

Entfällt. Die Wertpapiere werden ohne Zeichnungsfrist angeboten.

5.3. Preisfestsetzung

5.3.1. Angabe des Preises, der Kosten und Steuern

a) Angabe des Preises, zu dem die Wertpapiere voraussichtlich angeboten werden (anfänglicher Ausgabepreis)

Der anfängliche Ausgabepreis je Wertpapier wird in den Endgültigen Bedingungen veröffentlicht.

Der anfängliche Ausgabepreis ist der Preis, zu dem die Wertpapiere voraussichtlich erstmalig angeboten werden.

Danach wird der Ausgabepreis fortlaufend festgelegt.

Allgemeine Angaben zum Ausgabepreis und zur Preisbildung der Wertpapiere

Der anfängliche Ausgabepreis der Wertpapiere kann einen Ausgabeaufschlag enthalten.

Er kann auch andere ausgewiesene Gebühren und Kosten enthalten.

Außerdem kann er einen für den Wertpapierinhaber nicht erkennbaren Aufschlag auf den anhand von finanzmathematischen Methoden errechneten Wert der Wertpapiere enthalten. Dieser Aufschlag wird vom Emittenten nach freiem Ermessen festgesetzt. Der Aufschlag kann bei verschiedenen Emissionen unterschiedlich hoch sein. Er kann sich ferner von der Höhe der Aufschläge anderer Marktteilnehmer unterscheiden. Im Aufschlag können Kosten enthalten sein, die dem Emittenten entstanden sind oder noch entstehen. Beispiele: Kosten des Emittenten für die Strukturierung der Wertpapiere, für die Risikoabsicherung des Emittenten oder für den Vertrieb.

Der Emittent beabsichtigt, während der Laufzeit der Wertpapiere unter gewöhnlichen Marktbedingungen zu den üblichen Handelszeiten regelmäßig Kauf- und Verkaufspreise für die Wertpapiere zu stellen. Zwischen den gestellten Kauf- und Verkaufspreisen liegt in der Regel eine größere Spanne (sogenannter Spread). Der Kaufpreis liegt somit regelmäßig unter dem Verkaufspreis.

Der Marktpreis der Wertpapiere während ihrer Laufzeit hängt vorwiegend von der Kursentwicklung des Basiswerts ab. Diese Kursentwicklung wird in der Regel nicht exakt abgebildet.

Weitere Faktoren haben ebenfalls Einfluss auf den Wert der Wertpapiere.

Unabhängig vom zugrundeliegenden Basiswert haben beispielsweise nachfolgende Faktoren einen Einfluss auf die Preisbildung der Wertpapiere:

- *Wertpapiere mit begrenzter Laufzeit*: die Restlaufzeit der Wertpapiere,
- die implizite Volatilität des Basiswerts,
- die Zinssätze am Geldmarkt oder
- Änderungen des Kapitalmarktzinses für vergleichbare Laufzeiten.

Bei bestimmten Basiswerten können zusätzliche Faktoren die Preisbildung beeinflussen:

- *Basiswert Aktien bzw. Aktienvertretende Wertpapiere*: die erwarteten Dividendenzahlungen durch die jeweilige Gesellschaft;
- *Basiswert Kursindex*: die erwarteten Dividendenzahlungen auf die im Index enthaltenen Komponenten;
- *Basiswerte, deren Kurse in einer Fremdwährung ausgedrückt werden*: die Zinssätze am betreffenden Fremdwährungs-Geldmarkt sowie Wechselkursschwankungen an den Devisenmärkten.

Einzelne Marktfaktoren wirken für sich und können sich gegenseitig verstärken oder aufheben.

Eine Wertminderung der Wertpapiere kann selbst dann eintreten, wenn der Kurs des Basiswerts konstant bleibt.

Für Optionsscheine bzw. Discount-Optionsscheine bzw. Power-Optionsscheine gilt ferner:

Der Marktpreis dieser Wertpapiere setzt sich aus dem inneren Wert und dem sogenannten Zeitwert des Wertpapiers zusammen. Der Zeitwert ist ein über den inneren Wert hinaus gezahlter Aufschlag. Der Aufschlag kann sich täglich ändern. Der Zeitwert wird im Wesentlichen von der Restlaufzeit des Wertpapiers sowie der impliziten Volatilität des Basiswerts beeinflusst. In der Regel nimmt der Zeitwert mit Ablauf der Laufzeit ab, bis er am Laufzeitende schließlich null beträgt.

Für Turbo-Optionsscheine gilt ferner:

Bei diesen Wertpapieren wird dem inneren Wert das sogenannte Auf- bzw. Abgeld, hinzugerechnet. Dieses bleibt während der Laufzeit nicht immer konstant. Sowohl Auf- als auch Abgeld enthalten einen Risikokostenanteil. Dieser dient zur Finanzierung des sogenannten Gap-Risikos. Gap-Risiko bezeichnet die Gefahr für den Emittenten, die Auflösung seiner Sicherungsgeschäfte im Falle eines Knock-out-Ereignisses nicht zum Basispreis vornehmen zu können. Der Risikoanteil am Auf- bzw. Abgeld kann je nach Marktsituation Veränderungen unterliegen. Es kann zu Schwankungen des gesamten Auf- bzw. Abgeldes und damit zu Schwankungen des Werts der Wertpapiere führen. Im ungünstigsten Fall führt dies zu einer Verminderung des Werts der Wertpapiere.

Zuwendungen für Vertragspartner der Käufer der vom Emittenten emittierten Wertpapiere

Vertragspartner der Käufer der vom Emittenten emittierten Wertpapiere erhalten gegebenenfalls Zuwendungen für den Vertrieb dieser Wertpapiere in Form von Zahlungen.

Sie können einen gegebenenfalls erhobenen Ausgabeaufschlag erhalten.

Ferner können sie Zuwendungen in Form von geldwerten Leistungen erhalten. Hierbei handelt es sich beispielsweise um

- technische Unterstützung in Form von elektronischen außerbörslichen Handelsanbindungen,
- die Bereitstellung von Marketing- und Informationsmaterial zu den Wertpapieren sowie
- die Durchführung von Schulungs- und Kundenveranstaltungen.

Informationen über gegebenenfalls erhaltene Zuwendungen, wie deren Höhe, kann der Käufer von seinen Vertragspartnern erhalten.

b) Beschreibung der Methode zur Preisfestsetzung und des Verfahrens für die Veröffentlichung des anfänglichen Ausgabepreises, sofern eine Angabe des anfänglichen Ausgabepreises nicht möglich ist

Sofern die für die betreffende Emission zu veröffentlichenden Endgültigen Bedingungen den anfänglichen Ausgabepreis nicht enthalten, gilt:

Die Endgültigen Bedingungen werden die Bewertungsmethoden und –kriterien und/oder die Bedingungen, nach denen der endgültige Emissionskurs festzulegen ist, und eine Erläuterung etwaiger Bewertungsmethoden enthalten. Nach Festlegung des endgültigen Emissionskurses wird dieser bei der BaFin als zuständige Aufsichtsbehörde im Sinne der Prospekt-Verordnung hinterlegt und gemäß Artikel 21 Absatz (2) a) der Prospekt-Verordnung in elektronischer Form auf der Website des Emittenten www.hsbc-zertifikate.de veröffentlicht.

c) Angabe der Kosten und Steuern, die dem Zeichner oder Käufer in Rechnung gestellt werden; Aufnahme der im Preis enthaltenen Kosten

Sofern der Emittent dem Wertpapierinhaber Kosten und Steuern in Rechnung stellen wird, gilt: Diese werden in Summe über den Ausgabeaufschlag in den Endgültigen Bedingungen veröffentlicht.

In den Endgültigen Bedingungen wird die Höhe der im Anfänglichen Ausgabepreis der Wertpapiere enthaltenen Kosten des Emittenten veröffentlicht.

Sonstige mit dem Erwerb der Wertpapiere verbundene Kosten und Steuern, die beispielsweise bei Direktbanken oder der Hausbank oder der jeweiligen Wertpapierbörse in Rechnung gestellt werden, sind dort zu erfragen.

6.3. Name und Anschrift der Institute, die aufgrund einer festen Zusage als Intermediäre im Sekundärhandel tätig sind und über An- und Verkaufskurse Liquidität zur Verfügung stellen; Beschreibung der Hauptbedingungen ihrer Zusage

Der Emittent oder ein von ihm beauftragter Dritter kann für die Wertpapiere als sogenannter Market-Maker auftreten. Der Market-Maker wird unter gewöhnlichen Marktbedingungen während der üblichen Handelszeiten der Wertpapiere in der Regel Kauf- und Verkaufspreise stellen. Sein Ziel ist, die Liquidität im jeweiligen Wertpapier zur Verfügung zu stellen. Dies geschieht in Übereinstimmung mit den einschlägigen Regelwerken der jeweiligen Handelsplätze.

Sofern der Emittent Intermediäre im Sekundärhandel beauftragt, werden Name und Anschrift der betreffenden Institute, die aufgrund einer festen Zusage als Intermediäre im Sekundärhandel tätig sind, sowie Beschreibung der Hauptbedingungen ihrer Zusage in den Endgültigen Bedingungen veröffentlicht.

6.4. Emissionspreis der Wertpapiere

Der anfängliche Ausgabepreis (Emissionspreis) je Wertpapier wird in den Endgültigen Bedingungen veröffentlicht. Danach wird der Ausgabepreis fortlaufend festgelegt.

7. Weitere Angaben

7.1. Beteiligte Berater

Es gibt keine an einer Emission beteiligte Berater.

7.2. Geprüfte Angaben

V. Weitere Angaben zu den Wertpapieren (Angaben gemäß Anhang 17 der Delegierten Verordnung – "Wertpapiere, die zu an einen Basiswert gekoppelten Zahlungs- und Lieferverpflichtungen führen")

1. Risikofaktoren

1.1. Angabe der Risikofaktoren, die für die Bewertung des mit den anzubietenden und/oder zum Handel zuzulassenden Wertpapieren verbundenen Marktrisikos von wesentlicher Bedeutung sind

Die Ausführungen zu den Risikofaktoren die Wertpapiere betreffend finden sich unter Punkt II. der Wertpapierbeschreibung.

Der Anleger könnte sein Aufgewendetes Kapital ganz oder teilweise verlieren.

2. Angaben über die anzubietenden bzw. zum Handel zuzulassenden Wertpapiere

2.1. Angaben zu den Wertpapieren

2.1.1. Einfluss des Basiswerts auf den Wert der Wertpapiere

Die Wertentwicklung dieser Wertpapiere hängt insbesondere von der Kursentwicklung des Basiswerts ab. Ferner wird auch die Höhe eines etwaigen Einlösungsbetrags durch den Kurs des Basiswerts maßgeblich beeinflusst. Je höher die Volatilität des Basiswerts ist, desto höher sind auch die möglichen Kursausschläge nach oben und nach unten.

Durch den Erwerb der Wertpapiere, erwirbt der Wertpapierinhaber weder mittelbar noch unmittelbar den Basiswert. Der Wertpapierinhaber kann ausschließlich Rechte aus diesen Wertpapieren geltend machen.

Im Folgenden wird der Einfluss des Basiswerts auf den Wert der Wertpapiere beschrieben, der auf die betreffende Produktkategorie (gekennzeichnet durch die Gliederung A., B. etc.) zutrifft.

A. Optionsscheine bzw. Discount-Optionsscheine bzw. Power-Optionsscheine

Bei Call-Optionsscheinen bzw. Discount-Call-Optionsscheinen bzw. Power-Call-Optionsscheinen wirken sich steigende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Ein Wertpapier, das als Kaufoption (Call) ausgestaltet ist, verliert bei Kursrückgängen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko fallender Kurse des Basiswerts.

Bei Put-Optionsscheinen bzw. Discount-Put-Optionsscheinen bzw. Power-Put-Optionsscheinen wirken sich fallende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Ein Wertpapier, das als Verkaufsoption (Put) ausgestaltet ist, verliert bei Kursanstiegen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko steigender Kurse des Basiswerts. Der mögliche Einlösungsbetrag ist zudem in jedem Fall begrenzt, da der Referenzpreis des Basiswerts maximal null betragen kann. Ferner kann sich der Basiswert nicht weiter negativ entwickeln.

Die Höhe des Einlösungsbetrags orientiert sich grundsätzlich am Referenzpreis des Basiswerts am Ausübungstag: Der Einlösungsbetrag entspricht dabei bei Optionsscheinen und Discount-Optionsscheinen dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet (Call) bzw. unterschreitet (Put). Bei Power-Optionsscheinen entspricht der Einlösungsbetrag dem Quadrat der mit dem Bezugsverhältnis multiplizierten Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet (Call) bzw. unterschreitet (Put).

Bei Discount-Optionsscheinen bzw. Power-Optionsscheinen entspricht der Einlösungsbetrag immer maximal dem Höchstbetrag. Der Wertpapierinhaber partizipiert nicht an Kursentwicklungen des Basiswerts, die zu einem höheren Einlösungsbetrag führen würden.

Optionsscheine bzw. Discount-Optionsscheine haben in der Regel einen starken Hebeleffekt. Der Hebel gibt an, um welchen Faktor das Wertpapier die Kursbewegung des Basiswerts verstärkt. Er gibt an, wie

stark der Preis eines Wertpapiers auf eine Preisänderung des Basiswerts reagiert. Dadurch führt eine Kursveränderung des Basiswerts zu einer überproportionalen Veränderung des Werts der Wertpapiere. Die Hebelwirkung ist in beide Kursrichtungen möglich. Der Hebel verstärkt Verlustrisiken und Gewinnchancen. Aufgrund dieses Hebeleffektes sind überproportionale Verlustrisiken mit dem Erwerb dieser Wertpapiere verbunden.

Power-Optionsscheine sind aufgrund der Quadrierung des inneren Werts durch eine sehr starke Hebelwirkung charakterisiert. Der Hebel gibt an, um welchen Faktor das Wertpapier die Kursbewegung des Basiswerts verstärkt. Er gibt an, wie stark der Preis eines Wertpapiers auf eine Preisänderung des Basiswerts reagiert. Dadurch führt eine Kursveränderung des Basiswerts zu einer überproportionalen Veränderung des Werts der Wertpapiere. Die Hebelwirkung ist in beide Kursrichtungen möglich. Der Hebel verstärkt Verlustrisiken und Gewinnchancen. Aufgrund dieses Hebeleffektes sind überproportionale Verlustrisiken mit dem Erwerb dieser Wertpapiere verbunden.

B. Turbo-Optionsscheine

Bei Turbo-Call-Optionsscheinen wirken sich steigende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Es besteht das Risiko, dass bei fallenden Kursen des Basiswerts bereits vor dem Ausübungstag das Knock-out-Ereignis eintritt. Wirtschaftlich betrachtet führt dies zum Totalverlust des Aufgewendeten Kapitals.

Ein Turbo-Optionsschein, der als Kaufoption (Call) ausgestaltet ist, verliert bei Kursrückgängen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko fallender Kurse des Basiswerts.

Bei Turbo-Put-Optionsscheinen wirken sich fallende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Es besteht das Risiko, dass bei steigenden Kursen des Basiswerts bereits vor dem Ausübungstag das Knock-out-Ereignis eintritt. Wirtschaftlich betrachtet führt dies zum Totalverlust des Aufgewendeten Kapitals.

Ein Turbo-Optionsschein, der als Verkaufsoption (Put) ausgestaltet ist, verliert bei Kursanstiegen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko steigender Kurse des Basiswerts. Der mögliche Einlösungsbetrag ist in jedem Fall begrenzt, da der Referenzpreis des Basiswerts maximal null betragen kann. Ferner kann sich der Basiswert nicht weiter negativ entwickeln.

Der am Ausübungstag (vorbehaltlich des Eintretts eines etwaigen Knock-out-Ereignisses) zu ermittelnde Einlösungsbetrag je Turbo-Optionsschein entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet (Call) bzw. unterschreitet (Put).

Turbo-Optionsscheine haben in der Regel einen starken Hebeleffekt. Der Hebel gibt an, um welchen Faktor das Wertpapier die Kursbewegung des Basiswerts verstärkt. Der Hebel verstärkt Verlustrisiken und Gewinnchancen. Aufgrund dieses Hebeleffektes sind überproportionale Verlustrisiken mit dem Erwerb dieser Wertpapiere verbunden.

C. Open End-Turbo-Optionsscheine

Bei Open End-Turbo-Call-Optionsscheinen wirken sich steigende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Es besteht das Risiko, dass bei fallenden Kursen des Basiswerts das Knock-out-Ereignis eintritt. Wirtschaftlich betrachtet führt dies zum Totalverlust des Aufgewendeten Kapitals.

Ein Open End-Turbo-Optionsschein, der als Kaufoption (Call) ausgestaltet ist, verliert bei Kursrückgängen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko fallender Kurse des Basiswerts.

Bei Open End-Turbo-Put-Optionsscheinen wirken sich fallende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Es besteht das Risiko, dass bei steigenden Kursen des Basiswerts das Knock-out-Ereignis eintritt. Wirtschaftlich betrachtet führt dies zum Totalverlust des Aufgewendeten Kapitals.

Ein Open End-Turbo-Optionsschein, der als Verkaufsoption (Put) ausgestaltet ist, verliert bei Kursanstiegen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko steigender Kurse des Basiswerts. Der mögliche Einlösungsbetrag ist in jedem Fall begrenzt, da der Referenzpreis des Basiswerts maximal null betragen kann. Ferner kann sich der Basiswert nicht weiter negativ entwickeln.

Der am Ausübungstag (vorbehaltlich des Eintritts eines etwaigen Knock-out-Ereignisses) zu ermittelnde Einlösungsbetrag je Wertpapier entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Maßgeblichen Basispreis überschreitet (Call) bzw. unterschreitet (Put).

Open End-Turbo-Optionsscheine haben in der Regel einen starken Hebeleffekt. Der Hebel gibt an, um welchen Faktor das Wertpapier die Kursbewegung des Basiswerts verstärkt. Er gibt an, wie stark der Preis eines Wertpapiers auf eine Preisänderung des Basiswerts reagiert. Dadurch führt eine Kursveränderung des Basiswerts zu einer überproportionalen Veränderung des Werts der Wertpapiere. Die Hebelwirkung ist in beide Kursrichtungen möglich. Der Hebel verstärkt Verlustrisiken und Gewinnchancen. Aufgrund dieses Hebeleffektes sind überproportionale Verlustrisiken mit dem Erwerb dieser Wertpapiere verbunden.

D. Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate

Bei Mini Future Zertifikaten (Long) bzw. Smart-Mini Future Zertifikaten (Long) wirken sich steigende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Es besteht das Risiko, dass bei fallenden Kursen des Basiswerts das Knock-out-Ereignis eintritt. Im ungünstigsten Fall führt dies zum Totalverlust des Aufgewendeten Kapitals.

Ein solches Wertpapier, das als Kaufoption (Long) ausgestaltet ist, verliert bei Kursrückgängen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko fallender Kurse des Basiswerts.

Bei Mini Future Zertifikaten (Short) bzw. Smart-Mini Future Zertifikaten (Short) wirken sich fallende Kurse des Basiswerts positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Es besteht das Risiko, dass bei steigenden Kursen des Basiswerts das Knock-out-Ereignis eintritt. Im ungünstigsten Fall führt dies zum Totalverlust des Aufgewendeten Kapitals.

Der Hebel verstärkt Verlustrisiken und Gewinnchancen. Aufgrund dieses Hebeleffektes sind überproportionale Verlustrisiken mit dem Erwerb dieser Wertpapiere verbunden.

E. Down-and-out-Put-Optionsscheine

Bei Down-and-out-Put-Optionsscheinen wirken sich fallende Kurse des Basiswerts bis zur Knock-out-Barriere positiv (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) auf ihren Wert aus und umgekehrt.

Kursrückgänge des Basiswerts können jedoch dazu führen, dass das Schwellenereignis eintritt. Dieses hat den sofortigen wertlosen Verfall der Wertpapiere zur Folge. Es besteht somit das Risiko, dass bei stark fallenden Kursen des Basiswerts bereits vor dem Ausübungstag das Schwellenereignis eintritt. Dies führt zum Totalverlust des Aufgewendeten Kapitals.

Ein Down-and-out-Put-Optionsschein ist als Verkaufsoption (Put) ausgestaltet. Er verliert bei Kursanstiegen des Basiswerts (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) an Wert. Folglich trägt der Wertpapierinhaber bei diesen Wertpapieren das Verlustrisiko steigender Kurse des Basiswerts. Die Zahlung eines Einlösungsbetrags ist nur dann vorgesehen, wenn der Referenzpreis des Basiswerts am Ausübungstag oberhalb der Knock-out-Barriere und unterhalb des Basispreises liegt. Damit ist der Einlösungsbetrag der Höhe nach faktisch begrenzt.

Der am Ausübungstag zu ermittelnde Einlösungsbetrag für jeden Down-and-out-Put-Optionsschein entspricht, sofern das Schwellenereignis nicht eingetreten ist, dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der am Referenzpreis des Basiswerts am Ausübungstag den Basispreis unterschreitet.

Down-and-out-Put-Optionsscheine haben in der Regel einen starken Hebeleffekt. Der Hebel gibt an, um welchen Faktor das Wertpapier die Kursbewegung des Basiswerts verstärkt. Er gibt an, wie stark der Preis eines Wertpapiers auf eine Preisänderung des Basiswerts reagiert. Dadurch führt eine Kursveränderung des Basiswerts zu einer überproportionalen Veränderung des Werts der Wertpapiere. Die Hebelwirkung ist in beide Kursrichtungen möglich. Der Hebel verstärkt Verlustrisiken und Gewinnchancen. Aufgrund dieses Hebeleffektes sind überproportionale Verlustrisiken mit dem Erwerb dieser Wertpapiere verbunden.

2.1.4. Beschreibung der Ertragsmodalitäten bei derivativen Wertpapieren, Zahlungs- oder Liefertermin, Berechnungsweise

Nachfolgend werden die Ertragsmodalitäten (Einlösungsmodalitäten) der Wertpapiere, die Zahlungs- oder Liefertermine und die Berechnungsweisen beschrieben. Konkretisierungen oder die Wahl von Optionen werden in den Endgültigen Bedingungen veröffentlicht.

2.1.4.1. Einlösungsmodalitäten der Wertpapiere, Berechnungsweise

Beschreibung der Einlösungsmodalitäten für nachfolgend genannte Wertpapiere:

- A. Optionsscheine bzw. Discount-Optionsscheine bzw. Power-Optionsscheine,
- B. Turbo-Optionsscheine,
- C. Open End-Turbo-Optionsscheine,
- D. Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate,
- E. Down-and-out-Put-Optionsscheine.

A. Optionsscheine bzw. Discount-Optionsscheine bzw. Power-Optionsscheine Optionsscheine

Call-Optionsschein: Der Einlösungsbetrag entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet. Notiert der Referenzpreis des Basiswerts am Ausübungstag auf oder unterhalb des Basispreises, verfällt der Optionsschein wertlos.

Put-Optionsschein: Der Einlösungsbetrag entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis unterschreitet. Notiert der Referenzpreis des Basiswerts am Ausübungstag auf oder oberhalb des Basispreises, verfällt der Optionsschein wertlos.

Discount-Optionsscheine (Capped-Optionsscheine)

Diese Wertpapiere haben in der Regel einen günstigeren Einstiegskurs als vergleichbare Standard-Optionsscheine. Der Wertpapierinhaber kann hierbei allerdings nur bis zu einem Höchstbetrag an der Kursentwicklung des Basiswerts partizipieren. Durch den niedrigeren Einstiegskurs sind die Ertragschancen in einem vorher festgelegten Kurs-Korridor bei steigenden (Discount-Call-Optionsschein) bzw. fallenden (Discount-Put-Optionsschein) Kursen des Basiswerts gegenüber Standard-Optionsscheinen erhöht. Kurs-Korridor bezeichnet die Spanne zwischen dem Basispreis und dem Höchstbetrag äquivalenten Kursniveau.

Die Höhe eines etwaigen Einlösungsbetrags ist auf den Höchstbetrag begrenzt.

Discount-Call-Optionsschein: Der Einlösungsbetrag entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet. Notiert der Referenzpreis des Basiswerts am Ausübungstag auf oder unterhalb des Basispreises, verfällt der Discount-Optionsschein wertlos.

Discount-Put-Optionsschein: Der Einlösungsbetrag entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis unterschreitet. Notiert der Referenzpreis des Basiswerts am Ausübungstag auf oder oberhalb des Basispreises, verfällt der Discount-Optionsschein wertlos.

Power-Optionsscheine

Power-Optionsscheine ermöglichen dem Wertpapierinhaber in einem festgelegten Kurs-Korridor eine gegenüber Standard-Optionsscheinen überproportionale Partizipation (Teilhabe) an der Kursentwicklung des Basiswerts. Kurs-Korridor bezeichnet die Spanne zwischen dem Basispreis und dem Höchstbetrag äquivalenten Kursniveau. Die erhöhte Partizipation innerhalb dieser Spanne wird durch die Quadrierung des inneren Werts und somit eines vergleichsweise höheren Hebeleffekts gewährleistet. Bereits eine geringe Kursbewegung des Basiswerts kann zu einer überproportionalen Veränderung des Einlösungsbetrags führen.

Die Höhe eines etwaigen Einlösungsbetrags je Power-Optionsschein ist auf den Höchstbetrag begrenzt.

Power-Call-Optionsschein: Der Einlösungsbetrag entspricht dem Quadrat der mit dem Bezugsverhältnis multiplizierten Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet. Liegt der Referenzpreis des Basiswerts am Ausübungstag auf oder unter dem Basispreis, verfallen die Power-Optionsscheine wertlos. Bei einem Referenzpreis des Basiswerts am Ausübungstag auf oder oberhalb des dem Höchstbetrag äquivalenten Kursniveaus, wird der Höchstbetrag gezahlt.

Power-Put-Optionsschein: Der Einlösungsbetrag entspricht dem Quadrat der mit dem Bezugsverhältnis multiplizierten Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis unterschreitet. Liegt der Referenzpreis des Basiswerts am Ausübungstag auf oder über dem Basispreis, verfallen die Power-Optionsscheine wertlos. Bei einem Referenzpreis des Basiswerts am Ausübungstag auf oder unterhalb des dem Höchstbetrag äquivalenten Kursniveaus, wird der Höchstbetrag gezahlt.

B. Turbo-Optionsscheine

Turbo-Optionsscheine bieten Anlegern die Möglichkeit auf steigende (Turbo-Call-Optionsscheine) bzw. fallende (Turbo-Put-Optionsscheine) Kurse zu setzen. Sie besitzen einen Hebel, der eine überproportionale Partizipation an den Kursbewegungen des Basiswerts ermöglicht. Durch einen geringeren Kapitaleinsatz im Vergleich zu einer (theoretischen) Direktanlage in den Basiswert, können Wertpapierinhaber an den Kursbewegungen des Basiswerts überproportional partizipieren.

Der Basispreis, der am Ausübungstag für die Ermittlung des etwaigen Einlösungsbetrags herangezogen wird, dient bei Turbo-Optionsscheinen während der Laufzeit auch als Knock-out-Barriere und ist in dieser Funktion maßgeblich für den Eintritt des Knock-out-Ereignisses. Bei Turbo-Call-Optionsscheinen wird der Basispreis auf einem Niveau unterhalb des aktuellen Kurses des Basiswerts zum Emissionszeitpunkt festgelegt. Bei Turbo-Put-Optionsscheinen hingegen wird der Basispreis bei Emission oberhalb des aktuellen Kurses des Basiswerts fixiert.

Der am Ausübungstag (vorbehaltlich des Eintritts eines etwaigen Knock-out-Ereignisses) zu ermittelnde Einlösungsbetrag je Turbo-Optionsschein entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Basispreis überschreitet (Turbo-Call-Optionsschein) bzw. unterschreitet (Turbo-Put-Optionsschein).

Bei Day Turbo-Optionsscheinen (Day Turbos) handelt es sich um Turbo-Optionsscheine mit einer auf einen Tag begrenzten Laufzeit. Die Laufzeit entspricht dem Ausübungstag. Der Tag des Verkaufsbegins stimmt bei Day Turbos mit dem Ausübungstag überein. Sie werden am Ausübungstag zu Handelsbeginn des Emittenten emittiert und (vorbehaltlich des Eintritts des Knock-out-Ereignisses) automatisch zum Zeitpunkt der Feststellung des Referenzpreises des Basiswerts, derzeit nach 22:00 Uhr, fällig gestellt.

Knock-out-Ereignis

Das Knock-out-Ereignis tritt dann ein, wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (i. d. R. der Verkaufsbeginn) (einschließlich) bis zum Zeitpunkt der Feststellung des Referenzpreises am Ausübungstag (einschließlich) ein Kurs des Basiswerts dem Basispreis entspricht oder diesen unterschreitet (Turbo-Call-Optionsschein) bzw. überschreitet (Turbo-Put-Optionsschein). Bei X-Turbo-Optionsscheinen ist zu beachten, dass das Knock-out-Ereignis durch irgendeinen Kurs des Basiswerts (DAX®) als auch durch irgendeinen Kurs des X-DAX® herbeigeführt werden kann.

Mit dem Eintritt des Knock-out-Ereignisses endet die Laufzeit der Turbo-Optionsscheine vorzeitig. Das Optionsrecht gilt mit dem Eintritt des Knock-out-Ereignisses als vorzeitig ausgeübt.

Bei Turbo-Optionsscheinen mit Knock-out-Betrag zahlt der Emittent dem Optionsscheininhaber den Knock-out-Betrag je Optionsschein in Höhe von 0,001 Einheiten in der Emissionswährung je Turbo-Optionsschein, was einem wirtschaftlichen Totalverlust entspricht.

Bei Turbo-Optionsscheinen ohne Knock-out-Betrag verfallen die Turbo-Optionsscheine wertlos. Der Wertpapierinhaber erleidet einen Totalverlust.

C. Open End-Turbo-Optionsscheine

Open End-Turbo-Optionsscheine bieten Anlegern die Möglichkeit auf steigende (Open End-Turbo-Call-Optionsscheine) bzw. fallende (Open End-Turbo-Put-Optionsscheine) Kurse zu setzen. Sie besitzen einen Hebel, der eine überproportionale Partizipation (Teilhabe) an den Kursbewegungen des Basiswerts ermöglicht. Durch einen geringeren Kapitaleinsatz im Vergleich zu einer (theoretischen) Direktanlage in den Basiswert, können Wertpapierinhaber an den Kursbewegungen des Basiswerts überproportional partizipieren.

Der Maßgebliche Basispreis, der nach Ausübung am Ausübungstag für die Ermittlung des etwaigen Einlösungsbetrags herangezogen wird, dient bei Open End-Turbo-Optionsscheinen während der Laufzeit auch als Knock-out-Barriere und ist in dieser Funktion maßgeblich für den Eintritt des Knock-out-Ereignisses. Bei Open End-Turbo-Call-Optionsscheinen wird der Maßgebliche Basispreis auf einem Niveau unterhalb des aktuellen Kurses des Basiswerts zum Emissionszeitpunkt festgelegt. Bei Open End-Turbo-Put-Optionsscheinen hingegen wird der Maßgebliche Basispreis bei Emission oberhalb des aktuellen Kurses des Basiswerts fixiert.

Der am Ausübungstag (vorbehaltlich des Eintritts eines etwaigen Knock-out-Ereignisses) zu ermittelnde Einlösungsbetrag je Wertpapier entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Maßgeblichen Basispreis überschreitet (Open End-Turbo-Call-Optionsschein) bzw. unterschreitet (Open End-Turbo-Put-Optionsschein).

Knock-out-Ereignis

Das Knock-out-Ereignis tritt dann ein, wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (i.d.R. der Verkaufsbeginn) (einschließlich) ein Kurs des Basiswerts dem an diesem Tag Maßgeblichen Basispreis entspricht oder diesen unterschreitet (Open End-Turbo-Call-Optionsschein) bzw. überschreitet (Open End-Turbo-Put-Optionsschein). Bei X-Open End-Turbo-Optionsscheinen ist zu beachten, dass das Knock-out-Ereignis durch irgendeinen Kurs des Basiswerts (DAX®) als auch durch irgendeinen Kurs des X-DAX® herbeigeführt werden kann.

Mit dem Eintritt des Knock-out-Ereignisses endet die Laufzeit der Open End-Turbo-Optionsscheine. Das Optionsrecht gilt mit dem Eintritt des Knock-out-Ereignisses als vorzeitig ausgeübt.

Bei Open End-Turbo-Optionsscheinen mit Knock-out-Betrag zahlt der Emittent dem Optionsscheininhaber lediglich den Knock-out-Betrag je Optionsschein, der 0,001 Einheiten in der Emissionswährung je Optionsschein beträgt, was einem wirtschaftlichen Totalverlust entspricht.

Bei Open End-Turbo-Optionsscheinen ohne Knock-out-Betrag verfallen die Open End-Turbo-Optionsscheine wertlos. Der Wertpapierinhaber erleidet einen Totalverlust.

Anpassung des Maßgeblichen Basispreises

Die Emissionsbedingungen sehen während der Laufzeit der Open End-Turbo-Optionsscheine eine regelmäßige Anpassung des Maßgeblichen Basispreises vor.

Der Anfängliche Basispreis wird bei Emission festgelegt. Danach wird der Maßgebliche Basispreis an jedem Geschäftstag zu dem in den Emissionsbedingungen festgelegten Zeitpunkt vom Emittenten unter Berücksichtigung der entsprechenden Finanzierungskosten bzw. bei Terminkontrakten zusätzlich an jedem Future-Anpassungszeitpunkt angepasst. Der Maßgebliche Basispreis ist am Tag des Knock-out-Fristbeginns der Anfängliche Basispreis und danach der jeweils zuletzt angepasste Maßgebliche Basispreis.

Je nach Basiswert erfolgt diese Anpassung unter Berücksichtigung verschiedener Kriterien:

Open End-Turbo-Optionsscheine bezogen auf Aktien oder aktienähnliche oder aktienvertretende Wertpapiere oder Indizes: Diese Wertpapiere ermöglichen dem Optionsscheininhaber in der Regel nahezu 1 zu 1 an einer positiven (Call) bzw. negativen (Put) Kursentwicklung des Basiswerts ohne eine Laufzeitbegrenzung zu partizipieren. Dabei entstehen dem Emittenten Finanzierungskosten in Höhe eines Referenzzinssatzes (beispielsweise Euro OverNight Index Average (EONIA)) auf den eine Marge des Emittenten aufgeschlagen (Call) bzw. abgezogen (Put) wird. Die Kompensation der Finanzierungskosten erfolgt über die börsentägliche Anpassung des Maßgeblichen Basispreises durch den Emittenten. Aus diesem Grund erhöht sich im Falle von Open End-Turbo-Call-Optionsscheinen der Maßgebliche Basispreis täglich um die Finanzierungskosten. Dies gilt für Put-Optionsscheine gleichermaßen, solange der jeweilige Referenzzinssatz höher ist als die abzuziehende Marge. Beträgt im Falle von Put-Optionsscheinen der Referenzzinssatz weniger als die Marge, entstehen "negative" Finanzierungskosten, die dem Optionsscheininhaber börsentäglich durch entsprechende Reduzierung des Maßgeblichen Basispreises belastet werden. Somit erfolgt der Ausgleich bei positiven Finanzierungskosten durch die Erhöhung des Maßgeblichen Basispreises und geht zu Lasten (Call) bzw. erfolgt zu Gunsten (Put) des Optionsscheininhabers. Der Ausgleich von negativen Finanzierungskosten durch die Reduzierung des Maßgeblichen Basispreises geht zu Lasten (Put) der Optionsscheininhaber.

Zusätzlich bei Open End-Turbo-Optionsscheinen bezogen auf Aktien oder aktienähnliche oder aktienvertretende Wertpapiere oder einen Kursindex zu berücksichtigen: Bei diesen Wertpapieren kann der Maßgebliche Basispreis entsprechend den Emissionsbedingungen durch eine Dividendenanpassung, Dividendenadjustierung oder eine außerordentliche Anpassung kleiner oder gleich null werden. Der Maßgebliche Basispreis erhält in diesem Fall den Wert null. Hat der Maßgebliche Basispreis den Wert null, werden keine weiteren Dividendenanpassungen, Dividendenadjustierungen oder außerordentliche Anpassungen, die zu einem negativen Maßgeblichen Basispreis führen würden, vorgenommen.

Open End-Turbo-Optionsscheine bezogen auf Währungswechselkurse: Diese Wertpapiere ermöglichen dem Optionsscheininhaber in der Regel nahezu 1 zu 1 an einer positiven (Call) bzw. negativen (Put) Kursentwicklung des Basiswerts ohne eine Laufzeitbegrenzung zu partizipieren. Dabei

entstehen dem Emittenten Finanzierungskosten in Höhe eines Fremdwährungsreferenzzinssatzes (bei USD als Fremdwährung beispielsweise US Overnight Fed Fund Effective Rate), von dem ein um die Marge des Emittenten reduzierter (Call) bzw. erhöhter (Put) Referenzzinssatz (beispielsweise Euro OverNight Index Average (EONIA)) abgeschlagen wird. Die Kompensation der Finanzierungskosten erfolgt über die börsentägliche Anpassung des Maßgeblichen Basispreises durch den Emittenten. Solange der jeweilige Fremdwährungsreferenzzinssatz höher ist als der um die Marge des Emittenten reduzierte (Call) bzw. erhöhte (Put) Referenzzinssatz führt die Anpassung des Maßgeblichen Basispreises (bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren) zu einer Erhöhung des Maßgeblichen Basispreises. Beträgt der Fremdwährungsreferenzzinssatz weniger als der um die Marge des Emittenten reduzierte (Call) bzw. erhöhte (Put) Referenzzinssatz, entstehen "negative" Finanzierungskosten, die dem Optionsscheininhaber börsentäglich durch entsprechende Reduzierung des Maßgeblichen Basispreises belastet werden. Somit erfolgt der Ausgleich bei positiven Finanzierungskosten durch die Erhöhung des Maßgeblichen Basispreises und geht zu Lasten (Call) bzw. erfolgt zu Gunsten (Put) des Optionsscheininhabers. Der Ausgleich von negativen Finanzierungskosten durch die Reduzierung des Maßgeblichen Basispreises erfolgt zu Gunsten (Call) bzw. geht zu Lasten (Put) der Optionsscheininhaber.

Open End-Turbo-Optionsscheine bezogen auf Terminkontrakte: Diese Wertpapiere ermöglichen dem Optionsscheininhaber in der Regel nahezu 1 zu 1 an einer positiven (Call) bzw. negativen (Put) Kursentwicklung des Basiswerts ohne eine Laufzeitbegrenzung zu partizipieren. Dabei entstehen dem Emittenten Finanzierungskosten, die er über eine feste Marge berücksichtigt. Die Kompensation der Finanzierungskosten erfolgt über die börsentägliche Anpassung des Maßgeblichen Basispreises durch den Emittenten und wirkt sich in jedem Fall negativ auf den Preis eines Open End-Turbo-Optionsscheins aus, unabhängig davon, ob es sich um einen Call- oder einen Put-Optionsschein handelt. Bei einem Open End-Turbo-Call mit einem Future-Kontrakt als Basiswert wird demnach die Kompensation der Finanzierungskosten durch eine tägliche Erhöhung des Maßgeblichen Basispreises realisiert. Dies führt zu einer Verringerung des inneren Werts des Open End-Turbo-Calls. Bei einem Open End-Turbo-Put mit einem Future-Kontrakt als Basiswert führt die Kompensation der Finanzierungskosten zu einer Reduzierung des Maßgeblichen Basispreises und somit zu einer Reduzierung des inneren Werts des Open End-Turbo-Puts.

D. Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate

Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate ermöglichen Anlegern auf steigende (Long) bzw. fallende (Short) Kurse zu setzen. Sie besitzen einen Hebel, der eine überproportionale Partizipation (Teilhabe) an den Kursbewegungen des Basiswerts ermöglicht. Durch einen geringeren Kapitaleinsatz im Vergleich zu einer (theoretischen) Direktanlage in den Basiswert, können Wertpapierinhaber an den Kursbewegungen des Basiswerts überproportional partizipieren.

Der am Ausübungstag (vorbehaltlich des Eintritts eines etwaigen Knock-out-Ereignisses) zu ermittelnde Einlösungsbetrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der Referenzpreis des Basiswerts am Ausübungstag den Maßgeblichen Basispreis überschreitet (Long) bzw. unterschreitet (Short).

Knock-out-Ereignis bei Mini Future Zertifikaten

Mini Future Zertifikate sind mit zwei wesentlichen Ausstattungsmerkmalen, dem Maßgeblichen Basispreis und der Maßgeblichen Knock-out-Barriere, ausgestattet und werden jeweils als Long-Variante (Anleger setzt auf steigende Kurse) bzw. Short-Variante (Anleger setzt auf fallende Kurse) emittiert. Der Maßgebliche Basispreis befindet sich bei einem Mini Future Zertifikat (Long) unterhalb des aktuellen Kurses des Basiswerts, bei einem Mini Future Zertifikat (Short) entsprechend oberhalb des aktuellen Kurses. Die Maßgebliche Knock-out-Barriere befindet sich zwischen dem Maßgeblichen Basispreis und dem aktuellen Kurs des Basiswerts, wobei sie in einem festen prozentualen Abstand zum Maßgeblichen Basispreis liegt.

Wird die Maßgebliche Knock-out-Barriere zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) vom Kurs des Basiswerts berührt oder unterschritten (Long) bzw. überschritten (Short), tritt das Knock-out-Ereignis ein. Die Laufzeit des Mini Future Zertifikats endet in diesem Fall. Der Emittent ermittelt den Restbetrag, den sogenannten Knock-out-Betrag, welcher dem Wertpapierinhaber nach dem Knock-out-Ereignis automatisch gutgeschrieben wird.

Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der gegebenenfalls durch den Emittenten aus der Auflösung der Sicherungsgeschäfte ermittelte gewichtete Durchschnittskurs (der "Auflösungskurs") den am Tag des Knock-out-Ereignisses Maßgeblichen Basispreis überschreitet (Long) bzw. unterschreitet (Short).

Bei Mini Future Zertifikaten mit Mindestrestbetrag beträgt der Knock-out-Betrag im für den Wertpapierinhaber ungünstigsten Fall 0,001 Einheiten in der Emissionswährung je Zertifikat, was wirtschaftlich betrachtet einem Totalverlust entspricht.

Bei Mini Future Zertifikaten ohne Mindestrestbetrag verfallen die Mini Future Zertifikate wertlos, sofern sich kein Knock-out-Betrag errechnet. Der Wertpapierinhaber erleidet einen Totalverlust.

Knock-out-Ereignis bei Smart-Mini Future Zertifikaten

Smart-Mini Future Zertifikate sind mit zwei wesentlichen Ausstattungsmerkmalen, dem Maßgeblichen Basispreis und der Maßgeblichen Knock-out-Barriere, ausgestattet und werden jeweils als Long-Variante (Anleger setzt auf steigende Kurse) bzw. Short-Variante (Anleger setzt auf fallende Kurse) emittiert. Der Maßgebliche Basispreis befindet sich bei einem Smart-Mini Future Zertifikat (Long) unterhalb des aktuellen Kurses des Basiswerts, bei einem Smart-Mini Future Zertifikat (Short) entsprechend oberhalb des aktuellen Kurses. Die Maßgebliche Knock-out-Barriere befindet sich zwischen dem Maßgeblichen Basispreis und dem aktuellen Kurs des Basiswerts, wobei sie in einem festen prozentualen Abstand zum Maßgeblichen Basispreis liegt.

Für das Knock-out-Ereignis durch Erreichen der Maßgeblichen Knock-out-Barriere ab dem Knock-out-Fristbeginn (einschließlich) wird bei einem Smart-Mini Future Zertifikat nur ein bestimmter Kurs (beispielsweise der Schlusskurs) des Basiswerts herangezogen. Sollte der Kurs des Basiswerts allerdings ab dem Knock-out-Fristbeginn (einschließlich) während des Handelsverlaufs den Maßgeblichen Basispreis berühren oder unterschreiten (Long) bzw. überschreiten (Short), kommt es zum sofortigen Knock-out-Ereignis.

Im Falle des Eintritts des Knock-out-Ereignisses durch Erreichen des Maßgeblichen Basispreises endet die Laufzeit des Smart-Mini Future Zertifikats.

Bei Smart-Mini Future Zertifikaten mit Mindestrestbetrag zahlt der Emittent dem Wertpapierinhaber den Knock-out-Betrag in Höhe von 0,001 Einheiten in der Emissionswährung je Zertifikat.

Bei Smart-Mini Future Zertifikaten ohne Mindestrestbetrag verfallen die Smart-Mini Future Zertifikate wertlos.

Im Falle des Eintritts des Knock-out-Ereignisses durch Erreichen der Maßgeblichen Knock-out-Barriere ermittelt der Emittent den Restbetrag, den sogenannten Knock-out-Betrag, welcher dem Wertpapierinhaber nach dem Knock-out-Ereignis automatisch gutgeschrieben wird.

Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der von der Relevanten Referenzstelle festgestellte und für das Knock-out-Ereignis relevante Kurs (beispielsweise der Schlusskurs) des Basiswerts den am Tag des Knock-out-Ereignisses Maßgeblichen Basispreis überschreitet (Long) bzw. unterschreitet (Short).

Bei Smart-Mini Future Zertifikaten mit Mindestrestbetrag beträgt der Knock-out-Betrag im für den Wertpapierinhaber ungünstigsten Fall 0,001 Einheiten in der Emissionswährung je Zertifikat, was wirtschaftlich betrachtet einem Totalverlust entspricht.

Bei Smart-Mini Future Zertifikaten ohne Mindestrestbetrag verfallen die Smart-Mini Future Zertifikate im für den Wertpapierinhaber ungünstigsten Fall wertlos. Der Wertpapierinhaber erleidet einen Totalverlust.

Anpassung des Maßgeblichen Basispreises

Die Emissionsbedingungen sehen während der Laufzeit der Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate eine regelmäßige Anpassung des Maßgeblichen Basispreises vor.

Der Anfängliche Basispreis wird bei Emission festgelegt. Anpassung der Knock-out-Barriere

Die Emissionsbedingungen sehen während der Laufzeit der Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate eine regelmäßige Anpassung der Maßgeblichen Knock-out-Barriere vor.

Die Anfängliche Knock-out-Barriere wird bei Emission festgelegt. Danach wird die Maßgebliche Knock-out-Barriere an jedem Geschäftstag zu dem in den Emissionsbedingungen festgelegten Zeitpunkt vom Emittenten neu festgelegt. Die nach der Anfänglichen Knock-out-Barriere jeweils Maßgebliche Knock-out-Barriere entspricht dem Produkt aus dem jeweils Maßgeblichen Basispreis und dem bei Emission festgelegten Anpassungssatz.

Im Falle von Terminkontrakten als Basiswert wird die Maßgebliche Knock-out-Barriere ferner an jedem Future-Anpassungszeitpunkt, wie in den Emissionsbedingungen näher beschrieben, neu festgelegt.

E. Down-and-out-Put-Optionsscheine

Down-and-out-Put-Optionsscheine bieten Anlegern bis zu einem bestimmten Niveau (Knock-out-Barriere) die Möglichkeit auf fallende Kurse zu setzen. Sie besitzen einen Hebel, der eine überproportionale Partizipation (Teilhabe) an den Kursbewegungen des Basiswerts ermöglicht. Durch einen geringeren Kapitaleinsatz im Vergleich zu einer (theoretischen) Direktanlage in den Basiswert, können Wertpapierinhaber an den Kursbewegungen des Basiswerts überproportional partizipieren.

Im Vergleich zu einem herkömmlichen Put-Optionsschein ist mit einem Down-and-out-Put-Optionsschein ein günstigerer Einstieg möglich, welcher jedoch mit einem höheren Verlustrisiko einhergeht.

Down-and-out-Put-Optionsscheine zeichnen sich durch zwei wesentliche Ausstattungsmerkmale, den Basispreis und die Knock-out-Barriere, aus. Die Knock-out-Barriere befindet sich unterhalb des Basispreises. Wird die Knock-out-Barriere vom Kurs des Basiswerts berührt oder durchbrochen, tritt das Schwellenereignis ein. Die Laufzeit des Down-and-out-Put-Optionsscheins endet in diesem Fall, die Down-and-out-Put-Optionsscheine verfallen wertlos.

Vorbehaltlich des Eintritts des Schwellenereignisses, wird der Basispreis am Ausübungstag für die Ermittlung des etwaigen Einlösungsbetrags herangezogen. Der am Ausübungstag zu ermittelnde Einlösungsbetrag für jeden Down-and-out-Put-Optionsschein entspricht, sofern das Schwellenereignis nicht eingetreten ist, dem Produkt aus dem Bezugsverhältnis und der Differenz, um die der am Referenzpreis des Basiswerts am Ausübungstag den Basispreis unterschreitet.

Die Zahlung eines Einlösungsbetrags erfolgt nur, wenn der Referenzpreis am Ausübungstag oberhalb der Knock-out-Barriere und unterhalb des Basispreises liegt. Am Ausübungstag würde dann gelten: Je mehr der Referenzpreis den Basispreis unterschreitet, d. h. je größer die daraus resultierende Differenz ist (unter Berücksichtigung des Bezugsverhältnisses), umso größer ist der Einlösungsbetrag. Der maximal mögliche Einlösungsbetrag kann bei einem Referenzpreis möglichst knapp oberhalb der Knock-out-Barriere erzielt werden.

2.1.4.2. Sonstige Ausstattungsmerkmale der Wertpapiere

(a) Wertpapiere mit Währungsumrechnungen

Diese Wertpapiere sehen eine Währungsumrechnung vor.

Eine Währungsumrechnung erfolgt, wenn

- der Kurs des Basiswerts und
- der Einlösungsbetrag und

- der Höchstbetrag (bei Discount-Optionsscheinen bzw. Power-Optionsscheinen) in einer von der Emissionswährung abweichenden Währung ausgedrückt werden.

Die Währungsumrechnung erfolgt wie folgt:

(i) Währung des Basiswerts ist nicht Euro und die Emissionswährung ist Euro

Die Umrechnung in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs.

(ii) Währung des Basiswerts ist Euro und die Emissionswährung ist nicht Euro

Die Umrechnung in die Emissionswährung erfolgt durch Multiplikation des Fremdwährungsbetrags mit dem Umrechnungskurs.

(iii) Währung des Basiswerts und Emissionswährung sind nicht Euro

Die Umrechnung in die Emissionswährung erfolgt über den Euro als eine weitere (dritte) Währung. Die Umrechnung in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den Fremdwährungs-Kurs je ein Euro. Der sich daraus ergebende Euro-Betrag wird mit dem Kurs der Emissionswährung je ein Euro multipliziert.

Der Umrechnungskurs wird nicht bei Emission festgelegt. Der Umrechnungskurs wird je nach Produkt und Emission

- am Ausübungstag bzw.
- am auf den Ausübungstag folgenden Bankarbeitstag ermittelt.

Der Umrechnungskurs wird unter Bezugnahme auf eine bestimmte Publikationsseite einer Publikationsstelle ermittelt. Eine Publikationsseite kann beispielsweise eine Internetseite sein. Refinitiv kann beispielsweise als Publikationsstelle herangezogen werden.

(b) Wertpapiere, deren Emissionswährung nicht Euro ist

Diese Wertpapiere sehen als Emissionswährung nicht den Euro vor. Die Wertpapiere werden in einer anderen Währung emittiert und angeboten. Emissionswährung kann beispielsweise US-Dollar sein. Die Einlösung der Wertpapiere erfolgt ebenfalls in der Emissionswährung. Der Wertpapierinhaber verfügt gegebenenfalls nicht über ein Währungskonto in der Emissionswährung. In diesem Fall erfolgt sowohl bei Erwerb als auch bei Einlösung der Wertpapiere eine Währungsumrechnung.

(c) Ordentliches Kündigungsrecht des Emittenten - gilt bei Open End-Turbo-Optionsscheinen und Smart-Mini Future Zertifikaten bzw. Mini Future Zertifikaten

Die Wertpapiere sind grundsätzlich mit einer unbestimmten Laufzeit vorgesehen. Der Emittent ist jedoch berechtigt, die Wertpapiere insgesamt, aber nicht teilweise, unter Einhaltung einer bestimmten Kündigungsfrist mit Wirkung zum Kündigungstag zu kündigen. Einzelheiten zum ordentlichen Kündigungsrecht des Emittenten werden bei Emission festgelegt und in den Emissionsbedingungen veröffentlicht.

Im Falle der Kündigung zahlt der Emittent den am Kündigungstag ermittelten Einlösungsbetrag.

Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt:

- Bei Open End-Turbo-Optionsscheinen mit Knock-out-Betrag erhält der Wertpapierinhaber den Knock-out-Betrag in Höhe von 0,001 Einheiten in der Emissionswährung je Wertpapier, was wirtschaftlich betrachtet einem Totalverlust entspricht.
Bei Open End-Turbo-Optionsscheinen ohne Knock-out-Betrag verfallen die Open End-Turbo-Optionsscheine wertlos. Der Wertpapierinhaber erleidet einen Totalverlust.
- Bei Smart-Mini Future Zertifikaten mit Mindestrestbetrag bzw. Mini Future Zertifikaten mit Mindestrestbetrag erhält der Wertpapierinhaber den Knock-out-Betrag, der im ungünstigsten Fall 0,001 Einheiten in der Emissionswährung je Wertpapier beträgt, was wirtschaftlich betrachtet einem Totalverlust entspricht.
Bei Smart-Mini Future Zertifikaten ohne Mindestrestbetrag bzw. Mini Future Zertifikaten ohne Mindestrestbetrag verfallen die Smart-Mini Future Zertifikate bzw. Mini Future Zertifikate im für den Wertpapierinhaber ungünstigsten Fall wertlos. Der Wertpapierinhaber erleidet einen Totalverlust.

Die Laufzeit der Wertpapiere endet in diesem Fall vorzeitig.

Die Rechte aus den Wertpapieren erlöschen mit Zahlung des Einlösungsbetrags.

(d) Außerordentliches Kündigungsrecht des Emittenten

Der Emittent hat das Recht, diese Wertpapiere unter bestimmten Voraussetzungen außerordentlich zu kündigen.

Das außerordentliche Kündigungsrecht steht dem Emittenten bei den nachfolgend aufgeführten Wertpapieren, jeweils in Abhängigkeit des jeweiligen Basiswerts, zu:

- Optionsscheine bezogen auf Aktien, aktienähnliche oder aktienvertretende Wertpapiere, indexähnliche oder indexvertretende Basiswerte und Indizes,
- Discount-Optionsscheine bezogen auf Aktien, aktienähnliche oder aktienvertretende Wertpapiere und Indizes,
- Turbo-Optionsscheine bezogen auf Terminkontrakte, Aktien, aktienähnliche oder aktienvertretende Wertpapiere und Indizes,
- Open End-Turbo-Optionsscheine bezogen auf Terminkontrakte, Aktien, aktienähnliche oder aktienvertretende Wertpapiere und Indizes,
- Mini Future Zertifikate bzw. Smart-Mini Future Zertifikate jeweils bezogen auf Terminkontrakte, Aktien, aktienähnliche oder aktienvertretende Wertpapiere und Indizes,
- Down-and-out-Put-Optionsscheine bezogen auf Aktien, indexähnliche oder indexvertretende Basiswerte und Indizes.

Die Ausgestaltung dieses außerordentlichen Kündigungsrechts wird bei Emission festgelegt und in den Emissionsbedingungen dargestellt.

Gründe für eine außerordentliche Kündigung können beispielsweise sein,

- beispielsweise bei Aktien als Basiswert: nach Ansicht der Relevanten Terminbörse oder des Emittenten ist eine sachgerechte Anpassungsmaßnahme nicht möglich, oder
- beispielsweise bei Indizes als Basiswert: nach Ansicht des Emittenten ist das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts erheblich geändert worden. Die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts ist somit nicht mehr gegeben.

Ein weiterer möglicher Grund für ein außerordentliches Kündigungsrecht ist eine Feststellung des Emittenten, dass er aufgrund

- der Anpassungsmaßnahme, beispielsweise bei Aktien als Basiswert, bzw.
 - der Weiterberechnung, beispielsweise bei Indizes als Basiswert,
- nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen in der Lage ist, die Absicherung seiner Zahlungsverpflichtungen aus der Begebung der Wertpapiere erforderlichen Sicherungsgeschäfte zu tätigen.

Im Falle einer außerordentlichen Kündigung zahlt der Emittent einen Kündigungsbetrag. Dieser wird von ihm nach billigem Ermessen als angemessener Marktpreis der Wertpapiere festgelegt. Die Ausgestaltung der Ermittlung des Kündigungsbetrags wird bei Emission festgelegt und in den Emissionsbedingungen dargestellt.

Wertpapiere mit Knock-out-Ereignis ((X-)Turbo-Optionsscheine, (X-)Open End-Turbo-Optionsscheine, Smart-Mini Future Zertifikate, Mini Future Zertifikate): Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. In diesem Fall erhält der Wertpapierinhaber den Knock-out-Betrag. Bei Wertpapieren mit Knock-out-Betrag bzw. mit Mindestrestbetrag beträgt der Knock-out-Betrag im ungünstigsten Fall 0,001 Einheiten in der Emissionswährung je Wertpapier. Wirtschaftlich betrachtet entspricht dies einem Totalverlust. Bei Wertpapieren ohne Knock-out-Betrag bzw. ohne Mindestrestbetrag verfallen die Wertpapiere im ungünstigsten Fall wertlos. Der Wertpapierinhaber erleidet einen Totalverlust.

Wertpapiere mit Schwellenereignis (Down-and-out-Put-Optionsscheine): Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Schwellenereignis eintritt. In diesem Fall verfällt das Wertpapier wertlos; das Optionsrecht erlischt mit Ablauf des Tags, an dem das

Schwellenereignis eingetreten ist und der Einlösungsbetrag entspricht null. Der Wertpapierinhaber erleidet einen Totalverlust.

Eine außerordentliche Kündigung erfolgt unter Berücksichtigung einer den Umständen nach angemessenen Kündigungsfrist.

Die Laufzeit der Wertpapiere endet vorzeitig, gegebenenfalls unvorhergesehen.

Die Rechte aus den Wertpapieren erlöschen mit Zahlung des Kündigungsbetrags.

2.1.4.3. Zahlungs- oder Liefertermin

Die Zahlung des Einlösungsbetrags an die Wertpapierinhaber erfolgt über die Hinterlegungsstelle. Außerhalb des Landes, in dem die Hinterlegungsstelle ihren Sitz hat, erfolgt die Zahlung durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen.

Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags anfallenden Steuern oder Abgaben sind von den Wertpapierinhabern zu tragen.

Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu ihren Gunsten von seiner Zahlungspflicht befreit.

2.2. Angaben zum Basiswert

2.2.1. Ausübungspreis oder endgültiger Referenzpreis des Basiswerts

Der endgültige Referenzpreis (der "**Referenzpreis**") bezeichnet den definierten Kurs des Basiswerts an einem Stichtag. Stichtag ist der Ausübungstag. Beispiel: Schlusskurs des Basiswerts am Ausübungstag. Die Definition des Referenzpreises wird in den Endgültigen Bedingungen veröffentlicht.

Einen Ausübungspreis gibt es nicht.

2.2.2. Erklärung zur Art des Basiswerts

Die Wertpapiere beziehen sich, wie in den Endgültigen Bedingungen festgelegt, auf einen Basiswert (Bezugswert).

Die nachfolgend aufgeführten Basiswerte können, in Abhängigkeit der betreffenden Produktkategorie, den Wertpapieren zugrunde liegen:

- Aktien,
- aktienähnliche oder aktienvertretende Wertpapiere,
- Währungswechselkurse,
- Indizes,
- indexähnliche oder indexvertretende Basiswerte,
- Edelmetalle bzw.
- Terminkontrakte.

Angaben

- zum betreffenden Basiswert,
 - zu der vergangenen und künftigen Kursentwicklung des betreffenden Basiswerts,
 - zur Volatilität des betreffenden Basiswerts sowie
 - sonstige nähere Angaben bezüglich des betreffenden Basiswerts
- werden in den Endgültigen Bedingungen veröffentlicht, sofern dies nicht bereits in den nachfolgenden Ausführungen beschrieben wird.

Aktien

Aktien sind Wertpapiere bzw. Anteilsscheine, die das wirtschaftliche Miteigentum beispielsweise an

- einer Aktiengesellschaft (AG),
 - einer Europäischen Gesellschaft (Societas Europaea, SE),
 - einer Kommanditgesellschaft auf Aktien (KGaA) oder
 - einer ausländischen Gesellschaft vergleichbarer Rechtsform
- verbriefen.

Die Wertpapiere beziehen sich auf Aktien, deren Kurse regelmäßig, fortlaufend und börsentäglich von der Relevanten Referenzstelle festgestellt und veröffentlicht werden.

Eine genaue Beschreibung der Aktiengesellschaft und/oder Kommanditgesellschaft auf Aktien, deren Aktie den Wertpapieren als Basiswert unterliegt, können der Internetseite der jeweiligen Gesellschaft entnommen werden.

Informationen über die Kursentwicklung der entsprechenden Aktie, insbesondere die Kursdaten, können den Internetseiten der Relevanten Referenzstellen und/oder der Internetseite www.onvista.de entnommen werden. Bei den Kursinformationen und Volatilitäten des Basiswerts handelt es sich ausschließlich um historische Daten. Sie lassen keinerlei Rückschlüsse auf die zukünftige Kursentwicklung bzw. zukünftige Entwicklung der Volatilität des Basiswerts zu. Angaben über Kursentwicklungen in der Vergangenheit, Simulationen oder Prognosen sind kein verlässlicher Indikator für die künftige Kursentwicklung. Sie sollten keine Grundlage für die Kaufentscheidung der Wertpapiere sein.

Die Begebung der Wertpapiere bedeutet kein (öffentliches) Angebot von Aktien der Gesellschaft. Durch den Erwerb der Wertpapiere hat der Wertpapierinhaber keine Informations-, Stimm- oder Dividendenrechte gegenüber der Gesellschaft.

Aktienvertretende Wertpapiere

Aktienähnliche oder aktienvertretende Wertpapiere sind beispielsweise

- Genussscheine oder
 - Depositary Receipts ("**DRs**", beispielsweise American Depositary Receipts ("**ADRs**") bzw. Global Depositary Receipts ("**GDRs**")),
- zusammen die "**Aktienvertretenden Wertpapiere**".

Nachfolgend erfolgt eine Beschreibung oben genannter Aktienvertretender Wertpapiere. Eine Beschreibung anderer Aktienvertretender Wertpapiere wird in den Endgültigen Bedingungen veröffentlicht.

Bei einem *Genussschein* ist die Teilnahme an der Hauptversammlung und Ausübung des Stimmrechts nicht möglich. Genussscheine verbriefen ausschließlich Vermögensrechte. In der Regel beinhalten sie einen Anspruch auf Beteiligung am Reingewinn und/oder Liquidationserlös (Erlös bei der Auflösung eines Unternehmens). Genussscheininhaber stehen zu der Gesellschaft (im Gegensatz zu Aktionären) in rein schuldrechtlicher Beziehung.

DRs sind von einer Depotbank (sogenannte Depositary) ausgegebene Wertpapiere in Form von Anteilsscheinen an einem Aktienbestand, der im Herkunftsland des Emittenten der den *DRs* zugrundeliegenden Aktien, gehalten wird. Eigentümer der den *DRs* zugrundeliegenden Aktien ist die Depotbank, die die *DRs* emittiert. Jedes *DR* verbrieft eine bestimmte Anzahl (=Bezugsverhältnis) von zugrundeliegenden Aktien. Der Marktpreis eines *DR* entspricht im Wesentlichen dem Marktpreis der

zugrundeliegenden Aktie, multipliziert mit dem Bezugsverhältnis des jeweiligen DRs. Abweichungen können sich beispielsweise aufgrund von Gebühren, Kosten oder zeitlichen Verzögerungen ergeben. Diese wirken sich möglicherweise negativ auf den Wert der DRs und auch auf den Wert der Wertpapiere aus. Die den DRs zugrundeliegenden Aktien können in anderen Währungen als die DRs gehandelt werden, so dass aufgrund von Währungskursschwankungen ebenfalls Differenzen zwischen dem Marktpreis eines DRs und dem mit dem Bezugsverhältnis multiplizierten Marktpreis der zugrundeliegenden Aktie ergeben können.

Eine genaue Beschreibung der Aktienvertretender Wertpapiere sowie Informationen über die Kursentwicklung, insbesondere die Kursdaten, sowie sonstige nähere Informationen bezüglich der Aktienvertretender Wertpapiere und der entsprechenden Relevanten Referenzstelle, an welcher die Aktienvertretender Wertpapiere gehandelt werden, können der Internetseite der Relevanten Referenzstelle entnommen werden. Die entsprechende Internetseite der Relevanten Referenzstelle wird beim Emittenten auf Anfrage kostenlos zur Verfügung gestellt.

Währungswechselkurse

Währungswechselkurse geben das Wertverhältnis (Umtauschverhältnis) zweier Währungen zueinander an. Sie geben den Kaufpreis einer Währung für die andere an. Der Währungswechselkurs steht für den Preis/Kurs, der für eine Einheit der einen Währung in der anderen Währung gezahlt werden muss.

Die Währungswechselkurse werden durch Angebot und Nachfrage an den weltweiten Devisenmärkten bestimmt. Mit dem Erwerb eines Wertpapiers bezogen auf den Basiswert Währungswechselkurs, setzt der Wertpapierinhaber auf eine bestimmte Entwicklung (beispielsweise Aufwertung oder Abwertung) einer Währung im Verhältnis zu einer anderen Währung.

Währungswechselkurs "Euro/Fremdwährung": Hier wird stets das Wechselkursverhältnis der Fremdwährung zum Euro angegeben. 1,00 Euro wird zum Fremdwährungs-Kurs ins Verhältnis gesetzt. Das nennt man Mengennotierung.

Der Währungswechselkurs gibt den Preis/Kurs der Fremdwährung in Einheiten der Fremdwährung (beispielsweise US-Dollar) für eine Einheit des Euro an. Beispielsweise gibt der Währungswechselkurs "EUR/USD" den USD-Betrag je 1,00 EUR an. Beispiel: Währungswechselkurs von EUR/USD 1,25 bedeutet, dass man 1,25 USD für 1,00 EUR erhält bzw. für 1,00 EUR 1,25 USD bezahlen muss.

Call-Wertpapiere, die sich beispielsweise auf den Basiswert Währungswechselkurs "Euro/Fremdwährung" beziehen: ein steigender Euro/Fremdwährungs-Kurs wirkt sich - bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren - positiv auf den Wert der Wertpapiere aus und umgekehrt.

Mit diesen Wertpapieren setzt der Wertpapierinhaber auf eine Aufwertung des Euro gegenüber der Fremdwährung ("EUR Bull"). Dies entspricht einer Abwertung der Fremdwährung gegenüber dem Euro

("Fremdwährung Bear"). Steigt der Euro/Fremdwährungs-Kurs zum Stichtag, wird der Euro im Verhältnis zur Fremdwährung stärker. Folglich wird die Fremdwährung im Verhältnis zum Euro schwächer. Sinkt der Euro/Fremdwährungs-Kurs zum Stichtag, wird der Euro im Verhältnis zur Fremdwährung schwächer. Folglich wird die Fremdwährung im Verhältnis zum Euro stärker.

Put-Wertpapiere, die sich beispielsweise auf den Basiswert Währungswechselkurs "Euro/Fremdwährung" beziehen: ein fallender Euro/Fremdwährungs-Kurs wirkt sich - bei Nichtbeachtung sonstiger wertbeeinflussender Faktoren - positiv auf den Wert der Wertpapiere aus und umgekehrt.

Mit diesen Wertpapieren setzt der Wertpapierinhaber auf eine Abwertung des Euro gegenüber der Fremdwährung ("EUR Bear"). Dies entspricht einer Aufwertung der Fremdwährung gegenüber dem Euro ("Fremdwährung Bull").

Indizes

Indizes sind Kennzahlen, die aufgrund einer bestimmten Anzahl von verschiedenen Kursen in einem bestimmten Marktsegment ermittelt werden. Indizes werden in der Regel fortlaufend börsentäglich von einem Indexprovider berechnet, aktualisiert und publiziert.

Beispiel Aktienindizes: diese werden sowohl als Kursindizes als auch als Performance-Indizes berechnet:

- Die Höhe eines Kursindex wird ausschließlich anhand der Kurse von den im Index enthaltenen Aktien ermittelt. Dividendenzahlungen für die im Index enthaltenen Aktien werden bei der Berechnung des Index nicht berücksichtigt.
- Die Höhe eines Performanceindex wird anhand der Kurse von den im Index enthaltenen Aktien ermittelt. Zusätzlich werden bei der Berechnung des Index Dividendenzahlungen und Kapitalveränderungen für die im Index enthaltenen Aktien berücksichtigt.

Bei einem Index als Basiswert, wird dieser nicht vom Emittenten oder einer dem HSBC-Konzern angehörenden juristischen Person zusammengestellt. Er wird von einem Dritten (Indexsponsor) zusammengestellt. Der Indexsponsor handelt nicht in Verbindung mit dem Emittenten oder in dessen Namen oder einer dem HSBC-Konzern angehörenden juristischen Person.

- Eine genaue Beschreibung der Indizes,
- ihre aktuelle Zusammensetzung und Gewichtung sowie
- Informationen über die Kursentwicklung der Indizes, insbesondere die Kursdaten,

können der Internetseite des jeweiligen Indexsponsors entnommen werden. Der Emittent übernimmt keine Gewährleistung für die inhaltliche Richtigkeit und Vollständigkeit der Daten, die auf der Internetseite des jeweiligen Indexsponsors dargestellt werden.

Benchmark-Verordnung

Handelt es sich bei dem Index um einen "Referenzwert" (Benchmark) im Sinne der Benchmark-Verordnung, wird in den Endgültigen Bedingungen der Name des Administrators, der den Referenzwert bereitstellt, aufgeführt.

Die Benchmark-Verordnung stellt bestimmte Anforderungen an Administratoren hinsichtlich der Bereitstellung, Berechnung und Verwendung von Referenzwerten. Ein Emittent darf einen Referenzwert im Sinne der Benchmark-Verordnung nur dann verwenden, wenn der betreffende in der EU ansässige Administrator eine Zulassung oder Registrierung beantragt hat und nicht abgelehnt wurde. Administratoren, die nicht in der EU ansässig sind, müssen gleichwertigen Regelungen unterliegen oder anderweitig anerkannt oder bestätigt sein.

Die Zulassung oder Registrierung eines Administrators wird in einem von der Europäischen Wertpapier- und Marktaufsichtsbehörde ("ESMA") erstellten und geführtem Register veröffentlicht und ist auf der Internetseite der ESMA frei zugänglich und wird gegebenenfalls umgehend aktualisiert.

Der Emittent wird einen Referenzwert im Sinne der Benchmark-Verordnung nur dann verwenden, wenn der Administrator, der den Referenzwert bereitstellt, zum Emissionstermin (Verkaufsbeginn) bzw. zum ersten Tag der Zeichnungsfrist eingetragen ist.

- Die Bezeichnung des Basiswerts,
 - weitere Einzelheiten sowie die genauen Ausstattungsmerkmale des Basiswerts und
 - Ort bzw. Stelle, wo Informationen zum Basiswert erhältlich sind,

Indexähnliche oder indexvertretende Basiswerte

Indexähnliche oder indexvertretende Basiswerte sind beispielsweise Exchange Traded Funds ("**ETFs**").

Nachfolgend erfolgt eine Beschreibung oben genannter indexähnlicher oder indexvertretender Basiswerte. Eine Beschreibung anderer indexähnlicher oder indexvertretender Basiswerte wird in den Endgültigen Bedingungen veröffentlicht.

Exchange Traded Funds sind rechtlich gesehen Anteile an einem Investmentfonds, die in der Regel wie Aktien fortlaufend über die Börse zum aktuellen Börsenkurs gehandelt (gekauft und verkauft) werden können. Die Kursentwicklung eines ETF folgt nahezu der Kursentwicklung des Index, auf den sich der ETF bezieht. Ein ETF wird i.d.R. fortlaufend börsentäglich von der jeweiligen Relevanten Referenzstelle berechnet, aktualisiert und publiziert. Dabei greift die Relevante Referenzstelle auf die Börsenkurse der im jeweiligen Index enthaltenen Wertpapiere oder Komponenten (beispielsweise Aktien) zurück.

Edelmetalle

Edelmetalle sind beispielsweise Gold oder Silber. Die Wertpapiere beziehen sich auf die Entwicklung des Kurses des entsprechenden Edelmetalls.

Nachfolgend erfolgt eine Beschreibung oben genannter Edelmetalle. Eine Beschreibung anderer Edelmetalle wird in den Endgültigen Bedingungen veröffentlicht.

Gold bezieht sich auf den Goldpreis, der im Londoner Goldmarkt für eine Feinunze Gold (31,1035 g) zweimal täglich festgestellt wird (LBMA (*London Bullion Market Association*) Gold Price). Da der Goldpreis in US-Dollar ausgedrückt wird, sind die Wechselkursverhältnisse während der Laufzeit der Wertpapiere sowie die Umrechnungskursverhältnisse bei der Umrechnung zu beachten. Dies ist der Fall, wenn die Emissionswährung nicht in US-Dollar ausgedrückt wird.

Informationen über die Kursentwicklung des Basiswerts, insbesondere die Kursdaten, sowie sonstige nähere Informationen bezüglich des Basiswerts, können der Internetseite der Relevanten

Der Emittent übernimmt keine Gewährleistung für die inhaltliche Richtigkeit und Vollständigkeit der Daten, die auf der Internetseite der Relevanten Referenzstelle, auf der die Feststellung des LBMA Gold Price veröffentlicht wird, dargestellt werden.

Silber bezieht sich auf den Silberpreis, der im Londoner Silbermarkt für eine Feinunze Silber (31,1035 g) täglich festgestellt wird (LBMA (*London Bullion Market Association*) Silver Price). Da der Silberpreis in US-Dollar ausgedrückt wird, sind die Wechselkursverhältnisse während der Laufzeit der Wertpapiere sowie die Umrechnungskursverhältnisse bei der Umrechnung zu beachten. Terminkontrakte

Den Wertpapieren unterliegt ein Terminkontrakt, welcher an einer Terminbörse gehandelt und dessen Kurs fortlaufend börsentäglich veröffentlicht wird. Ein Terminkontrakt (auch Future-Kontrakt oder kurz auch Future genannt) ist ein verbindliches Termingeschäft und stellt eine gegenseitig bindende Vereinbarung zweier Vertragsparteien (Kontrakt) dar, die den Käufer bzw. Verkäufer verpflichtet, einen genau bestimmten Vertragsgegenstand, wie beispielsweise Waren, Devisen, Aktienindizes, Zinstitel oder sonstige Verfügungsrechte, in einer ganz bestimmten Liefermenge (Kontraktgröße) und gegebenenfalls in einer ganz bestimmten Qualität, zu einem fixierten Zeitpunkt in der Zukunft (Termin), zu einem konkreten, bereits bei Vertragsabschluss festgelegten Preis abzunehmen und zu bezahlen (Käufer) bzw. zu liefern (Verkäufer). In Abhängigkeit der Art des Future-Kontrakts kann gegebenenfalls ein Wertausgleich bei Terminfälligkeit vorzunehmen sein. Mithin zählen Futures nicht zu der Gattung der Wertpapiere, sondern sind normierte Verträge, die an Terminbörsen notiert und gehandelt werden, also börsengehandelte Terminkontrakte.

Eine genaue Beschreibung der Terminkontrakte sowie Informationen über die Kursentwicklung, insbesondere die Kursdaten, sowie sonstige nähere Informationen bezüglich der Terminkontrakte und der entsprechenden Relevanten Referenzstellen, an denen die Terminkontrakte gehandelt werden, können den Internetseiten der Relevanten Referenzstellen entnommen werden. Die Inhalte auf den angegebenen Internetseiten können sich ändern und dienen lediglich als Informationsquelle. Bei den Kursinformationen und Volatilitäten des Basiswerts handelt es sich ausschließlich um historische Daten, die keinerlei Rückschlüsse auf die zukünftige Kursentwicklung bzw. zukünftige Entwicklung der Volatilität des Basiswerts zulassen. Daher sollten sie keine Grundlage für die Kaufentscheidung der Wertpapiere sein. Der Emittent übernimmt keine Gewährleistung für die inhaltliche Richtigkeit und Vollständigkeit der Daten, die auf den Internetseiten der Relevanten Referenzstellen dargestellt werden.

Bei den Terminkontrakten kann es sich beispielsweise um Zinsterminkontrakte, Indexterminkontrakte, Rohstoff- bzw. Edelmetall-Future-Kontrakte handeln.

Welcher Basiswert der jeweiligen Emission zugrunde liegt, weitere Einzelheiten sowie die genauen Ausstattungsmerkmale des Basiswerts werden in den Endgültigen Bedingungen veröffentlicht.

Zinsterminkontrakte

Den Wertpapieren unterliegt ein Zinsterminkontrakt, welcher an einer Terminbörse (hier die Relevante Referenzstelle) gehandelt und dessen Kurs fortlaufend börsentäglich veröffentlicht wird. Zins-Futures haben entweder bestimmte festverzinsliche Wertpapiere oder aber kurzfristige Geldmarktinstrumente zur Grundlage.

Indexterminkontrakte

Den Wertpapieren unterliegt ein Indexterminkontrakt, welcher an einer Terminbörse (hier die Relevante Referenzstelle) gehandelt und dessen Kurs fortlaufend börsentäglich veröffentlicht wird. Bei dem den Wertpapieren zugrundeliegenden Basiswert handelt es sich demnach um einen Indexterminkontrakt und nicht um den Index selbst. Aktienindex-Futures sehen regelmäßig einen Anspruch auf Erfüllung durch Wertausgleich bei Terminfälligkeit als anspruchsabgeltende Barausgleichszahlung vor.

Edelmetall-Future-Kontrakte

Den Wertpapieren unterliegt ein Edelmetall-Future-Kontrakt, welcher an einer Terminbörse (hier die Relevante Referenzstelle) gehandelt und dessen Kurse fortlaufend börsentäglich veröffentlicht wird.

Rohstoff-Future-Kontrakte

Bei dem den Wertpapieren unterliegenden Rohstoff-Future-Kontrakt handelt es sich um einen Rohöl-Future-Kontrakt. Ein Rohöl-Future-Kontrakt wird an einer Terminbörse (hier die Relevante Referenzstelle) gehandelt und dessen Kurse werden fortlaufend börsentäglich veröffentlicht. Rohöl-Future-Kontrakte haben bestimmte Rohölsorten mit verschiedener Herkunft zur Grundlage.

Rollieren am Future-Anpassungszeitpunkt – gilt bei Open End-Turbo-Optionsscheinen, Mini Future Zertifikaten bzw. Smart-Mini Future Zertifikaten

Der betreffende Future-Kontrakt wird am Tag des Knock-out-Fristbeginns als Anfänglicher Basiswert festgelegt. Danach wird der maßgebliche Basiswert an jedem Future-Anpassungszeitpunkt durch den Future-Kontrakt ersetzt, der die in den Emissionsbedingungen entsprechend angegebene Referenzlaufzeit hat. Diese Vorgehensweise wird auch "Rollieren" genannt.

Bei Zinsterminkontrakten (Euro-BUND-Future, 10 Year Treasury Note Future) sowie bei Indexterminkontrakten (EURO STOXX 50® Future, E-mini S&P 500® Future) wird der maßgebliche Basiswert an jedem Future-Anpassungszeitpunkt durch den Future-Kontrakt ersetzt, der die nächstlängere Restlaufzeit hat.

Bei Indexterminkontrakten (Nikkei 225 Future) sowie Edelmetall-Future-Kontrakten (Gold-Futures, Silber-Futures) wird der maßgebliche Basiswert an jedem Future-Anpassungszeitpunkt durch den Future-Kontrakt ersetzt, der den nächstfälligen Kontraktmonat hat.

Bei Rohstoff-Future-Kontrakten (Brent Crude Futures (Future-Kontrakt bezogen auf die Nordseerohölsorte Brent Crude), WTI Light Sweet Crude Oil Future (Future-Kontrakt bezogen auf die Rohölsorte West Texas Intermediate)) wird der maßgebliche Basiswert an jedem Future-Anpassungszeitpunkt durch den Future-Kontrakt ersetzt, der den nächstfälligen Liefermonat hat.

Eine Beschreibung des Rollierens bei einem anderen Terminkontrakt nebst entsprechender maßgeblicher Referenzlaufzeit wird in den Endgültigen Bedingungen veröffentlicht.

Bei bestimmten Terminkontrakten ist der Emittent ferner berechtigt, nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage, während der Laufzeit der Wertpapiere zu den in den Emissionsbedingungen festgelegten Kontraktmonaten neue Kontraktmonate hinzuzufügen sowie bestehende Kontraktmonate zu streichen – sofern und soweit die Kontraktspezifikationen der Relevanten Referenzstelle diese Kontraktmonate vorsehen. Diese Vorgehensweise findet in jedem Fall bei den Terminkontrakten 10 Year Treasury Note Future, Nikkei 225 Future, E-mini S&P 500® Future, Gold-Futures, Silber-Futures entsprechend Anwendung. Sollten sich die in den Emissionsbedingungen festgelegten Kontraktmonate wie vorstehend beschrieben ändern, so werden die dann maßgeblichen Kontraktmonate entsprechend den Bestimmungen in den Emissionsbedingungen veröffentlicht.

Eine Beschreibung der Anpassung der Kontraktmonate bei einem anderen Terminkontrakt wird in den Endgültigen Bedingungen veröffentlicht.

2.2.3. Beschreibung aller etwaigen Kreditereignisse oder Ereignisse, die eine Störung des Markts oder der Abrechnung bewirken und den Basiswert beeinflussen

Eine Störung des Markts (**Marktstörung**) kann den Basiswert beeinflussen. Eine Marktstörung kann Auswirkungen auf die Höhe des Einlösungsbetrags haben. Beispiel: Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis nicht festgestellt werden kann.

Die Konsequenz einer Marktstörung kann beispielsweise die Ermittlung eines Ersatzkurses für den durch eine Marktstörung betroffenen Basiswert sein. Die Definition einer Marktstörung sowie die anzuwendenden Korrekturvorschriften werden in den Emissionsbedingungen veröffentlicht.

2.2.4. Anpassungsregelungen in Bezug auf Ereignisse, die den Basiswert betreffen

Bestimmte Ereignisse können wesentliche Auswirkungen auf die Kursfeststellung des Basiswerts haben.

Bei einem Anpassungsereignis handelt es sich beispielsweise um folgende Ereignisse:

- Kapitalerhöhungen,
- endgültige Einstellung der Börsennotierung des Basiswerts,
- Aktiensplits,
- Ausschüttungen, die von der Relevanten Terminbörse als Sonderdividenden behandelt werden,
- Ereignisse, welche die Feststellung des Referenzpreises unmöglich machen, oder
- Ereignisse, die dazu führen, dass der Basiswert nicht mehr regelmäßig festgestellt und veröffentlicht wird, etc.

(jeweils ein "**Anpassungsereignis**").

Die Definition von Anpassungsereignissen wird in den Emissionsbedingungen veröffentlicht.

Im Falle eines Anpassungsereignisses finden entsprechende Anpassungsregelungen (die "**Anpassungsmaßnahmen**") Anwendung. Die anzuwendenden Anpassungsregelungen werden in den Emissionsbedingungen veröffentlicht.

3. Weitere Angaben

3.1. Veröffentlichung von Informationen (Bekanntmachungen)

Alle über die Endgültigen Bedingungen hinausgehenden Informationen, die die jeweiligen Wertpapiere betreffen, erfolgen

- durch Veröffentlichung einer entsprechenden Bekanntmachung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, sofern nicht eine direkte Mitteilung an die Anleger erfolgt, und/oder
- durch Veröffentlichung im Internet unter www.hsbc-zertifikate.de bzw. unter der gemäß den Bestimmungen in den Emissionsbedingungen bekannt gemachten Nachfolgeadresse.

1.1. Zustimmung des Emittenten oder der für die Erstellung des Basisprospekts verantwortlichen Person zur Verwendung des Basisprospekts

In den Endgültigen Bedingungen wird veröffentlicht, ob der Emittent eine individuelle oder eine generelle Zustimmung zur Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen erteilt.

Werden die Wertpapiere in Österreich angeboten, hat der Anleger zu beachten, dass es im Anwendungsbereich des österreichischen Rechts, insbesondere des KMG, zu einer Haftung des Finanzintermediärs anstelle des Emittenten kommen kann. Derjenige Finanzintermediär, der Wertpapiere unter Verwendung dieses Basisprospekts öffentlich anbietet und über keine Zustimmung des Emittenten zur Prospektverwendung verfügt, kann anstelle des Emittenten für die Richtigkeit und Vollständigkeit der Prospektangaben haften, sofern der Emittent nicht wusste oder wissen musste, dass der Basisprospekt einem prospektpflichtigen Angebot ohne seine Zustimmung zu Grunde gelegt wurde und der Emittent die unzulässige Verwendung den zuständigen Stellen unverzüglich, nachdem er von der unzulässigen Verwendung Kenntnis erlangt hat oder Kenntnis haben musste, mitgeteilt hat.

Individuelle Zustimmung zur Verwendung des Basisprospekts

Der Emittent erteilt in diesem Fall den in den Endgültigen Bedingungen namentlich genannten Finanzintermediären für eine spätere Weiterveräußerung oder endgültige Platzierung von Wertpapieren seine Zustimmung zur Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen.

Der Emittent übernimmt die Haftung für den Inhalt des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen auch hinsichtlich einer späteren Weiterveräußerung oder endgültigen Platzierung der Wertpapiere durch Finanzintermediäre, die die Zustimmung zur Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen erhalten haben.

Generelle Zustimmung zur Verwendung des Basisprospekts

Der Emittent erteilt in diesem Fall allen Finanzintermediären im Sinne von Artikel 5 Absatz (1) Prospekt-Verordnung für eine spätere Weiterveräußerung oder endgültige Platzierung von Wertpapieren seine Zustimmung zur Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen.

Der Emittent übernimmt die Haftung für den Inhalt des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen auch hinsichtlich einer späteren Weiterveräußerung oder endgültigen Platzierung der Wertpapiere durch Finanzintermediäre, die die Zustimmung zur Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, sowie der zugehörigen Endgültigen Bedingungen erhalten haben.

1.3. Angabe der Angebotsfrist, während deren die spätere Weiterveräußerung oder endgültige Platzierung von Wertpapieren durch Finanzintermediäre erfolgen kann

Die spätere Weiterveräußerung oder endgültige Platzierung von Wertpapieren durch Finanzintermediäre kann entweder während der Dauer der Gültigkeit der Wertpapierbeschreibung gemäß Artikel 12 Absatz (1) Prospekt-Verordnung oder während einer davon abweichenden und in den Endgültigen Bedingungen veröffentlichten Angebotsfrist erfolgen. Die Angebotsfrist wird in den Endgültigen Bedingungen veröffentlicht.

1.4. Angabe der Mitgliedstaaten, in denen die Finanzintermediäre den Basisprospekt für eine spätere Weiterveräußerung oder endgültige Platzierung von Wertpapieren verwenden dürfen

Im Falle einer Zustimmung zur Verwendung des Basisprospekts, dürfen Finanzintermediäre den Basisprospekt, einschließlich etwaiger Nachträge, sowie die zugehörigen Endgültigen Bedingungen für eine spätere Weiterveräußerung oder endgültige Platzierung der Wertpapiere im Rahmen der geltenden Verkaufsbeschränkungen im in den Endgültigen Bedingungen genannten Land (Deutschland und/oder Österreich) verwenden.

1.5. Alle sonstigen klaren und objektiven Bedingungen, an die die Zustimmung gebunden ist und die für die Verwendung des Basisprospekts relevant sind

Die Zustimmung zur Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, und der Endgültigen Bedingungen, einschließlich der beigefügten emissionsspezifischen Zusammenfassung, steht unter den Bedingungen, dass

- (i) der Basisprospekt, einschließlich etwaiger Nachträge, und die dazugehörigen Endgültigen Bedingungen, einschließlich der beigefügten emissionsspezifischen Zusammenfassung, potentiellen Anlegern nur zusammen mit sämtlichen bis zur Übergabe veröffentlichten Nachträgen übergeben werden und
- (ii) bei der Verwendung des Basisprospekts, einschließlich etwaiger Nachträge, und der dazugehörigen Endgültigen Bedingungen, einschließlich der beigefügten emissionsspezifischen Zusammenfassung, jeder Finanzintermediär sicherstellt, dass er alle anwendbaren, in den jeweiligen Jurisdiktionen geltenden Gesetze und Rechtsvorschriften beachtet.

Ist die Zustimmung zur Verwendung des Basisprospekts ferner an weitere Bedingungen gebunden, werden diese in den Endgültigen Bedingungen veröffentlicht.
