Optionsrecht/Einlösungsbetrag**

- (1) Der Inhaber (der "Optionsscheininhaber" oder der "Wertpapierinhaber") eines Inhaber-Optionsscheins (der "Optionsschein" oder das "Wertpapier" bzw. alle begebenen Optionsscheine die "Optionsscheine" oder die "Wertpapiere"¹⁾) ist nach Maßgabe dieser Emissionsbedingungen berechtigt, von der HSBC Trinkaus & Burkhardt GmbH, Düsseldorf, (der "Emittent") die Zahlung des gemäß Absatz (2) bestimmten Einlösungsbetrags (der "Einlösungsbetrag") je Optionsschein zu verlangen.
- (2) Der Einlösungsbetrag entspricht dem Quadrat der in der [Fremdwährung] [Emissionswährung] ausgedrückten und mit dem Bezugsverhältnis multiplizierten Differenz, um die der am Ausübungstag (wie in § 3 Absatz (1) definiert) von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts den Basispreis unterschreitet und wird nach der Formel

$$\text{Einlösungsbetrag (Put)} = ((\text{Basispreis} - \text{Referenzpreis}) \times \text{Bezugsverhältnis})^2$$

mit der Maßgabe berechnet, dass

- a) ein Einlösungsbetrag nur dann berechnet wird, wenn der Referenzpreis den Basispreis unterschreitet, und
- b) maximal der Höchstbetrag je Optionsschein gezahlt wird.

Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. - a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Alle etwaigen im Zusammenhang mit der Ausübung des Optionsrechtes anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. "Bankarbeitstag" ist •. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. - b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises

Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. [mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). § 5 Marktstörung/Ersatzkurs

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Feststellung des Referenzpreises der von dem Emittenten ermittelte Ersatzkurs (der "Ersatzkurs") maßgeblich. - (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). § 5 Marktstörung/Ersatzkurs

§ 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich

geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 7] [§ 8] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.

§ 6 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 5 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 5 ermitteln.

[§ 7 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.

Der Begriff "Optionsscheine" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

§ 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich

geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 8] [§ 9] Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

¹ Die Stückzahl der begebenen Wertpapiere ist abhängig von der Nachfrage nach den angebotenen Wertpapieren, aber - vorbehaltlich einer Aufstockung oder eines (Teil-)Rückkaufs der Emission - auf das Angebotsvolumen begrenzt. Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (3) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

§ 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Optionsrecht/Einlösungsbetrag**

- (1) Der Inhaber (der "Optionsscheininhaber" oder der "Wertpapierinhaber") eines Inhaber-Optionsscheins (der "Optionsschein" oder das "Wertpapier" bzw. alle begebenen Optionsscheine die "Optionsscheine" oder die "Wertpapiere"¹) ist nach Maßgabe dieser Emissionsbedingungen und vorbehaltlich des Absatzes (•) berechtigt, von der HSBC Trinkaus & Burkhardt GmbH, Düsseldorf, (der "Emittent") die Zahlung des gemäß Absatz (2) bestimmten Einlösungsbetrags (der "Einlösungsbetrag") je Optionsschein zu verlangen.
- (2) Der **[Emissionswährung ≠ Währung Basiswert:**, gemäß Absatz (3) in die Emissionswährung umgerechnete] Einlösungsbetrag entspricht der in **[Emissionswährung ≠ Währung Basiswert; Währung Basiswert ≠ EUR:** der Fremdwährung] **[Emissionswährung ≠ EUR; Währung Basiswert = EUR:** Euro ("EUR")] **[Emissionswährung = Währung Basiswert:** der Emissionswährung] ausgedrückten und mit dem Bezugsverhältnis multiplizierten Differenz (wobei 1 Indexpunkt 1 • entspricht), um die der am Ausübungstag (wie in § 3 Absatz (1) definiert) von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts den Basispreis unterschreitet.

Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

¹ Die Stückzahl der begebenen Wertpapiere ist abhängig von der Nachfrage nach den angebotenen Wertpapieren, aber - vorbehaltlich einer Aufstockung oder eines (Teil-)Rückkaufs der Emission - auf das Angebotsvolumen begrenzt. Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (3) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (3) definiert).]

- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.

Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

§ 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag

wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 7] [§ 8] bekannt

gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.

§ 6 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 5 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 5 ermitteln.

§ 7 Ersetzung des Emittenten

Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). § 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins

festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 7] [§ 8] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 8 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.

Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4 Zahlung des Einlösungsbetrags

§ 5 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins

festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 7] [§ 8] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 7] [§ 8].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 7] [§ 8] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen] [In diesem Fall verfallen die Wertpapiere wertlos].
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 7] [§ 8] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.

§ 6 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 5 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 5 ermitteln. § 5 Absatz d) Satz 1 gilt entsprechend.

[§ 7 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbeitragender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 8 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies

Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

- (3) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (4) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlichen.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Eine Dividendenanpassung gemäß § 6 bzw. eine außerordentliche Anpassung gemäß § 7 des Basispreises erfolgt auf Basis des am jeweiligen Stichtag der Dividendenanpassung bzw. der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 6

Dividendenanpassung

Im Falle von Dividendenausschüttungen bezogen auf den Basiswert durch die betreffende Gesellschaft bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz reduziert. "Bruttodividende" ist die von der Gesellschaft beschlossene Dividende (vor der Einbehaltung von Steuern an der Quelle). Stichtag im Sinne dieses Absatzes ist der erste Handelstag, an dem die [Aktien] [aktienähnlichen oder aktienvertretenden Wertpapiere] an der Relevanten Referenzstelle "ex Dividende" notiert werden.

Der Emittent ist im Falle von Dividendenausschüttungen berechtigt, sofern der Nettodividendenprozentsatz geringer ist als der maßgebliche Dividendenprozentsatz, den maßgeblichen Dividendenprozentsatz auf den Nettodividendenprozentsatz herabzusetzen. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

[Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Eine Dividendenanpassung gemäß § 6 bzw. eine außerordentliche Anpassung gemäß § 7 des Basispreises erfolgt auf Basis des am jeweiligen Stichtag der Dividendenanpassung bzw. der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. Der sich nach der Dividendenanpassung beziehungsweise der außerordentlichen Anpassung ergebende Basispreis ist der dann maßgebliche Basispreis.
- (4) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlicht.

Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig im Sinne von Absatz (4) Satz 2 zu einem Ausübungstag seine depotführende Bank anweist,

 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (4) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist ●.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen], nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen.

Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6 Dividendenanpassung

Im Falle von Dividendenausschüttungen bezogen auf den Basiswert durch die betreffende Gesellschaft bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz reduziert. "Bruttodividende" ist die von der Gesellschaft beschlossene Dividende (vor der Einbehaltung von Steuern an der Quelle). Stichtag im Sinne dieses Absatzes ist der erste Handelstag, an dem die [Aktien] [aktienähnlichen oder aktienvertretenden Wertpapiere] an der Relevanten Referenzstelle "ex Dividende" notiert werden.

Der Emittent ist im Falle von Dividendenausschüttungen berechtigt, sofern der Nettodividendenprozentsatz geringer ist als der maßgebliche Dividendenprozentsatz, den maßgeblichen Dividendenprozentsatz auf den Nettodividendenprozentsatz herabzusetzen. Der "Nettodividendenprozentsatz" ist 100% vermindert um den im Wege des Quellensteuerabzugs einbehaltenen Kapitalertragssteuersatzes des Staates in dem die Gesellschaft ihren Sitz hat, ohne Berücksichtigung etwa bestehender Doppelbesteuerungsabkommen, wie von der STOXX Limited als Prozentsatz unter der Internetadresse <http://www.stoxx.com/indices/taxes.html> oder einer gemäß nachfolgendem Absatz bekannt gemachten Nachfolgeadresse der STOXX Limited oder einer anderen Publikationsstelle veröffentlicht.

Der Emittent wird die Anpassung des maßgeblichen Dividendenprozentsatzes sowie den Tag ihrer Wirksamkeit und eine etwaige Nachfolgeadresse unverzüglich und ausschließlich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahmen.

- b) Wenn im Falle eines Anpassungsereignisses Optionskontrakte auf den Basiswert an der Relevanten Terminbörse nicht oder nicht mehr gehandelt werden, werden vorbehaltlich der Regelung gemäß Absatz d) das Bezugsverhältnis und der Basispreis entsprechend den Regeln der Relevanten Terminbörse mit Wirkung zum Stichtag angepasst, wie es der Fall wäre, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden.
- c) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) und b) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- d) Der Emittent ergreift von Absatz a) und Absatz b) abweichende Anpassungsmaßnahmen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen

ist, um die Optionsscheininhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift bzw. im Falle des Absatzes a) ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz g) bleibt hiervon unberührt.

- e) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.
- f) Ein "Anpassungsereignis" im Sinne dieser Emissionsbedingungen ist der Eintritt eines der nachstehend aufgezählten Ereignisse bezogen auf den Basiswert.

 - (xiii) jedes andere vergleichbare Ereignis, das einen Konzentrations-, Verwässerungs- oder sonstigen Effekt auf den rechnerischen Kurs des Basiswerts haben kann.
- g) Ist nach Ansicht der Relevanten Terminbörse oder des Emittenten eine sachgerechte Anpassungsmaßnahme aus welchen Gründen auch immer nicht möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. In Bezug auf Basiswerte, die aktienähnliche oder aktienvertretende Wertpapiere (wie beispielsweise Depository Receipts ("DRs"), zusammen die "Aktienvertretenden Wertpapiere") sind, sind die folgenden Bestimmungen anwendbar:

- a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz g) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der jeweiligen Aktienvertretenden Wertpapiere je Option, an und liegt der Stichtag (wie in Absatz f) definiert) des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz e) mit Wirkung vom Stichtag (einschließlich) das Bezugsverhältnis und der Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").
- b) Wenn im Falle eines Anpassungsereignisses Optionskontrakte auf den Basiswert an der Relevanten Terminbörse nicht oder nicht mehr gehandelt werden, werden (vorbehaltlich der Regelung gemäß Absatz e)) das Bezugsverhältnis und der Basispreis entsprechend den Regeln der Relevanten Terminbörse mit Wirkung zum Stichtag angepasst, wie es der Fall wäre, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden.
- c) Werden die Aktienvertretenden Wertpapiere, die Basiswerte sind, im Falle eines Anpassungsereignisses wie in Absatz g) beschrieben angepasst, ohne dass die Relevante Terminbörse Anpassungen vornimmt bzw. vornehmen würde, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden, ist der Emittent, wenn der Stichtag vor dem Zeitpunkt der Feststellung des Referenzpreises am Ausübungstag fällt, berechtigt, aber nicht verpflichtet, das Bezugsverhältnis und den Basispreis des Basiswerts entsprechend nach billigem Ermessen mit Wirkung zum Stichtag (einschließlich) anzupassen.
- d) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) bis c) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

Der vorstehende Satz gilt entsprechend, wenn ein Anpassungsereignis bezüglich einer unterliegenden Aktie (wie in Absatz g) definiert) vorliegt und der Emittent des Basiswerts keine Anpassungsmaßnahmen ergreift und die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift oder ergreifen würde. § 8

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis durch die Relevante Referenzstelle nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Options- und Terminkontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht festgestellt wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Referenzpreises des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.

Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 8 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. - (2) Jede Ersetzung ist unverzüglich gemäß § 11 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.

Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. - (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (4) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von ● 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - (5) Wenn während der Laufzeit der Optionsscheine der maßgebliche Basispreis durch eine Dividendenanpassung gemäß § 2 Absatz (3) in Verbindung mit § 6 oder eine außerordentliche Anpassung gemäß § 2 Absatz (3) in Verbindung mit § 7 kleiner oder gleich null wird (das "außerordentliche Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des außerordentlichen Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber den Knock-out-Betrag gemäß § 1 Absatz (4) je Optionsschein.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - (6) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] bzw. den Eintritt des außerordentlichen Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgedresse veröffentlichen.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, abzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Eine Dividendenanpassung gemäß § 6 bzw. eine außerordentliche Anpassung gemäß § 7 des Basispreises erfolgt auf Basis des am jeweiligen Stichtag der Dividendenanpassung bzw. der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. Der sich nach der Dividendenanpassung beziehungsweise der außerordentlichen Anpassung ergebende Basispreis ist vorbehaltlich § 1 Absatz (5) der dann maßgebliche Basispreis.
- (4) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlicht.

- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream

Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis oder das außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (4) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5 Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite

<https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 5 Absatz (1) definiert).]

- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
 - b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
 - c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]
- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts dem maßgeblichen Basispreis entspricht oder diesen unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von ● 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2 Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist •.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. § 7 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 6 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 6 ermitteln. "Börsentag" ist ●.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
 - (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 5 Absatz (1) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite

"Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 5 Absatz (1) definiert).]

- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
 - b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
 - c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]
- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts dem maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von ● 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2 Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, abzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie in § 5 Absatz (1) definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,

- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist •.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen], nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]]

§ 7 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 6 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 6 ermitteln. "Börsentag" ist ●.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
 - (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.

 - (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10] Bekanntmachungen

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgedresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11] Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgersite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 5 Absatz (1) definiert).
- a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs (i) des Basiswerts oder (ii) des X-DAX®-Index (X-DAX®) – ISIN DE000A0C4CA0 – (der "X-Index") dem maßgeblichen Basispreis entspricht oder diesen unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2 Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3 Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4 Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie in § 5 Absatz (1) definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5 Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist ●.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen], nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].

- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis

eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]]

§ 7 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 6 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 6 ermitteln. "Börsentag" ist •.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbeitreitender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der

Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

- b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10] Bekanntmachungen

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11] Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen

zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

[§ 11] [§ 12] Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 9] [§ 10] bekannt gemacht.

[§ 12] [§ 13] Anwendbares Recht/Erfüllungsort/Gerichtsstand

[§ 13] [§ 14] Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt. Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgersite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. - b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. - (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs (i) des Basiswerts oder (ii) des X-DAX®-Index (X-DAX®) – ISIN DE000A0C4CA0 – (der "X-Index") dem maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": r-Zinssatz, abzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3 Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.

Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

§ 6 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis

eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in § 6 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 6 ermitteln. "Börsentag" ist •.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11] Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen

- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (3) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen.

§ 6 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 8] [§ 9] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. - (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis (aus welchen Gründen auch immer) nicht veröffentlicht wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Publikationsstelle veröffentlichte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag von der Publikationsstelle veröffentlichte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht veröffentlicht wird, ist für die Feststellung des Referenzpreises der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

[§ 8 Ersetzung des Emittenten

- (2) Jede Ersetzung ist unverzüglich gemäß § 9 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.

Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

§ 9] § 10] Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.
- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

§ 10] § 11] Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 8] [§ 9] bekannt gemacht.

Basispreis/maßgeblicher Basiswert

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- [(3) An jedem Future-Anpassungszeitpunkt vor dem Handelsbeginn des Emittenten wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

(ii) Subtraktion der Differenz zwischen dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Eröffnungskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Eröffnungskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Eröffnungskurse (der "Future-Anpassungszeitpunkt").]

- [(3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
- (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#FGBL.", jeweils unter "Last"] [•], der Publikationsstelle "[Refinitiv] [•]" (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").]

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils zweite Börsentag vor dem Liefertag (wie nachfolgend definiert). "Liefertag" ist derzeit der zehnte Kalendertag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls der nächste danach liegende Börsentag.

Sollte die Relevante Referenzstelle die letzten Handelstage bzw. die Liefertage ändern, so ändern sich die Letzten Handelstage bzw. Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die

Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

§ 5

Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlöschungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlöschungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere

wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10]

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11]
Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.
- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

[§ 11] [§ 12]

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 9] [§ 10] bekannt gemacht.

[§ 12] [§ 13]

[§ 13] [§ 14]
Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt.

Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Optionsscheine wird auf 10 Jahre abgekürzt. ¹ Die Stückzahl der begebenen Wertpapiere ist abhängig von der Nachfrage nach den angebotenen Wertpapieren, aber - vorbehaltlich einer Aufstockung oder eines (Teil-)Rückkaufs der Emission - auf das Angebotsvolumen begrenzt. Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).
- a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- [(3) An jedem Future-Anpassungszeitpunkt vor dem Handelsbeginn des Emittenten wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Eröffnungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Eröffnungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Eröffnungskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Eröffnungskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Eröffnungskurse (der "Future-Anpassungszeitpunkt").]

- [(3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch

- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
- (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#FGBL.", jeweils unter "Last"] [•], der Publikationsstelle "[Refinitiv] [•]" (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Wertpapierinhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").]

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils zweite Börsentag vor dem Liefertag (wie nachfolgend definiert). "Liefertag" ist derzeit der zehnte Kalendertag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls der nächste danach liegende Börsentag.

Sollte die Relevante Referenzstelle die letzten Handelstage bzw. die Liefertage ändern, so ändern sich die Letzten Handelstage bzw. Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die

Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlöschungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlöschungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlöschungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere

wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10]

[§ 10] [§ 11]
Emission weiterer Optionsscheine/Rückkauf

Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

[Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer

Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]
- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.
- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]
- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von ● 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
- (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#TY:", jeweils unter "last"] [•], der Publikationsstelle "[Refinitiv] [•]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden,

während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Ersten Anzeigetag der Andienung (First Notice Day) (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert). "Erster Liefertag" ist derzeit der erste Börsentag der Quartalsmonate März, Juni, September und Dezember. "Börsentag" ist •.

Sollte die Relevante Referenzstelle die ersten Anzeigetage der Andienung oder die ersten Liefertage ändern, so ändern sich die Ersten Anzeigetage der Andienung oder die Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und

- b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag eins schließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen.

Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des

maßgeblichen Referenzpreis nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfoladresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfoladresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent

den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.

- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10] Bekanntmachungen

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11] Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.
- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

[§ 11] [§ 12] Berichtigungen, Ergänzungen

Sofern in diesen Emissionsbedingungen (i) offensichtliche Schreib- oder Rechenfehler oder ähnliche offenbare Unrichtigkeiten sowie (ii) widersprüchliche oder lückenhafte Bestimmungen enthalten sind, ist der Emittent berechtigt, diese ohne Zustimmung der Wertpapierinhaber zu berichtigen bzw. zu ergänzen, wobei in den unter (ii) genannten Fällen nur solche Berichtigungen bzw. Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 9] [§ 10] bekannt gemacht.

[§ 12] [§ 13]

- (3) Gerichtsstand für alle Streitigkeiten aus den in diesen Emissionsbedingungen geregelten Angelegenheiten ist Düsseldorf für Kaufleute, juristische Personen des öffentlichen Rechts, öffentlich-rechtliche Sondervermögen und Personen ohne allgemeinen Gerichtsstand in der Bundesrepublik Deutschland. Der Gerichtsstand Düsseldorf ist für alle Klagen gegen den Emittenten ausschließlich.

[§ 13] [§ 14]

Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt. Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.
- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Optionsscheine wird auf 10 Jahre abgekürzt. Die Verjährungsfrist für Ansprüche aus den Optionsscheinen, die innerhalb der Vorlegungsfrist zur Zahlung vorgelegt werden, beträgt zwei Jahre von dem Ende der betreffenden Vorlegungsfrist an. Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer

Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

(3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.

b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.

(●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von ● 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

- Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: ●]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten"))] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
 - (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen

Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#TY:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Ersten Anzeigetag der Andienung (First Notice Day) (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert). "Erster Liefertag" ist derzeit der erste Börsentag der Quartalsmonate März, Juni, September und Dezember. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die ersten Anzeigetage der Andienung oder die ersten Liefertage ändern, so ändern sich die Ersten Anzeigetage der Andienung oder die Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5 Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.

- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6 Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags

beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
 - (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
 - (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
 - (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.
- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

Ergänzungen zulässig sind, die unter

Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. **§ 1
Begebung/Zahlungsverpflichtung**

- (1) Die HSBC Trinkaus & Burkhardt GmbH, Düsseldorf, (der "Emittent") ist nach Maßgabe dieser Emissionsbedingungen und vorbehaltlich des Absatzes (•) verpflichtet, dem Inhaber (der "Optionsscheininhaber" oder der "Wertpapierinhaber") eines Inhaber-Optionsscheins (der "Optionsschein" oder das "Wertpapier" bzw. alle begebenen Optionsscheine die "Optionsscheine" oder die "Wertpapiere"¹⁾ nach dessen Ausübung gemäß § 4 den gemäß nachfolgendem Absatz (2) bestimmten Einlösungsbetrag (der "Einlösungsbetrag") je Optionsschein zu zahlen.
- (2) Der **[Emissionswährung ≠ EUR:**, gemäß Absatz (3) in die Emissionswährung umgerechnete] Einlösungsbetrag entspricht der in **[Emissionswährung ≠ EUR: Euro ("EUR")]** **[Emissionswährung = EUR:** der Emissionswährung] ausgedrückten und mit dem Bezugsverhältnis multiplizierten Differenz (wobei 1 Punkt des maßgeblichen Basiswerts 1 EUR entspricht), um die der am Ausübungstag (wie in § 4 Absatz (1) definiert) von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts den dann maßgeblichen Basispreis überschreitet.

Im Sinne dieser Emissionsbedingungen ist:

"Maßgeblicher Basiswert":	ist am Tag des Knock-out-Fristbeginns der anfängliche Basiswert; danach wird der maßgebliche Basiswert an jedem Future-Anpassungszeitpunkt gemäß § 2 Absatz (3) durch den Future-Kontrakt ersetzt, der die nächstlängere Restlaufzeit hat, bezogen auf die Quartalsmonate März, Juni, September, Dezember.
"Knock-out-Fristbeginn":	•

¹ Die Stückzahl der begebenen Wertpapiere ist abhängig von der Nachfrage nach den angebotenen Wertpapieren, aber - vorbehaltlich einer Aufstockung oder eines (Teil-)Rückkaufs der Emission - auf das Angebotsvolumen begrenzt. Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).
- a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten]

[Alternativen Anpassungszeitpunkt einfügen: •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswert (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Schlusskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Schlusskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Schlusskurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils dritte Freitag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls ist Letzter Handelstag der unmittelbar vorangehende Börsentag.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:

- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder

wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die

Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein

entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

- b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. - (1) Die HSBC Trinkaus & Burkhardt GmbH, Düsseldorf, (der "Emittent") ist nach Maßgabe dieser Emissionsbedingungen und vorbehaltlich des Absatzes (•) verpflichtet, dem Inhaber (der "Optionsscheininhaber" oder der "Wertpapierinhaber") eines Inhaber-Optionsscheins (der "Optionsschein" oder das "Wertpapier" bzw. alle begebenen Optionsscheine die "Optionsscheine" oder die "Wertpapiere"¹⁾ nach dessen Ausübung gemäß § 4 den gemäß nachfolgendem Absatz (2) bestimmten Einlösungsbetrag (der "Einlösungsbetrag") je Optionsschein zu zahlen.
- (2) Der **[Emissionswährung ≠ EUR:**, gemäß Absatz (3) in die Emissionswährung umgerechnete] Einlösungsbetrag entspricht der in **[Emissionswährung ≠ EUR: Euro ("EUR")]** **[Emissionswährung = EUR:** der Emissionswährung] ausgedrückten und mit dem Bezugsverhältnis multiplizierten Differenz (wobei 1 Punkt des maßgeblichen Basiswerts 1 EUR entspricht), um die der am Ausübungstag (wie in § 4 Absatz (1) definiert) von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts den dann maßgeblichen Basispreis unterschreitet.

¹ Die Stückzahl der begebenen Wertpapiere ist abhängig von der Nachfrage nach den angebotenen Wertpapieren, aber - vorbehaltlich einer Aufstockung oder eines (Teil-)Rückkaufs der Emission - auf das Angebotsvolumen begrenzt. Das Angebotsvolumen wird in den für die betreffende Emission zu erstellenden Endgültigen Bedingungen zu dieser Wertpapierbeschreibung veröffentlicht.

Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).
- a) Wenn der Umrechnungskurs nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht wird, wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der Umrechnungskurs regelmäßig veröffentlicht wird, bestimmen.
- b) Wird der Umrechnungskurs (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, ist für die Feststellung des Umrechnungskurses der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]
- (•) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (•) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten]

[Alternativen Anpassungszeitpunkt einfügen: •] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswert (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der Schlusskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der Schlusskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Schlusskurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Schlusskurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Schlusskurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils dritte Freitag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag ist, andernfalls ist Letzter Handelstag der unmittelbar vorangehende Börsentag.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:

- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder

wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die

Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein

entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. § 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#SSI:", jeweils unter "Last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der dem zweiten Freitag der Kontraktmonate (im Sinne von § 1 Absatz (2)) unmittelbar vorausgehende Börsentag (wie nachfolgend definiert). "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 3 Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4 Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
 - a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag eins schließlich das

Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert

während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die

angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.

- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. § 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgeside der vorgenannten

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). § 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#SSI:", jeweils unter "Last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der dem zweiten Freitag der Kontraktmonate (im Sinne von § 1 Absatz (2)) unmittelbar vorausgehende Börsentag (wie nachfolgend definiert). "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 3 Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4 Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
 - a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
 - a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das

Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert

während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die

angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.

- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9

Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbeitreitender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#ES:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils dritte Freitag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag (wie nachfolgend definiert) ist, andernfalls ist Letzter Handelstag der unmittelbar vorangehende Börsentag. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und

- e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts

durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des

Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag die Index-Future-Kurse aus anderen als in § 6 genannten Gründen nicht festgestellt werden.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Index-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Index-Future-Kurse maßgeblich. Soweit für diesen Tag solche Index-Future-Kurse nicht festgestellt werden, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Index-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am

fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10]

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. [§ 10] [§ 11]
Emission weiterer Optionsscheine/Rückkauf

Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. - (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

[Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. Der sich daraus ergebende EUR-Betrag wird mit dem "Währungsumrechnungskurs" (wie nachfolgend definiert) multipliziert. Der "Währungsumrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt, wie er auf der Publikationsseite der Publikationsstelle veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

[Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [●] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle,

auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.

- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]
- Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen:** •] gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten"))] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#ES:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle ist derzeit der jeweils dritte Freitag der Quartalsmonate März, Juni, September und Dezember, sofern dieser Tag ein Börsentag (wie nachfolgend definiert) ist, andernfalls ist Letzter Handelstag der unmittelbar vorangehende Börsentag. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und

- e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts

durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des

Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag die Index-Future-Kurse aus anderen als in § 6 genannten Gründen nicht festgestellt werden.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Index-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Index-Future-Kurse maßgeblich. Soweit für diesen Tag solche Index-Future-Kurse nicht festgestellt werden, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Index-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am

fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10]
Bekanntmachungen

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11]
Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.
- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 9] [§ 10] bekannt gemacht.

[§ 12] [§ 13]

Der Gerichtsstand Düsseldorf ist für alle Klagen gegen den Emittenten ausschließlich.

[§ 13] [§ 14]
Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt.

Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Optionsscheine wird auf 10 Jahre abgekürzt. Die Verjährungsfrist für Ansprüche aus den Optionsscheinen, die innerhalb der Vorlegungsfrist zur Zahlung vorgelegt werden, beträgt zwei Jahre von dem Ende der betreffenden Vorlegungsfrist an. Die Vorlegung der Optionsscheine erfolgt durch Übertragung der jeweiligen Miteigentumsanteile an der entsprechenden Sammelurkunde auf das Konto des Emittenten bei Clearstream.]

Die Berechnung des Einlösungsbetrags je Optionsschein erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1GC:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils [Ersten Liefertag] [Ersten Anzeigetag der Andienung (First Notice Day)] (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

["Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert).] "Erster Liefertag" ist derzeit der erste Börsentag (wie nachfolgend definiert) des betreffenden Kontraktmonats. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die [ersten Anzeigetage der Andienung oder die] ersten Liefertage ändern, so ändern sich die [Ersten Anzeigetage der Andienung oder die] Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und

- e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis

und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen]

nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag die Gold-Future-Kurse aus anderen als in § 6 genannten Gründen nicht festgestellt werden.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Soweit für diesen Tag solche Gold-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Gold-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird.

Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1GC:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils [Ersten Liefertag] [Ersten Anzeigetag der Andienung (First Notice Day)] (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

["Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert).] "Erster Liefertag" ist derzeit der erste Börsentag (wie nachfolgend definiert) des betreffenden Kontraktmonats. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die [ersten Anzeigetage der Andienung oder die] ersten Liefertage ändern, so ändern sich die [Ersten Anzeigetage der Andienung oder die] Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und

- e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis

und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen]

nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen. § 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag die Gold-Future-Kurse aus anderen als in § 6 genannten Gründen nicht festgestellt werden.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse maßgeblich. Soweit für diesen Tag solche Gold-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Gold-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Gold-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird.

Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10]

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11]
Emission weiterer Optionsscheine/Rückkauf

Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1Sl:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Ersten Anzeigetag der Andienung (First Notice Day) (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert). "Erster Liefertag" ist derzeit der erste Börsentag der Quartalsmonate März, Juli, September und Dezember. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die ersten Anzeigetage der Andienung oder die ersten Liefertage ändern, so ändern sich die Ersten Anzeigetage der Andienung oder die Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis

und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen]

nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag die Silber-Future-Kurse aus anderen als in § 6 genannten Gründen nicht festgestellt werden.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Soweit für diesen Tag solche Silber-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Silber-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird.

Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. "Maßgeblicher Umrechnungszeitpunkt" ist, sofern der Referenzpreis am Ausübungstag bis einschließlich [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der Ausübungstag oder, sofern der Referenzpreis am Ausübungstag nach [14:00] [•] Uhr (Düsseldorfer Zeit) festgestellt wird, der auf den Ausübungstag folgende Bankarbeitstag (wie in § 4 Absatz (1) definiert).]

- a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite

veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.

- b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]
- Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des dann maßgeblichen Basiswerts dem dann maßgeblichen Basispreis entspricht oder diesen überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von • 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
 - Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen.

§ 2

Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) in der Zeit von 10:00 Uhr bis 11:00 Uhr, jeweils vormittags (Düsseldorfer Zeit) (die "Anpassungsfrist") angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt wird während der Anpassungsfrist der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem Anpassungskurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{neu}") und dem Anpassungskurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts (der "Anpassungskurs_{alt}"; "Anpassungskurs_{alt}" und "Anpassungskurs_{neu}" zusammen die "Anpassungskurse") angepasst, sofern der Anpassungskurs_{neu} höher ist als der Anpassungskurs_{alt}, oder
 - (ii) Subtraktion der Differenz zwischen dem Anpassungskurs_{alt} und dem Anpassungskurs_{neu} angepasst, sofern der Anpassungskurs_{alt} höher ist als der Anpassungskurs_{neu}.

"Anpassungskurse" bezeichnet die Kurse, die der Emittent auf Basis der von der Relevanten Referenzstelle festgestellten Kurse des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, wie sie auf der Bildschirmseite ["0#1Sl:", jeweils unter "last"] [●], der Publikationsstelle "[Refinitiv] [●]" (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Bildschirmseite einer anderen Publikationsstelle) (jeweils die "maßgebliche Bildschirmseite") veröffentlicht werden, während der Anpassungsfrist zeitgleich bestimmt und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen Anpassungskurse quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten Anpassungskurse.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: ●]** vor dem jeweils Ersten Anzeigetag der Andienung (First Notice Day) (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen Anpassungskurse (der "Future-Anpassungszeitpunkt").

"Erster Anzeigetag der Andienung" ist der Börsentag (wie nachfolgend definiert) vor dem ersten Liefertag (wie nachfolgend definiert). "Erster Liefertag" ist derzeit der erste Börsentag der Quartalsmonate März, Juli, September und Dezember. "Börsentag" ist ●.

Sollte die Relevante Referenzstelle die ersten Anzeigetage der Andienung oder die ersten Liefertage ändern, so ändern sich die Ersten Anzeigetage der Andienung oder die Ersten Liefertage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [•] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" •.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag
- a) eine schriftliche Erklärung (die "Ausübungserklärung") gegenüber dem Emittenten abgibt und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und

- e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis

und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen]

nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag die Silber-Future-Kurse aus anderen als in § 6 genannten Gründen nicht festgestellt werden.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, sind für die Berechnung des Einlösungsbetrags die nächsten nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so sind für die Berechnung des Einlösungsbetrags die an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse maßgeblich. Soweit für diesen Tag solche Silber-Future-Kurse nicht festgestellt werden, wird der Emittent die für die Berechnung des Einlösungsbetrags erforderlichen Silber-Future-Kurse nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Silber-Future-Kurse festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird.

Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10]

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgedresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11]
Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 9] [§ 10] bekannt gemacht.

[§ 12] [§ 13]

[§ 13] [§ 14]
Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt.

Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

- (2) Die Vorlegungsfrist gemäß § 801 Absatz (1) Satz 1 BGB für fällige Optionsscheine wird auf 10 Jahre abgekürzt. Die Vorlegung der Optionsscheine erfolgt durch Übertragung der jeweiligen Miteigentumsanteile an der entsprechenden Sammelurkunde auf das Konto des Emittenten bei Clearstream.]

§ 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich

nach Verfügbarkeit der in Absatz (3) beschriebenen "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der Geschäftstag in England und Wales, der dem 15. Kalendertag vor dem 1. Kalendertag des betreffenden Kontraktmonats vorausgeht, sofern dieser 15. Kalendertag ein Geschäftstag in England und Wales ist, andernfalls der unmittelbar vorausgehende Geschäftstag in England und Wales.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,

- b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den

nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag")

enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum

Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.

- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

(3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

(3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Kurs der Emissionswährung je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgeseite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird.  - b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. § 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich

nach Verfügbarkeit der in Absatz (3) beschriebenen "ICE Brent Crude Futures Singapore Marker - Singapore Brent MM"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der Geschäftstag in England und Wales, der dem 15. Kalendertag vor dem 1. Kalendertag des betreffenden Kontraktmonats vorausgeht, sofern dieser 15. Kalendertag ein Geschäftstag in England und Wales ist, andernfalls der unmittelbar vorausgehende Geschäftstag in England und Wales.

Sollte die Relevante Referenzstelle die letzten Handelstage ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,

- b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den

nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag")

enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum

Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und

- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.

§ 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen "ICE WTI Crude Futures - Singapore Marker"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der jeweils 4. US-Geschäftstag vor dem 25. Kalendertag eines Monats, der dem betreffenden Kontraktmonat vorausgeht. Sofern der 25. Kalendertag eines Monats kein US-Geschäftstag ist, ist der letzte Handelstag der 4. US-Geschäftstag vor dem letzten US-Geschäftstag vor dem 25. Kalendertag, der dem betreffenden Kontraktmonat vorausgeht. "US-Geschäftstag" ist jeder Tag, an dem die [New York Mercantile Exchange (NYMEX)] [●] für den Handel geöffnet ist.

Sollte die Relevante Referenzstelle die letzten Handelstage für die Maßgeblichen Basiswerte ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag

 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Optionsscheine auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,

- b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Optionsscheine, für die die Ausübung erfolgt,
 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Optionsscheine auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen

werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die

Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7

Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbeding und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.

- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

§ 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum (wie nachfolgend definiert), und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,

wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der "ICE WTI Crude Futures - Singapore Marker"-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der "ICE WTI Crude Futures - Singapore Marker"-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten "ICE WTI Crude Futures - Singapore Marker"-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkt einfügen: •]** vor dem jeweils Letzten Handelstag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen "ICE WTI Crude Futures - Singapore Marker"-Kurse (der "Future-Anpassungszeitpunkt").

"Letzter Handelstag" der Relevanten Referenzstelle für die Maßgeblichen Basiswerte ist derzeit der jeweils 4. US-Geschäftstag vor dem 25. Kalendertag eines Monats, der dem betreffenden Kontraktmonat vorausgeht. Sofern der 25. Kalendertag eines Monats kein US-Geschäftstag ist, ist der letzte Handelstag der 4. US-Geschäftstag vor dem letzten US-Geschäftstag vor dem 25. Kalendertag, der dem betreffenden Kontraktmonat vorausgeht. "US-Geschäftstag" ist jeder Tag, an dem die [New York Mercantile Exchange (NYMEX)] [•] für den Handel geöffnet ist.

Sollte die Relevante Referenzstelle die letzten Handelstage für die Maßgeblichen Basiswerte ändern, so ändern sich die Letzten Handelstage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende Änderung des Future-Anpassungszeitpunkts wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,

- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Optionsscheininhabers oder seines zur Ausübung Bevollmächtigten,

 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und Clearstream üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen

werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.

- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die

Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. § 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7

Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbeitreitender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.

- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

§ 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: ●**] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten"))] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum, (wie nachfolgend definiert) und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkte einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende

Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie nachfolgend definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden. Im Zusammenhang mit der Bestimmung des Ausübungstags ist "Bankarbeitstag" ●.
- [(2) Die Ausübung erfolgt, indem der Optionsscheininhaber rechtzeitig zu einem Ausübungstag

 - die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - den Ausübungstag, zu dem die Ausübung erfolgt, und
 - die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.

- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags]

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].
- (3) Mit Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Optionsscheinen.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind

zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag

(einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am

fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10] Bekanntmachungen

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11]

Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.
- (2) Der Emittent ist berechtigt, die Optionsscheine während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Optionsscheine wieder zu verkaufen oder einzuziehen.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. [§ 13] [§ 14]

Teilunwirksamkeit/Vorlegungsfrist, Verjährung

- (1) Sollte eine der Bestimmungen dieser Emissionsbedingungen ganz oder teilweise unwirksam oder undurchführbar sein oder werden, so werden hiervon die anderen Bestimmungen nicht beeinträchtigt. Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

(3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Optionsscheininhaber gezahlt. § 2 Basispreis/maßgeblicher Basiswert

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen:** ●] gemäß Absatz (2) sowie an jedem Future-Anpassungszeitpunkt (wie in Absatz (4) definiert) zusätzlich gemäß Absatz (3) [jeweils vor dem Handelsbeginn des Emittenten (derzeit ● Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten"))] angepasst. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne dieser Emissionsbedingungen entsprechend.] "Geschäftstag" im Sinne dieser Emissionsbedingungen ist ●.
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis abzüglich des Anpassungskurswerts (wie nachfolgend definiert) für den

Anpassungszeitraum, (wie nachfolgend definiert) und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.

Der bei einer Anpassung jeweils maßgebliche "Anpassungskurswert" wird nach folgender Formel errechnet:

Anpassungskurswert = Maßgeblicher Basispreis vor Anpassung multipliziert mit $(r \times t)$,
wobei

"r": die Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (3) An jedem Future-Anpassungszeitpunkt [vor dem Handelsbeginn des Emittenten] wird der bereits gemäß Absatz (2) angepasste maßgebliche Basispreis entweder durch
- (i) Addition der Differenz zwischen dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts, oder
 - (ii) Subtraktion der Differenz zwischen dem •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts und dem •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts angepasst, sofern der •-Kurs des bis zu diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts höher ist als der •-Kurs des ab diesem Future-Anpassungszeitpunkt maßgeblichen Basiswerts.

Sollten an einem Future-Anpassungszeitpunkt nicht beide für die Anpassung gemäß Absatz (3) (i) oder (ii) erforderlichen •-Kurse der maßgeblichen Basiswerte quotiert werden, so berechnet der Emittent die zu addierende bzw. zu subtrahierende Differenz nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und der letzten vor dem Future-Anpassungszeitpunkt festgestellten •-Kurse der maßgeblichen Basiswerte.

Die so von dem Emittenten berechnete Differenz ist, soweit nicht ein offensichtlicher Fehler vorliegt, für die Optionsscheininhaber und den Emittenten bindend.

- (4) Die Anpassung gemäß Absatz (3) erfolgt [2 Bankarbeitstage (wie in § 4 Absatz (1) definiert)] **[alternativen Anpassungszeitpunkte einfügen: •]** vor dem jeweils maßgeblichen Futurereferenztag (wie nachfolgend definiert) des maßgeblichen Basiswerts an der Relevanten Referenzstelle unverzüglich nach Verfügbarkeit der in Absatz (3) beschriebenen •-Kurse (der "Future-Anpassungszeitpunkt").

"Futurereferenztag" ist •.

Sollte die Relevante Referenzstelle die Futurereferenztage ändern, so ändern sich die Futurereferenztage im Sinne dieser Emissionsbedingungen entsprechend. Eine entsprechende

Änderung des Future-Anpassungszeitpunktes wird der Emittent umgehend gemäß [§ 9] [§ 10] bekannt machen.

- (5) Der jeweilige maßgebliche Basispreis und der jeweilige maßgebliche Basiswert werden unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 3

Verbriefung und Lieferung der Optionsscheine

- (1) Die Optionsscheine sind während ihrer gesamten Laufzeit in einem Inhaber-Sammeloptionsschein (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln der Hinterlegungsstelle und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit der Hinterlegungsstelle verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Optionsschein.

§ 4

 - c) die Anzahl der Optionsscheine, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 5 Absatz (1) für die Zahlung des Einlösungsbetrags.

Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

§ 5

- (1) Der Emittent wird dem Optionsscheininhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 7 in Verbindung mit § 6 den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. Im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] ist Bankarbeitstag jeder Tag (außer ein Samstag oder Sonntag), an dem die Banken in Düsseldorf und die Hinterlegungsstelle üblicherweise für den allgemeinen Geschäftsbetrieb geöffnet sind.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [erfolgt die Zahlung des Knock-out-Betrags an die Optionsscheininhaber über die Hinterlegungsstelle [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Tag, auf den das Knock-out-Ereignis fällt] [erlischt das Optionsrecht und die Wertpapiere verfallen wertlos].

- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags [bzw. des Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Optionsscheininhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an die Hinterlegungsstelle oder zu ihren Gunsten von seiner Zahlungspflicht befreit.

§ 6

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Terminkontrakte sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des betreffenden Referenzpreises sowie des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind

zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen.

- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder des Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder ein etwa bestimmter Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 9] [§ 10] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des maßgeblichen Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 9] [§ 10].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag

(einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]

- f) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- g) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 9] [§ 10] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 9] [§ 10] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 7

Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis des dann maßgeblichen Basiswerts aus anderen als in § 6 genannten Gründen nicht festgestellt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des maßgeblichen Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des dann maßgeblichen Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des maßgeblichen Basiswerts festsetzen. Die Festsetzung eines solchen Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

§ 8

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von ● (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 9] [§ 10] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens ● (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie § 7 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (●) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 6 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am

fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[§ 9 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 10 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 9 erneut.]

[§ 9] [§ 10] Bekanntmachungen

Alle die Optionsscheine betreffenden Bekanntmachungen erfolgen durch Veröffentlichung in einem überregionalen Pflichtblatt der Börse Düsseldorf AG, wenn nicht eine direkte Mitteilung an die Optionsscheininhaber erfolgt oder diese Emissionsbedingungen ausdrücklich eine andere Form der Mitteilung vorsehen. Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgedresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 10] [§ 11]

Emission weiterer Optionsscheine/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Optionsscheininhaber weitere Optionsscheine mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Optionsscheinen zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Optionsscheine" umfasst im Falle einer solchen Erhöhung auch solche zusätzlich begebenen Optionsscheine.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. a) Wenn [der Umrechnungskurs] [der EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] nicht mehr regelmäßig auf der vorgenannten Publikationsseite veröffentlicht [wird] [werden], wird der Emittent eine andere Publikationsseite der vorgenannten Publikationsstelle oder eine Publikationsseite einer anderen Publikationsstelle, auf der der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] regelmäßig veröffentlicht [wird] [werden], bestimmen.

b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. Währungsumrechnungskurses] [der von dem Emittenten ermittelte Ersatzkurs] [die von dem Emittenten ermittelten Ersatzkurse] (wie nachfolgend definiert) maßgeblich. Der [jeweilige] "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen festsetzt. Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

c) Die Umrechnung des Einlösungsbetrags je Optionsschein in die Emissionswährung erfolgt auf der Basis von ● Dezimalstellen (die "Anzahl Dezimalstellen für die Umrechnung"), wobei auf die ● Dezimalstelle (die "Anzahl Dezimalstellen für die Umrechnung") kaufmännisch gerundet wird.]]

(●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts dem maßgeblichen Basispreis entspricht oder diesen unterschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Optionsscheine mit dem Eintritt des Knock-out-Ereignisses. [In diesem Fall zahlt der Emittent dem Optionsscheininhaber einen Knock-out-Betrag in Höhe von ● 0,001 je Optionsschein (der "Knock-out-Betrag").] [In diesem Fall erlischt das Optionsrecht und die Wertpapiere verfallen wertlos.]

(●) Der Emittent wird den Eintritt des Knock-out-Ereignisses [zusammen mit dem zu zahlenden Knock-out-Betrag] unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlichen.

"t": Anzahl der tatsächlichen Tage im jeweiligen Anpassungszeitraum dividiert durch 360

bedeuten.

[(ii)] Die bei einer Anpassung jeweils maßgebliche "Dividendenadjustierung" wird nach folgender Formel errechnet:

bedeutet.]

"Anpassungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

[Anwendbar sofern keine Dividendenadjustierung vorgenommen wird:

Basispreises. Der sich nach der Dividendenanpassung beziehungsweise der außerordentlichen Anpassung ergebende Basispreis ist der dann maßgebliche Basispreis.]

[Anwendbar sofern eine Dividendenadjustierung vorgenommen wird:

- (3) Eine außerordentliche Anpassung gemäß § 6 des maßgeblichen Basispreises erfolgt auf Basis des am jeweiligen Stichtag der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. Effektive Optionsscheine werden nicht ausgegeben. Der Anspruch der Optionsscheininhaber auf Lieferung effektiver Optionsscheine ist ausgeschlossen.
- (2) Den Optionsscheininhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Hat der Emittent die Ausübungserklärung oder die Optionsscheine zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. § 6

Dividendenanpassung

Sofern eine Dividendenausschüttung bezogen auf eine im Basiswert enthaltene Aktie oder ein aktienähnliches oder aktienvertretendes Wertpapier (die "Indexkomponente") durch die betreffende Gesellschaft erfolgt und der Basiswert nicht durch die jeweilige Relevante Referenzstelle angepasst wird, bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz (unter Berücksichtigung der Gewichtung der jeweiligen Indexkomponente zum Stichtag) reduziert. [§ 6] [§ 7]

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 10] [§ 11] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 10] [§ 11] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.
- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 10] [§ 11].

- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (•) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 10] [§ 11] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 10] [§ 11] bekannt gemachten Nachfolgeadresse veröffentlichen. [§ 7][§ 8] Marktstörung

- (1) Eine Marktstörung liegt vor, wenn am Ausübungstag der Referenzpreis aus anderen als in [§ 6] [§ 7] genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Indexkomponenten an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Basiswertgewichtung betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Indexkomponente ermittelt wird.

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des [§ 6] [§ 7] ermitteln. "Börsentag" ist •.

[§ 8][§ 9]

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Optionsscheine insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Optionsscheininhabern im Falle der Kündigung zu zahlende Betrag je Optionsschein entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 5 Absätze (1), (3) und (4) sowie [§ 7] [§ 8] Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß [§ 6] [§ 7] (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags.

[[§ 9][§ 10]

Ersetzung des Emittenten

[§ 11] [§ 12] Emission weiterer Optionsscheine/Rückkauf

[§ 6] [§ 7] Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der Basiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 10] [§ 11] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Optionsscheine nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Optionsscheine durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung

Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Optionsscheininhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 10] [§ 11].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Optionsscheine erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Optionsscheine durch Bekanntmachung gemäß [§ 10] [§ 11] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Optionsscheinen erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis zum Kündigungstag (einschließlich) das Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 1 Absatz (●) ermittelten Knock-out-Betrag zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.]
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.

"Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Indexkomponente ermittelt wird.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags (wie nachfolgend definiert) beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des [§ 6] [§ 7] ermitteln. "Börsentag" ist •.

Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den Knock-out-Betrag gemäß § 1 Absatz (•) zahlen.] [In diesem Fall verfallen die Wertpapiere wertlos.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß [§ 6] [§ 7] (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Optionsschein dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Optionsscheins festgelegt wird. Eine Erstattung des für den Erwerb der Optionsscheine aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 Absatz (2) bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag"), sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle (der "Börsenschluss") vor dem Ablauf der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn an der Relevanten Referenzstelle (der "Börsenbeginn") am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß § 10 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist •.
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat,] und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

§ 3

Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) sowie im Falle einer Dividendenanpassung bzw. einer außerordentlichen Anpassung zusätzlich gemäß Absatz (4)

[jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie in Absatz (3) definiert) für den Finanzierungszeitraum und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.
- (3) Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit
 $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (4) Eine Dividendenanpassung gemäß § 8 bzw. eine außerordentliche Anpassung gemäß § 9 des Basispreises erfolgt auf Basis des am jeweiligen Stichtag der Dividendenanpassung bzw. der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. Der sich nach der Dividendenanpassung beziehungsweise der außerordentlichen Anpassung ergebende Basispreis ist der dann maßgebliche Basispreis.
- (5) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 4

Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag von dem Emittenten gemäß Absatz (2) jeweils vor dem Handelsbeginn des Emittenten] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgedresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch auf Lieferung effektiver Zertifikate ist ausgeschlossen.
- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. - [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig im Sinne von Absatz (4) Satz 2 zu einem Ausübungstag seine depotführende Bank anweist,
 - a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
 - a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist •.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen], nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Wertpapiere] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Dividendenanpassung

Im Falle von Dividendenausschüttungen bezogen auf den Basiswert durch die betreffende Gesellschaft bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz reduziert. "Bruttodividende" ist die von der Gesellschaft beschlossene Dividende (vor der Einbehaltung von Steuern an der Quelle). Stichtag im Sinne dieses Absatzes ist der erste Handelstag, an dem die [Aktien] [aktienähnlichen oder aktienvertretenden Wertpapiere] an der Relevanten Referenzstelle "ex Dividende" notiert werden.

Der Emittent ist im Falle von Dividendenausschüttungen berechtigt, sofern der Nettodividendenprozentsatz geringer ist als der maßgebliche Dividendenprozentsatz, den maßgeblichen Dividendenprozentsatz auf den Nettodividendenprozentsatz herabzusetzen. Der "Nettodividendenprozentsatz" ist 100% vermindert um den im Wege des Quellensteuerabzugs einbehaltenen Kapitalertragssteuersatzes des Staates in dem die Gesellschaft ihren Sitz hat, ohne Berücksichtigung etwa bestehender Doppelbesteuerungsabkommen, wie von der STOXX Limited als Prozentsatz unter der Internetadresse <http://www.stoxx.com/indices/taxes.html> oder einer gemäß nachfolgendem Absatz bekannt gemachten Nachfolgedresse der STOXX Limited oder einer anderen Publikationsstelle veröffentlicht.

Der Emittent wird die Anpassung des maßgeblichen Dividendenprozentsatzes sowie den Tag ihrer Wirksamkeit und eine etwaige Nachfolgedresse unverzüglich und ausschließlich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgedresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahmen.

[Anwendbar bei Wertpapieren bezogen auf Aktien:

In Bezug auf Basiswerte, die Aktien sind, sind die folgenden Bestimmungen anwendbar:

- a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz f) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der Aktien je Option an und liegt der Stichtag des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz d) mit Wirkung vom Stichtag (einschließlich) (wie in Absatz e) definiert) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").
- b) Wenn im Falle eines Anpassungsereignisses Optionskontrakte auf den Basiswert an der Relevanten Terminbörse nicht oder nicht mehr gehandelt werden, werden vorbehaltlich der Regelung gemäß Absatz d) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend den Regeln der Relevanten Terminbörse mit Wirkung zum Stichtag angepasst, wie es der Fall wäre, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden.
- c) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) und b) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- d) Der Emittent ergreift von Absatz a) und Absatz b) abweichende Anpassungsmaßnahmen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen ist, um die Zertifikatsinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift bzw. im Falle des Absatzes a) ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz g) bleibt hiervon unberührt.
- e) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.

Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. In Bezug auf Basiswerte, die aktienähnliche oder aktienvertretende Wertpapiere (wie beispielsweise Depositary Receipts ("DRs"), zusammen die "Aktienvertretenden Wertpapiere") sind, sind die folgenden Bestimmungen anwendbar:

- a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz g) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der jeweiligen Aktienvertretenden Wertpapiere je Option, an und liegt der Stichtag (wie in Absatz f) definiert) des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz e) mit Wirkung vom Stichtag (einschließlich) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").

§ 10 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
- a) am Ausübungstag der Referenzpreis (aus welchen Gründen auch immer) nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten in

der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist oder

- b) der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht festgestellt wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

§ 11

Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag zum Zeitpunkt des Kündigungstermins. § 7 Absätze (1), (3) und (4) sowie § 10 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 9 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 12

Ersetzung des Emittenten

- a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;

- b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 13 bekannt zu machen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
- a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

Zugleich wird der Emittent einen entsprechenden Hinweis unter der Internetadresse www.hsbc-zertifikate.de bzw. unter der gemäß Satz 1 bekannt gemachten Nachfolgeadresse veröffentlichen. Die Veröffentlichung im Internet ist nicht Voraussetzung für die Rechtswirksamkeit einer in einem überregionalen Pflichtblatt bekannt gemachten oder direkt mitgeteilten Willenserklärung.

[§ 13] [§ 14] Emission weiterer Zertifikate/Rückkauf

- (1) Der Emittent behält sich vor, von Zeit zu Zeit ohne Zustimmung der Zertifikatsinhaber weitere Zertifikate mit gleicher Ausstattung in der Weise zu begeben, dass sie mit den Zertifikaten zusammengefasst werden, eine einheitliche Emission mit ihnen bilden und ihre Gesamtstückzahl erhöhen. Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. Berichtigungen bzw. Ergänzungen der Emissionsbedingungen werden unverzüglich gemäß [§ 12] [§ 13] bekannt gemacht.

[§ 15] [§ 16]

- (3) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 Absatz (2) bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
- (4) Wenn während der Laufzeit der Zertifikate der maßgebliche Basispreis durch eine Dividendenanpassung gemäß § 3 Absatz (4) in Verbindung mit § 8 oder eine außerordentliche Anpassung gemäß § 3 Absatz (4) in Verbindung mit § 9 kleiner oder gleich null wird (das "außerordentliche Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des außerordentlichen Knock-out-Ereignisses. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses/ Berechnung des außerordentlichen Knock-out-Betrags bei Eintritt des außerordentlichen Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle (der "Börsenschluss") vor dem Ablauf der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn an der Relevanten Referenzstelle (der "Börsenbeginn") am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß § 10 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist •.
- (2) Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz, um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je

[(3) Der außerordentliche Knock-out-Betrag beträgt • 0,001 je Zertifikat.]

§ 3 Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) sowie im Falle einer Dividendenanpassung bzw. einer außerordentlichen Anpassung zusätzlich gemäß Absatz (4) [jeweils vor dem Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")]] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]
- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie in Absatz (3) definiert) für den Finanzierungszeitraum und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.
- (3) Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit
 $(r \times t)$,

wobei

"r": r-Zinssatz, abzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

Der sich nach der Dividendenanpassung beziehungsweise der außerordentlichen Anpassung ergebende Basispreis ist vorbehaltlich § 1 Absatz (4) der dann maßgebliche Basispreis.
- (5) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag von dem Emittenten gemäß Absatz (2) jeweils vor dem Handelsbeginn des Emittenten] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [•] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis oder das außerordentliche Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag [, sofern sich ein Knock-out-Betrag errechnet] [bzw. außerordentlichen Knock-out-Betrag] zahlen.

§ 7

Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags bzw. des außerordentlichen Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Ausübungstag den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist •.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen], nach dem Tag, auf den das Ende der Auflösungsfrist fällt. [Sofern sich kein Knock-out-Betrag errechnet, verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Im Falle des außerordentlichen Knock-out-Ereignisses [erfolgt die Zahlung des außerordentlichen Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen], nach dem Tag, an dem das außerordentliche Knock-out-Ereignis eintritt.] [verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- (3) Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. des außerordentlichen Knock-out-Betrags] [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. des außerordentlichen Knock-out-Betrags] anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. § 8

Dividendenanpassung

Im Falle von Dividendenausschüttungen bezogen auf den Basiswert durch die betreffende Gesellschaft bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz reduziert. "Bruttodividende" ist die von der Gesellschaft beschlossene Dividende (vor der Einbehaltung von Steuern an der Quelle). Stichtag im Sinne dieses Absatzes ist der erste Handelstag, an dem die [Aktien]

[aktienähnlichen oder aktienvertretenden Wertpapiere] an der Relevanten Referenzstelle "ex Dividende" notiert werden.

§ 9 Anpassungen/außerordentliche Kündigung

[Anwendbar bei Wertpapieren bezogen auf Aktien:

In Bezug auf Basiswerte, die Aktien sind, sind die folgenden Bestimmungen anwendbar:

- a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz f) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der Aktien je Option an und liegt der Stichtag des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz d) mit Wirkung vom Stichtag (einschließlich) (wie in Absatz e) definiert) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").
- b) Wenn im Falle eines Anpassungsereignisses Optionskontrakte auf den Basiswert an der Relevanten Terminbörse nicht oder nicht mehr gehandelt werden, werden vorbehaltlich der Regelung gemäß Absatz d) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend den Regeln der Relevanten Terminbörse mit Wirkung zum Stichtag angepasst, wie es der Fall wäre, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden.
- c) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) und b) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- d) Der Emittent ergreift von Absatz a) und Absatz b) abweichende Anpassungsmaßnahmen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen ist, um die Zertifikatsinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift bzw. im Falle des Absatzes a) ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz g) bleibt hiervon unberührt.
- e) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.
- f) Ein "Anpassungsereignis" im Sinne dieser Emissionsbedingungen ist der Eintritt eines der nachstehend aufgezählten Ereignisse bezogen auf den Basiswert.
 - (i) Kapitalerhöhung durch Emission neuer Aktien gegen Einlagen unter Einräumung eines Bezugsrechts an die Aktionäre;
 - (ii) Kapitalerhöhung aus Gesellschaftsmitteln;
 - (iii) Emission von Wertpapieren durch eine Gesellschaft mit Options- oder Wandelrechten auf Aktien dieser Gesellschaft;
 - (iv) Aktiensplit;
 - (v) Kapitalherabsetzung durch Zusammenlegung von Aktien oder durch Einziehung von Aktien;
 - (vi) Ausschüttungen, die von der Relevanten Terminbörse als Sonderdividenden behandelt werden;
 - (vii) endgültige Einstellung der Börsennotierung der Aktien aufgrund einer Verschmelzung durch Aufnahme oder Neugründung oder aufgrund einer Übernahme der Gesellschaft oder aus einem sonstigen Grund;
 - (viii) Verschmelzung der Gesellschaft im Wege der Aufnahme, bei der die Gesellschaft nicht die übernehmende Gesellschaft ist;

- (ix) Gattungsänderung;
 - (x) Umwandlung im Wege der Neugründung (Ausgliederung) und bei jedem sonstigen Vorgang (beispielsweise Spaltung, Vermögensübertragung, Eingliederung, Umstrukturierung, Formwechsel oder Aktienumtausch), durch den oder auf Grund dessen sämtliche Aktien der Gesellschaft endgültig untergehen, übertragen werden, zu übertragen sind oder in ihrer Gattung oder Rechtsnatur verändert werden;
 - (xi) Verstaatlichung;
 - (xii) Übernahmeangebot sowie
 - (xiii) jedes andere vergleichbare Ereignis, das einen Konzentrations-, Verwässerungs- oder sonstigen Effekt auf den rechnerischen Kurs des Basiswerts haben kann.
- g) Ist nach Ansicht der Relevanten Terminbörse oder des Emittenten eine sachgerechte Anpassungsmaßnahme aus welchen Gründen auch immer nicht möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen, sofern sich ein Knock-out-Betrag errechnet. Im Fall des außerordentlichen Knock-out-Ereignisses verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]

[Anwendbar bei Wertpapieren bezogen auf DRs bzw. anderen aktienähnlichen oder aktienvertretenden Wertpapieren:

In Bezug auf Basiswerte, die aktienähnliche oder aktienvertretende Wertpapiere (wie beispielsweise Depositary Receipts ("DRs"), zusammen die "Aktienvertretenden Wertpapiere") sind, sind die folgenden Bestimmungen anwendbar:

- a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz g) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der jeweiligen Aktienvertretenden Wertpapiere je Option, an und liegt der Stichtag (wie in Absatz f) definiert) des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz e) mit Wirkung vom Stichtag (einschließlich) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").
- b) Wenn im Falle eines Anpassungsereignisses Optionskontrakte auf den Basiswert an der Relevanten Terminbörse nicht oder nicht mehr gehandelt werden, werden (vorbehaltlich der Regelung gemäß Absatz e)) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend den Regeln der Relevanten Terminbörse mit Wirkung zum Stichtag angepasst, wie es der Fall wäre, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden.
- c) Werden die Aktienvertretenden Wertpapiere, die Basiswerte sind, im Falle eines Anpassungsereignisses wie in Absatz g) beschrieben angepasst, ohne dass die Relevante Terminbörse Anpassungen vornimmt bzw. vornehmen würde, wenn Optionskontrakte auf den Basiswert an der Relevanten Terminbörse gehandelt werden würden, ist der Emittent, wenn der Stichtag vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag fällt, berechtigt, aber nicht verpflichtet, das Bezugsverhältnis und den maßgeblichen Basispreis entsprechend nach billigem Ermessen mit Wirkung zum Stichtag (einschließlich) an anzupassen.
- d) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) bis c) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.
- e) Der Emittent kann von Absatz a) bis c) abweichende Anpassungsmaßnahmen ergreifen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen erscheint, um die Wertpapierinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn ein Anpassungsereignis bezüglich einer unterliegenden Aktie (wie in Absatz g) definiert) vorliegt und der Emittent des Basiswerts keine Anpassungsmaßnahmen ergreift und die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift oder ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz h) bleibt hiervon unberührt.
- f) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.
- g) Ein "Anpassungsereignis" im Sinne dieser Emissionsbedingungen ist der Eintritt eines der nachstehend aufgezählten Ereignisse bezogen auf den Basiswert oder auf die dem Basiswert zugrunde liegenden Aktien (die "unterliegenden Aktien"). Für die Zwecke dieses Absatzes umfasst der Begriff Aktien auch die unterliegenden Aktien.
- (i) Änderung der Bedingungen der Aktienvertretenden Wertpapiere durch den Emittenten der jeweiligen Aktienvertretenden Wertpapiere;
 - (ii) Einstellung der Börsennotierung des Basiswerts oder einer unterliegenden Aktien an der jeweiligen Heimatbörse;
 - (iii) Insolvenz des Emittenten der Aktienvertretenden Wertpapiere;
 - (iv) Ende der Laufzeit der Aktienvertretenden Wertpapiere durch Kündigung durch den Emittenten der Aktienvertretenden Wertpapiere oder aus sonstigem Grund;
 - (v) Kapitalerhöhung durch Emission neuer Aktien gegen Einlagen unter Einräumung eines Bezugsrechts an die Aktionäre;
 - (vi) Kapitalerhöhung aus Gesellschaftsmitteln;
 - (vii) Emission von Wertpapieren mit Options- oder Wandelrechten auf Aktien;

- (vii) Aktiensplit;
 - (ix) Kapitalherabsetzung durch Zusammenlegung oder durch Einziehung von Aktien;
 - (x) Ausschüttungen, die von der Relevanten Terminbörse als Sonderdividenden behandelt werden;
 - (xi) endgültige Einstellung der Börsennotierung der Aktien aufgrund einer Verschmelzung durch Aufnahme oder Neugründung oder aufgrund einer Übernahme der Gesellschaft der Aktien oder aus einem sonstigen Grund;
 - (xii) Verschmelzung der Gesellschaft im Wege der Aufnahme, bei der die Gesellschaft nicht die übernehmende Gesellschaft ist;
 - (xiii) Gattungsänderung;
 - (xiv) Umwandlung im Wege der Neugründung (Ausgliederung) und bei jedem sonstigen Vorgang (beispielsweise Spaltung, Vermögensübertragung, Eingliederung, Umstrukturierung, Formwechsel oder Aktienumtausch), durch den oder auf Grund dessen sämtliche Aktien der Gesellschaft endgültig untergehen, übertragen werden, zu übertragen sind oder in ihrer Gattung oder Rechtsnatur verändert werden;
 - (xv) Verstaatlichung;
 - (xvi) Übernahmeangebot sowie
 - (xvii) jedes andere vergleichbare Ereignis, das einen Konzentrations-, Verwässerungs- oder sonstigen Effekt auf den rechnerischen Kurs des Basiswerts haben kann und aufgrund dessen (a) der Emittent des Basiswerts Anpassungen der Aktienvertretenden Wertpapiere vornimmt oder (b) die Relevante Terminbörse eine Anpassung der Optionskontrakte auf die Aktienvertretenden Wertpapiere vornimmt bzw. vornehmen würde, wenn Optionskontrakte auf die Aktienvertretenden Wertpapiere an der Relevanten Terminbörse gehandelt werden würden.
- h) Werden oder wurden die Aktienvertretenden Wertpapiere, die Basiswerte sind, im Falle eines Anpassungsereignisses, wie in Absatz g) beschrieben, nach Ansicht des Emittenten aus welchen Gründen auch immer nicht sachgerecht angepasst und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtungen aus der Begebung der Wertpapiere erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Wertpapiere durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Wertpapier dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Wertpapiers festgelegt wird. Eine Erstattung des für den Erwerb der Wertpapiere aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Wertpapieren erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen, sofern sich ein Knock-out-Betrag errechnet. Im Fall des außerordentlichen Knock-out-Ereignisses verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.]
- i) Die Berechnung der angepassten Werte erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

- j) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 12] [§ 13] bekanntmachen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlichen. § 10 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
- a) am Ausübungstag der Referenzpreis (aus welchen Gründen auch immer) nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist oder
 - b) der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht festgestellt wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

§ 11 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag zum Zeitpunkt des Kündigungstermins. § 7 Absätze (1), (3) und (4) sowie § 10 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen, sofern sich ein Knock-out-Betrag errechnet. Im Fall des außerordentlichen Knock-out-Ereignisses verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag.] Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 9 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je

Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 12 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:
 - a) der Neue Emittent alle Verpflichtungen des Emittenten aus und im Zusammenhang mit den Wertpapieren übernimmt und, sofern eine Zustellung an den Neuen Emittenten außerhalb der Bundesrepublik Deutschland erfolgen müsste, einen Zustellungsbevollmächtigten in der Bundesrepublik Deutschland bestellt;
 - b) der Emittent und der Neue Emittent alle erforderlichen Genehmigungen und Zustimmungen für die Ersetzung und die Erfüllung der Verpflichtungen aus und im Zusammenhang mit den Wertpapieren erhalten haben und berechtigt sind, an Clearstream die zur Erfüllung der Zahlungsverpflichtungen aus den Wertpapieren zahlbaren Beträge zu zahlen, ohne verpflichtet zu sein, jeweils in dem Land, in dem der Emittent oder der Neue Emittent seinen Sitz oder Steuersitz hat, erhobene Steuern oder andere Abgaben jeder Art abzuziehen oder einzubehalten;
 - c) der Neue Emittent sich verpflichtet hat, jeden Wertpapierinhaber hinsichtlich solcher Steuern oder Abgaben freizustellen, die einem Wertpapierinhaber als Folge der Ersetzung auferlegt werden; und
 - d) der Emittent unbedingt und unwiderruflich die Verbindlichkeiten des Neuen Emittenten aus den Wertpapieren zu Bedingungen garantiert, die sicherstellen, dass jeder Wertpapierinhaber wirtschaftlich nicht schlechter gestellt wird, als er ohne die Ersetzung stehen würde.
- (2) Jede Ersetzung ist unverzüglich gemäß § 13 bekannt zu machen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und
 - b) jede Bezugnahme auf das Land des Emittenten ab diesem Zeitpunkt als Bezugnahme auf das Land, in dem der Neue Emittent seinen Sitz hat oder, falls abweichend, für Steuerzwecke als ansässig gilt.
- (4) Im Falle einer Ersetzung ist der Emittent berechtigt, die Sammelurkunde und die Emissionsbedingungen ohne Zustimmung der Wertpapierinhaber anzupassen, soweit dies erforderlich ist, um die Wirkungen der Ersetzung nachzuvollziehen. Entsprechend angepasste Sammelurkunden oder Emissionsbedingungen werden bei Clearstream hinterlegt.
- (5) Nach Ersetzung des Emittenten durch den Neuen Emittenten gilt dieser § 12 erneut.]

Der Begriff "Zertifikate" umfasst im Fall einer solchen Erhöhung auch solche zusätzlich begebenen Zertifikate.
- (2) Der Emittent ist berechtigt, die Zertifikate während ihrer Laufzeit jederzeit und insbesondere ohne öffentliche Bekanntmachung im Markt oder auf andere Weise zurückzukaufen und angekaufte Zertifikate wieder zu verkaufen oder einzuziehen.

[§ 14] [§ 15]

Ergänzungen zulässig sind, die unter Berücksichtigung der Interessen des Emittenten für die Wertpapierinhaber zumutbar sind, das heißt deren aus den Wertpapieren resultierende finanzielle Position nicht wesentlich beeinflussen. [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [●] (die "Publikationsseite") [von Refinitiv] [●] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb von 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte")

möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle (der "Börsenschluss") vor dem Ablauf der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn an der Relevanten Referenzstelle (der "Börsenbeginn") am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß § 10 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). - (3) Der Knock-out-Betrag je Zertifikat wird in der [Fremdwährung] [EUR] ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Multiplikation des Knock-out-Betrags mit dem Umrechnungskurs (wie nachfolgend definiert).  $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (4) Eine Dividendenanpassung gemäß § 8 bzw. eine außerordentliche Anpassung gemäß § 9 des Basispreises erfolgt auf Basis des am jeweiligen Stichtag der Dividendenanpassung bzw. der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. Der sich nach der Dividendenanpassung beziehungsweise der außerordentlichen Anpassung ergebende Basispreis ist der dann maßgebliche Basispreis.
- (5) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

§ 5

- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können.  - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.

- (4) Die zugegangene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugegangen und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugegangene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag den auf die gesamte Stückzahl der Ausübung entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist ●.
- (2) Im Falle des Eintritts des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen], nach dem Tag, auf den das Ende der Auflösungsfrist fällt. - (3) Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Dividendenanpassung

Im Falle von Dividendenausschüttungen bezogen auf den Basiswert durch die betreffende Gesellschaft bleibt das Bezugsverhältnis unverändert und der dann maßgebliche Basispreis wird mit Wirkung zum Stichtag (einschließlich) um die Bruttodividende multipliziert mit dem maßgeblichen Dividendenprozentsatz reduziert. "Bruttodividende" ist die von der Gesellschaft beschlossene Dividende (vor der Einbehaltung von Steuern an der Quelle). Stichtag im Sinne dieses Absatzes ist der erste Handelstag, an dem die [Aktien] [aktienähnlichen oder aktienvertretenden Wertpapiere] an der Relevanten Referenzstelle "ex Dividende" notiert werden.

Der Emittent ist im Falle von Dividendenausschüttungen berechtigt, sofern der Nettodividendenprozentsatz geringer ist als der maßgebliche Dividendenprozentsatz, den maßgeblichen Dividendenprozentsatz auf den Nettodividendenprozentsatz herabzusetzen. Der Emittent wird die Anpassung des maßgeblichen Dividendenprozentsatzes sowie den Tag ihrer Wirksamkeit und eine etwaige Nachfolgeadresse unverzüglich und ausschließlich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 12] [§ 13] bekannt gemachten Nachfolgeadresse

veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahmen.

- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht festgestellt wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

Im Falle einer Marktstörung gemäß § 10 Absatz (1) b) verlängert sich die Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist •.

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

(4) Eine Dividendenanpassung gemäß § 8 bzw. eine außerordentliche Anpassung gemäß § 9 des Basispreises erfolgt auf Basis des am jeweiligen Stichtag der Dividendenanpassung bzw. der außerordentlichen Anpassung bereits gemäß Absatz (2) angepassten maßgeblichen Basispreises. - (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. - c) Anpassungsmaßnahmen gemäß den vorstehenden Absätzen a) und b) werden durch den Emittenten vorgenommen und sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- d) Der Emittent ergreift von Absatz a) und Absatz b) abweichende Anpassungsmaßnahmen, wenn und soweit dies nach billigem Ermessen des Emittenten erforderlich und angemessen ist, um die Zertifikatsinhaber wirtschaftlich so zu stellen, wie sie unmittelbar vor dem Anpassungsereignis standen. Der vorstehende Satz gilt entsprechend, wenn die Relevante Terminbörse keine Anpassungsmaßnahmen ergreift bzw. im Falle des Absatzes a) ergreifen würde. Das Kündigungsrecht des Emittenten gemäß Absatz g) bleibt hiervon unberührt.
- e) "Stichtag" ist der erste Handelstag an der Relevanten Terminbörse, an dem die Anpassung der Optionskontrakte wirksam wird bzw. im Falle des Absatzes b) wirksam werden würde.

- g) Ist nach Ansicht der Relevanten Terminbörse oder des Emittenten eine sachgerechte Anpassungsmaßnahme aus welchen Gründen auch immer nicht möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. - a) Passt die Relevante Terminbörse im Falle eines Anpassungsereignisses (wie in Absatz g) definiert) bei den an ihr gehandelten Optionskontrakten auf den Basiswert den Basispreis oder die Anzahl der jeweiligen Aktienvertretenden Wertpapiere je Option, an und liegt der Stichtag (wie in Absatz f) definiert) des Anpassungsereignisses vor dem Zeitpunkt der Feststellung des Referenzpreises am betreffenden Ausübungstag, so werden vorbehaltlich der Regelung gemäß Absatz e) mit Wirkung vom Stichtag (einschließlich) das Bezugsverhältnis und der maßgebliche Basispreis entsprechend angepasst (die "Anpassungsmaßnahme").

- h) Werden oder wurden die Aktienvertretenden Wertpapiere, die Basiswerte sind, im Falle eines Anpassungsereignisses, wie in Absatz g) beschrieben, nach Ansicht des Emittenten aus welchen Gründen auch immer nicht sachgerecht angepasst und/oder sollte der Emittent feststellen, dass er aufgrund der Anpassungsmaßnahme nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtungen aus der Begebung der Wertpapiere erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Wertpapiere durch Bekanntmachung gemäß [§ 12] [§ 13] zu kündigen. § 10 Marktstörung/Ersatzkurs

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis (aus welchen Gründen auch immer) nicht festgestellt wird oder der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist oder
 - b) der Handel in dem Basiswert an der Relevanten Referenzstelle oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Optionskontrakten während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist und nach Ermessen des Emittenten die Aussetzung und Einschränkung hinsichtlich der Feststellung wesentlich ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Bankarbeitstags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Bankarbeitstag an der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts oder, falls ein solcher Kurs nicht festgestellt wird, der von dem Emittenten ermittelte Ersatzkurs (wie nachfolgend definiert) maßgeblich. Der "Ersatzkurs" entspricht dem Kurs, den der Emittent nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage und des letzten vor der Marktstörung von der Relevanten Referenzstelle festgestellten Kurses des Basiswerts festsetzt. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.

Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis oder außerordentliche Knock-out-Ereignis eintritt. [In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag bzw. außerordentlichen Knock-out-Betrag zahlen.] [Im Fall eines Knock-out-Ereignisses wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen, sofern sich ein Knock-

Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

 - b) [Wird] [Werden] der [Umrechnungskurs] [EUR-Umrechnungskurs und/oder Währungsumrechnungskurs] (aus welchen Gründen auch immer) am Maßgeblichen Umrechnungszeitpunkt nicht veröffentlicht, [ist] [sind] für die Feststellung des [Umrechnungskurses] [EUR-Umrechnungskurses bzw. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 Absatz (2) bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag")], sofern sich ein Knock-out-Betrag errechnet. § 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle vor dem Ende der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die

Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist •.

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der in der [Fremdwährung] [Emissionswährung] ausgedrückten Differenz (wobei 1 Indexpunkt 1 • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis überschreitet[, jedoch mindestens • 0,001 je Zertifikat,] und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht überschreitet, verfallen die Zertifikate wertlos.]

- (3) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgeseite des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["Ask"] [•] aufgeführt]. § 3 Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] [**Alternativen Anpassungszeitpunkt einfügen: •**] gemäß Absatz (2) [jeweils vor dem

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie in Absatz (3) definiert) für den Finanzierungszeitraum und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.
- (3) Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit
 $(r \times t)$,

wobei

"r": r-Zinssatz, zuzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (4) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag von dem Emittenten gemäß Absatz (2) jeweils vor dem Handelsbeginn des Emittenten] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch auf Lieferung effektiver Zertifikate ist ausgeschlossen.

- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie in § 7 Absatz (1) definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,

 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der maßgebliche Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der maßgebliche Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere maßgebliche Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den

Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag [, sofern sich ein Knock-out-Betrag errechnet] zahlen.
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen

sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlichen. Diese Veröffentlichung ist nicht Voraussetzung für die Rechtswirksamkeit der entsprechenden Anpassungsmaßnahme.]

§ 9 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des Basiswerts aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung des Basiswerts betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird, oder
 - b) der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse, sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung im Basiswert betroffen ist, oder der Handel von auf den Index bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 8 ermitteln.

§ 10 Ordentliches Kündigungsrecht des Emittenten

Der Emittent ist berechtigt, die Zertifikate insgesamt, aber nicht teilweise, mit einer Frist von • (die "Kündigungsfrist") mit Wirkung zu einem Ausübungstag durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Der Emittent darf sein Kündigungsrecht frühestens • (die "früheste Kündigungsmöglichkeit") ausüben. Der den Zertifikatsinhabern im Falle der Kündigung zu zahlende Betrag je Zertifikat entspricht dem gemäß § 1 Absatz (2) ermittelten Einlösungsbetrag. § 7 Absätze (1), (3) und (4) sowie § 9 Absatz (2) gelten entsprechend. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zum Tag, an dem die Kündigung wirksam würde, das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Eine erklärte Kündigung im Sinne dieses Absatzes gilt ebenfalls als nicht erfolgt, wenn bis einschließlich zu dem Tag, an dem die Kündigung wirksam werden würde, eine erklärte Kündigung gemäß § 8 (die "außerordentliche Kündigung") wirksam geworden ist. Im Falle einer solchen außerordentlichen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung

erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags.

[§ 11 Ersetzung des Emittenten

- (1) Der Emittent ist jederzeit berechtigt, sofern er sich nicht mit einer Verpflichtung aus den Wertpapieren in Verzug befindet, ohne Zustimmung der Wertpapierinhaber eine andere Gesellschaft an seine Stelle als neuer Emittent (der "Neue Emittent") für alle Rechte und Verpflichtungen aus und im Zusammenhang mit den Wertpapieren mit schuldbefreiender Wirkung für den Emittenten einzusetzen (jeweils eine "Ersetzung"), vorausgesetzt, dass:

- (2) Jede Ersetzung ist unverzüglich gemäß § 12 bekanntzumachen und für die Wertpapierinhaber bindend. Mit der Bekanntmachung der Ersetzung wird die Ersetzung wirksam und der Emittent und im Falle einer wiederholten Ersetzung jeder frühere Neue Emittent von sämtlichen Verpflichtungen aus den Wertpapieren frei.
- (3) Im Falle einer Ersetzung gilt:
 - a) jede Bezugnahme in diesen Emissionsbedingungen auf den Emittenten ab dem Zeitpunkt der Ersetzung als Bezugnahme auf den Neuen Emittenten; und

Eine durch die Unwirksamkeit oder Undurchführbarkeit einer Bestimmung dieser Emissionsbedingungen etwa entstehende Lücke ist im Wege der ergänzenden Vertragsauslegung unter Berücksichtigung der Interessen der Beteiligten sinngemäß auszufüllen.

Die Berechnung des Einlösungsbetrags je Zertifikat erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für den Einlösungsbetrag"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Einlösungsbetrag") kaufmännisch gerundet wird.

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt durch Division des Fremdwährungsbetrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts ≠ EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Fremdwährungsbetrags in die Emissionswährung erfolgt zunächst durch Division des Fremdwährungsbetrags durch den EUR-Umrechnungskurs (wie nachfolgend definiert). Der "EUR-Umrechnungskurs" entspricht hierbei dem Fremdwährungs-Kurs je 1 EUR am Maßgeblichen Umrechnungszeitpunkt (wie nachfolgend definiert), wie er auf [der Internetseite <https://www.refinitiv.com/en/financial-data/financial-benchmarks/wm-refinitiv-fx-benchmarks> unter 2pm CET Fix] [•] (die "Publikationsseite") [von Refinitiv] [•] (die "Publikationsstelle") (oder einer etwaigen Nachfolgesite der vorgenannten Publikationsstelle oder einer Publikationsseite einer anderen Publikationsstelle) veröffentlicht wird. [Währung des Basiswerts = EUR, Emissionswährung ≠ EUR:

- (3) Der Einlösungsbetrag wird in EUR ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Einlösungsbetrags in die Emissionswährung erfolgt durch Multiplikation des Einlösungsbetrags mit dem Umrechnungskurs (wie nachfolgend

definiert). Dieser Ersatzkurs soll nach der vernünftigen kaufmännischen Beurteilung des Emittenten die zu diesem Zeitpunkt herrschenden Marktverhältnisse widerspiegeln, zu dem im Devisen-Interbanken-Handel Geschäfte getätigt werden. Die Festsetzung eines Ersatzkurses ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Wertpapierinhaber bindend.

- (●) Wenn zu irgendeinem Zeitpunkt ab dem Knock-out-Fristbeginn (einschließlich) ein von der Relevanten Referenzstelle festgestellter Kurs des Basiswerts der dann maßgeblichen Knock-out-Barriere entspricht oder diese überschreitet (das "Knock-out-Ereignis"), endet die Laufzeit der Zertifikate mit dem Eintritt des Knock-out-Ereignisses. In diesem Fall zahlt der Emittent dem Zertifikatsinhaber einen gemäß § 2 Absatz (2) bestimmten Knock-out-Betrag je Zertifikat (der "Knock-out-Betrag") [, sofern sich ein Knock-out-Betrag errechnet. Andernfalls verfallen die Zertifikate wertlos und der Emittent zahlt dem Zertifikatsinhaber keinen Knock-out-Betrag].
- (●) Der Emittent wird den Eintritt des Knock-out-Ereignisses zusammen mit dem [gegebenenfalls] zu zahlenden Knock-out-Betrag unverzüglich unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgedresse veröffentlichen.

§ 2

Berechnung des Knock-out-Betrags bei Eintritt des Knock-out-Ereignisses

- (1) Der Emittent wird nach Eintritt des Knock-out-Ereignisses innerhalb 60 Minuten (die "Auflösungsfrist") die von ihm zur Absicherung seiner Zahlungsverpflichtung aus den Zertifikaten nach eigenem Ermessen abgeschlossenen Sicherungsgeschäfte (die "Sicherungsgeschäfte") möglichst marktschonend auflösen. Für den Fall, dass der offizielle Börsen- bzw. Handelsschluss der Relevanten Referenzstelle vor dem Ende der Auflösungsfrist liegt, endet die Auflösungsfrist mit Ablauf der verbleibenden Zeit nach Börsen-/Handelsbeginn am nächsten Börsentag (wie nachfolgend definiert). Im Falle einer Marktstörung gemäß § 9 Absatz (1) b) verlängert sich die

Auflösungsfrist um die Dauer der Marktstörung. Aus den aus der Auflösung der Sicherungsgeschäfte erzielten Abrechnungskursen ermittelt der Emittent einen gewichteten Durchschnittskurs, der auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Auflösungskurs") kaufmännisch gerundet wird (der "Auflösungskurs"). "Börsentag" ist •.

- (2) Der Knock-out-Betrag je Zertifikat entspricht dem Produkt aus dem Bezugsverhältnis und der in der Emissionswährung ausgedrückten Differenz (wobei 1 Indexpunkt 1 • entspricht), um die der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis unterschreitet[, jedoch mindestens • 0,001 je Zertifikat,] und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für den Knock-out-Betrag") kaufmännisch gerundet. [Sofern der Auflösungskurs den am Tag des Knock-out-Ereignisses maßgeblichen Basispreis nicht unterschreitet, verfallen die Zertifikate wertlos.]

[mit Währungsumrechnung: [Währung des Basiswerts ≠ EUR, Emissionswährung = EUR:

- (3) Der Knock-out-Betrag je Zertifikat wird in der Fremdwährung ermittelt und nach der Umrechnung in die Emissionswährung an die Zertifikatsinhaber gezahlt. Die Umrechnung des Knock-out-Betrags in die Emissionswährung erfolgt durch Division des Knock-out-Betrags durch den Umrechnungskurs (wie nachfolgend definiert). Der "Umrechnungskurs" im Sinne dieses Absatzes (3) entspricht hierbei dem unverzüglich nach Ermittlung des Auflösungskurses auf der Bildschirmseite ["EUR=EBS"] [•] [von Refinitiv] [•] (oder einer etwaigen Nachfolgeside des vorgenannten Informationsdienstleisters oder einer Bildschirmseite eines anderen Informationsdienstleisters) veröffentlichten [Brief] [•]-Kurs[, derzeit unter ["Ask"] [•] aufgeführt]. Sofern ein solcher Kurs nicht mehr auf der vorgenannten Bildschirmseite aufgeführt werden sollte, wird der Emittent den Umrechnungskurs im Sinne dieses Absatzes (3) nach billigem Ermessen und unter Berücksichtigung der allgemeinen Marktlage festlegen. Wenn die •-Kurse nicht mehr regelmäßig auf der vorgenannten Bildschirmseite veröffentlicht werden, wird der Emittent eine andere Bildschirmseite des vorgenannten Informationsdienstleisters oder eine Bildschirmseite eines anderen Informationsdienstleisters, auf der die •-Kurse regelmäßig veröffentlicht werden, bestimmen.]

§ 3 Basispreis

- (1) Der maßgebliche Basispreis wird [an jedem Geschäftstag (wie nachfolgend definiert) von dem Emittenten] [zu Beginn eines jeden Geschäftstags (wie nachfolgend definiert) von dem Emittenten] **[Alternativen Anpassungszeitpunkt einfügen: •]** gemäß Absatz (2) [jeweils vor dem

Handelsbeginn des Emittenten (derzeit • Uhr (Düsseldorfer Zeit)) (der "Handelsbeginn des Emittenten")]] angepasst. "Geschäftstag" im Sinne dieser Emissionsbedingungen ist •. [Sollte sich der Handelsbeginn des Emittenten ändern, so ändert sich der Handelsbeginn im Sinne der Emissionsbedingungen entsprechend.]

- (2) Der maßgebliche Basispreis entspricht dem letzten vor der jeweiligen Anpassung festgestellten maßgeblichen Basispreis zuzüglich der Finanzierungskosten (wie in Absatz (3) definiert) für den Finanzierungszeitraum und wird auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet.
- (3) Die bei einer Anpassung jeweils maßgeblichen "Finanzierungskosten" werden nach folgender Formel errechnet:

Finanzierungskosten = Maßgeblicher Basispreis vor Anpassung multipliziert mit
 $(r \times t)$,

wobei

"r": r-Zinssatz, abzüglich Marge

und

"t": Anzahl der tatsächlichen Tage im jeweiligen Finanzierungszeitraum dividiert durch 360

bedeuten.

"Finanzierungszeitraum" entspricht dem Zeitraum vom Tag der vorangegangenen Anpassung (einschließlich) bis zum Tag (ausschließlich), an dem die jeweilige Anpassung vorgenommen wird.

- (4) Der jeweilige maßgebliche Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 4 Knock-out-Barriere

- (1) Die maßgebliche Knock-out-Barriere wird [an jedem Geschäftstag von dem Emittenten gemäß Absatz (2) jeweils vor dem Handelsbeginn des Emittenten] [zu Beginn eines jeden Geschäftstags von dem Emittenten gemäß Absatz (2)] [**Alternativen Anpassungszeitpunkt einfügen: •**] neu festgelegt.
- (2) Die maßgebliche Knock-out-Barriere entspricht dem an dem betreffenden Geschäftstag festgestellten maßgeblichen Basispreis multipliziert mit dem Anpassungssatz, wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die Anpassung") kaufmännisch gerundet wird.
- (3) Die jeweilige maßgebliche Knock-out-Barriere wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.

§ 5 Verbriefung und Lieferung der Zertifikate

- (1) Die Zertifikate sind während ihrer gesamten Laufzeit in einem Inhaber-Sammelzertifikat (die "Sammelurkunde") verbrieft, die bei der Clearstream Banking AG, Eschborn, ("Clearstream") hinterlegt ist. Effektive Zertifikate werden nicht ausgegeben. Der Anspruch auf Lieferung effektiver Zertifikate ist ausgeschlossen.

- (2) Den Zertifikatsinhabern stehen Miteigentumsanteile an der Sammelurkunde zu, die in Übereinstimmung mit den Bestimmungen und Regeln von Clearstream und außerhalb der Bundesrepublik Deutschland durch Clearing-Systeme, die über Kontoverbindungen mit Clearstream verfügen, übertragen werden können. Die kleinste handel- und übertragbare Einheit ist 1 Zertifikat.

§ 6 Ausübung

- (1) Ausübungen können [jeweils zum ersten Bankarbeitstag (wie in § 7 Absatz (1) definiert) eines jeden Monats] [●] (die "Ausübungstage") vorgenommen werden.
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag

 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream liefert.]
- [(2) Die Ausübung erfolgt, indem der Zertifikatsinhaber rechtzeitig zu einem Ausübungstag seine depotführende Bank anweist,
- a) eine Erklärung (die "Ausübungserklärung") mindestens in Textform gegenüber dem Emittenten abzugeben und
 - b) die Zertifikate auf das Konto des Emittenten bei Clearstream zu liefern.]
- (3) Die Ausübungserklärung muss enthalten:
- a) den Namen und die Anschrift des Zertifikatsinhabers oder seines zur Ausübung Bevollmächtigten,
 - b) die Wertpapier-Kenn-Nummer und/oder die ISIN der Zertifikate, für die die Ausübung erfolgt,
 - c) die Anzahl der Zertifikate, für die die Ausübung erfolgt,
 - d) den Ausübungstag, zu dem die Ausübung erfolgt, und
 - e) die Kontoverbindung im Sinne des § 7 Absatz (1) für die Zahlung des Einlösungsbetrags.
- (4) Die zugewandene Ausübungserklärung ist bindend und unwiderruflich. Zur Wirksamkeit der Ausübung muss bzw. müssen am letzten Bankarbeitstag vor einem Ausübungstag vor [12:00] [●] Uhr (Düsseldorfer Zeit) dem Emittenten die Ausübungserklärung in Düsseldorf zugewandene und die Zertifikate auf sein Konto bei Clearstream übertragen worden sein. Hat der Emittent die Ausübungserklärung oder die Zertifikate zu dem in der Ausübungserklärung genannten Ausübungstag nicht rechtzeitig erhalten, gilt die Ausübung als nicht erfolgt. Eine zugewandene Ausübungserklärung gilt ebenfalls als nicht erfolgt, wenn bis zum Ausübungstag einschließlich das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].

§ 7 Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags

- (1) Der Emittent wird dem Zertifikatsinhaber, der wirksam ausgeübt hat, [am fünften Bankarbeitstag] [innerhalb von ● Bankarbeitstagen] nach dem Ausübungstag bzw. nach Ermittlung des Einlösungsbetrags gemäß § 9 in Verbindung mit § 8 den auf die gesamte Stückzahl der Ausübung

entfallenden Einlösungsbetrag durch Gutschrift auf das in der Ausübungserklärung genannte Konto zahlen. "Bankarbeitstag" ist •.

- (2) Im Falle des Eintritts des Knock-out-Ereignisses [und sofern sich ein Knock-out-Betrag errechnet,] erfolgt die Zahlung des Knock-out-Betrags an die Zertifikatsinhaber über Clearstream [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen], nach dem Tag, auf den das Ende der Auflösungsfrist fällt.
- (3) Mit Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags [bzw. mit dem wertlosen Verfall der Zertifikate] erlöschen alle Verpflichtungen des Emittenten aus den Zertifikaten.
- (4) Alle etwaigen im Zusammenhang mit der Zahlung des Einlösungsbetrags bzw. des Knock-out-Betrags anfallenden Steuern oder Abgaben sind vom Zertifikatsinhaber zu tragen. Der Emittent wird durch Leistung der Zahlung an Clearstream oder zu dessen Gunsten von seiner Zahlungspflicht befreit.

§ 8

Anpassungen/außerordentliche Kündigung

In Bezug auf Basiswerte, die Indizes sind, sind die folgenden Bestimmungen anwendbar:

- a) Maßgeblich für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses sind die Konzepte des Basiswerts, wie sie von der Relevanten Referenzstelle erstellt wurden und weitergeführt werden, sowie die Berechnung, Feststellung und Veröffentlichung des Basiswerts durch die Relevante Referenzstelle, auch wenn künftig Veränderungen und Bereinigungen in der Berechnung des Basiswerts, der Zusammensetzung oder Gewichtung der Kurse und Basiswertkomponenten, auf deren Grundlage der maßgebliche Basiswert berechnet wird, der Art und Weise der Veröffentlichung oder wenn sonstige Veränderungen, Bereinigungen oder andere Maßnahmen vorgenommen werden, die sich auf die Berechnung des Basiswerts auswirken, soweit sich nicht aus den nachstehenden Bestimmungen etwas anderes ergibt.
- b) Sollte der maßgebliche Basiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig von der Relevanten Referenzstelle oder einer anderen Stelle festgestellt und veröffentlicht werden, wird der Emittent bestimmen, ob und welcher dann regelmäßig veröffentlichte andere maßgebliche Basiswert für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses zugrunde zu legen ist (der "Ersatzbasiswert") und das Bezugsverhältnis und den Basispreis gegebenenfalls entsprechend anpassen. Die Ersetzung des Basiswerts durch einen derartigen Ersatzbasiswert sowie die gegebenenfalls vorgenommenen Anpassungen sind zusammen mit dem Stichtag für die Ersetzung unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen.
- c) Wenn der Emittent nach Treu und Glauben befindet, dass das maßgebliche Konzept und/oder die Berechnungsweise oder die Grundlage des Basiswerts oder Ersatzbasiswerts so erheblich geändert worden ist, dass die Kontinuität des Basiswerts oder Ersatzbasiswerts oder die Vergleichbarkeit des auf alter Grundlage errechneten Basiswerts oder Ersatzbasiswerts nicht mehr gegeben ist, oder wenn der Basiswert oder Ersatzbasiswert während der Laufzeit der Zertifikate nicht mehr regelmäßig festgestellt und veröffentlicht wird und die Festlegung eines anderen Basiswerts nicht möglich ist, ist der Emittent berechtigt, für die Weiterberechnung und Veröffentlichung des für die Feststellung des Referenzpreises sowie die Ermittlung des Knock-out-Ereignisses relevanten Basiswerts auf der Grundlage des bisherigen Konzeptes des Basiswerts oder des Ersatzbasiswerts und des letzten festgestellten Werts des Basiswerts Sorge zu tragen oder die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht

der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet]. Die Entscheidung des Emittenten über eine Weiterberechnung ist unverzüglich gemäß [§ 11] [§ 12] bekanntzumachen. Das Kündigungsrecht des Emittenten gemäß Absatz e) bleibt hiervon unberührt.

- d) Die Entscheidung des Emittenten über die Bestimmung eines Ersatzbasiswerts nach Absatz b) oder über die erhebliche Änderung des Berechnungskonzeptes und die Berechnung des Referenzpreises nach Absatz c) durch den Emittenten oder einen von ihm beauftragten Dritten sind, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend. Die Veröffentlichung des jeweiligen Standes eines Ersatzbasiswerts nach Absatz b) oder des weiterberechneten Basiswerts nach Absatz c) erfolgt in einer hierfür geeigneten Form und nicht gemäß [§ 11] [§ 12].
- e) Ist nach Ansicht des Emittenten eine Weiterberechnung des Basiswerts oder Ersatzbasiswerts aus welchen Gründen auch immer nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen möglich und/oder sollte der Emittent feststellen, dass er aufgrund der Weiterberechnung nicht oder nur noch unter unverhältnismäßig erschwerten Bedingungen wirtschaftlicher oder praktischer Art in der Lage ist, die für die Absicherung seiner Zahlungsverpflichtung aus der Begebung der Zertifikate erforderlichen Sicherungsgeschäfte zu tätigen, ist der Emittent berechtigt, jedoch nicht verpflichtet, die Zertifikate durch Bekanntmachung gemäß [§ 11] [§ 12] zu kündigen. Die Bekanntmachung wird den Zeitpunkt der Wirksamkeit der Kündigung (der "Kündigungstag") enthalten. Zwischen Bekanntmachung und Kündigungstag wird eine den Umständen nach angemessene Frist eingehalten. Im Falle einer solchen Kündigung entspricht der Einlösungsbetrag je Zertifikat dem Betrag (der "Kündigungsbetrag"), der von dem Emittenten nach billigem Ermessen als angemessener Marktpreis eines Zertifikats festgelegt wird. Eine Erstattung des für den Erwerb der Zertifikate aufgewandten Betrags oder eine sonstige Schadensersatz- oder Ausgleichszahlung erfolgt nicht. Die Zahlung des Kündigungsbetrags erfolgt [am fünften Bankarbeitstag] [innerhalb von • Bankarbeitstagen] nach dem Kündigungstag. Die Rechte aus den Zertifikaten erlöschen mit Zahlung des Kündigungsbetrags. Eine erklärte Kündigung gilt als nicht erfolgt, wenn bis einschließlich zu dem Kündigungstag das Knock-out-Ereignis eintritt. In diesem Fall wird der Emittent den gemäß § 2 ermittelten Knock-out-Betrag zahlen [, sofern sich ein Knock-out-Betrag errechnet].
- f) In Bezug auf indexähnliche bzw. indexvertretende Basiswerte sind die vorstehenden Bestimmungen entsprechend anwendbar.
- g) Die Berechnung des angepassten Bezugsverhältnisses und des angepassten Basispreises erfolgt jeweils auf der Basis von • Dezimalstellen (die "Anzahl Dezimalstellen für die angepassten Werte"), wobei auf die • Dezimalstelle (die "Anzahl Dezimalstellen für die angepassten Werte") kaufmännisch gerundet wird, und ist, soweit nicht ein offensichtlicher Fehler vorliegt, für den Emittenten und die Zertifikatsinhaber bindend.
- h) [Der Emittent wird das geänderte Bezugsverhältnis sowie den Tag ihrer Wirksamkeit unverzüglich gemäß [§ 11] [§ 12] bekannt machen. Der geänderte Basispreis wird unter der Internetadresse www.hsbc-zertifikate.de oder unter einer gemäß [§ 11] [§ 12] bekannt gemachten Nachfolgeadresse veröffentlicht.] [Der Emittent wird Anpassungsmaßnahmen sowie den Tag ihrer Wirksamkeit unverzüglich unter der Internetadresse [778](http://www.hsbc-</div><div data-bbox=)

§ 9 Marktstörung

- (1) Eine Marktstörung liegt vor, wenn
 - a) am Ausübungstag der Referenzpreis des Basiswerts aus anderen als in § 8 genannten Gründen nicht festgestellt wird oder der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse (wie nachfolgend definiert), sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung des Basiswerts betroffen ist, oder der Handel von auf den Basiswert bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten in der letzten halben Stunde vor Feststellung des Referenzpreises ausgesetzt oder wesentlich eingeschränkt ist. "Maßgebliche Wertpapierbörse" bezeichnet die Wertpapierbörse oder das Handelssystem, an der bzw. in dem der in die Berechnung des Basiswerts einfließende Kurs einer im Basiswert erfassten Aktie ermittelt wird, oder
 - b) der Handel in einzelnen im Basiswert erfassten Aktien an der jeweiligen maßgeblichen Wertpapierbörse, sofern eine wesentliche Anzahl oder ein wesentlicher Anteil unter Berücksichtigung der Marktkapitalisierung bzw. Gewichtung im Basiswert betroffen ist, oder der Handel von auf den Index bezogenen, an der Relevanten Terminbörse gehandelten Termin- oder Optionskontrakten oder von auf die Terminkontrakte bezogenen Optionskontrakten während der Auflösungsfrist ausgesetzt oder wesentlich eingeschränkt ist.
- (2) Sofern am Ausübungstag eine Marktstörung gemäß Absatz (1) a) vorliegt, ist für die Berechnung des Einlösungsbetrags der nächste nach Beendigung der Marktstörung von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Ist eine Marktstörung nicht bis einschließlich des fünften auf den Ausübungstag folgenden Börsentags beendet, so ist für die Berechnung des Einlösungsbetrags der an diesem fünften Börsentag von der Relevanten Referenzstelle festgestellte Referenzpreis des Basiswerts maßgeblich. Soweit für diesen Tag ein solcher Referenzpreis nicht festgestellt und verteilt wird, wird der Emittent den für die Berechnung des Einlösungsbetrags erforderlichen Referenzpreis nach Maßgabe der Bestimmungen des § 8 ermitteln.
